St. Peter meets Mother Teresa at the Gates Of Heaven and says, “You were a good woman. I'm giving you a nice halo.” Mother Teresa is walking around Heaven when she sees Princess Di, and the Princess has a much bigger halo. Mother Teresa goes back to St. Peter and says, “St. Peter, I spent most of my adult life helping the poor and the sickly. Princess Di did nowhere near the amount of charitable work I did. Why does she have a bigger halo?”
St. Peter says, “That's not a halo. That's a steering wheel.”

Clinton and Mother Teresa die on the same day, and due to some administrative foul up, Clinton gets sent to Heaven and Mother Teresa gets sent to Hell. Mother Teresa explains the situation to the Hell administration, they check their paperwork, and the error is acknowledged. They explain, however, that it will take about 24 hours to make the switch. The next day, Mother Teresa is called in and the Hell administration bids her farewell and she heads for Heaven. On her way up, she meets Clinton on his way down, and they stop to chat:

Mother Teresa: "Sorry about the mix-up."

Clinton: "No problem."

Mother Teresa: "Well, I'm really excited about going to Heaven."

Clinton: "Why's that?"

Mother Teresa: "All my life I've wanted to meet the Virgin Mary."

Clinton: "You're a day late."

Tonight we could all memorialize the sainted Mother Teresa and the beloved Princess Diana by eating curry and then sticking our fingers down our throats.

Bono/Kennedy Ski Conspiracy

The recent tragic deaths of Sonny Bono and Michael Kennedy in tree-related skiing accidents have conspiracy theorists abuzz. The ominous parallels can't be denied!

- + William Kennedy died after skiing into a tree in Aspen, CO.
- + Sonny Bono died after skiing into a tree in Lake Tahoe, CA.

- + An Aspen is a kind of tree.
- + The word "Tahoe" is Native American for "tree."

- + Bono was interviewed by MTV VJ "Kennedy" at the last Republican convention.
- + Kennedy had a secretary named "Loni"—which rhymes with "Sonny."

- + Kennedy was a socialist who thought everyone (but him) should just "share."
- + Bono was once married to "Cher."

- + Kennedy was born into an idolized family yet managed to disgrace himself.
- + After losing family and career in his divorce with Cher, a disgraced Bono managed to recreate himself honorably and rise to the position of idolized Mayor and then Congressman.

- + Kennedy was accused of molesting an underage girl.
- + Bono had an underage daughter named, ironically, "Chastity."

These parallels have led some to suggest a so-called Single Tree Theory: the idea that, in fact, there weren't two individual trees involved, but rather only one tree that committed both assassinations, alone.

But the crucial causal linkage between the two killings remains elusive. Who would have a reason to target both of these men? The obvious answer is the powerful "enforcement arm" of the National Forest Service. Created in the early 50s, the NFS recently had its funding questioned by Bono's House Ways and Means Committee. So much for Bono. But what quarrel could the NFS have had with Kennedy, a friend of every government program known to man?

When asked for a comment, National Forest Service spokesman Bob Woodward responded, "I don't know what the hell you're talking about."

Indeed.

Watch out for that bush, 'cause I think it really grew.

Sonny: Tree.

Both: I hit you, tree.
I hit you, tree.

Mike: They say football on skis is really dumb,
Before we know it we'll both be very numb.

Sonny: I guess that's so, the wind's in our hair,
You did the sitter, but, baby, I did Cher.

Sonny: Tree.

Both: I hit you, tree.
I hit you, tree.

Mike: I got flowers on my grave.
It was stupid, but baby, we seemed brave.

Sonny: And we weren't drunk, just acting like clowns.
We didn't see the tree, but we sure found the ground.

Mike: Don't let them say that we can't ski,
We were doin' pretty good 'til we hit that goddamn tree.

Thought I'd break my fall, but wound up buying the ranch.

Sonny: Tree.

I hit you, tree.

Sonny: I had Cher to hold my hand.

Mike: She had you—then found a real man.

Sonny: I had Newt to think with me.

Mike: I had Ted to drink with me.
I went and kissed that tree goodnight.
Split my skull from left to right.
I hit the tree, I can't let go.
My blood is dripping on the snow.

Both: I hit you, tree.
I hit you, tree.
I hit you, tree.
I hit you, tree.
