Thoughts of Love

Arthur Pryor  
(1870-1942)

*A very special thanks goes to my family, who without their encouragement and support, I would not be the person I am. Thanks to all my best teachers I've had in my life who have given me my inspiration and love for music. I will pursue and share this love with others for the rest of my life. Thanks to my dear friends of which we have grown together in an inseparable way like nothing else in the world.*

*And to God who, without Him, nothing would be possible.*
