### Translation:

Oh, how soon the cycle ends, Spring turns into wintertime!  
Oh how soon all happiness turns to sad silence!  
The last sounds soon fade! The last songbirds are soon flown!  
The last green is soon gone! They all want to return home!  
Oh, how soon the cycle ends, Merriness turns to longing sorrow.  
Were you a dream, your thoughts of love? Sweet as spring and fast is appearing?  
Only one thing will never wane: The longing that never goes.  
Ah, how soon the cycle ends! Oh how soon all happiness turns to sad silence!
