A variety of local and national events, ranging from advancements on campus to experiences of community and global engagement, touched life at Ursinus this year.

In late October, Hurricane Sandy temporarily shut down all classes and events at Ursinus. Fortunately, the hurricane left most of the campus and all of its residents unscathed.

The 2012 presidential election also shaped life on campus this year. In addition to sponsoring a campus-wide initiative to help students register to vote, a number of Ursinus political organizations hosted events to watch the presidential and vice presidential debates.

In regard to campus advancements, President Bobby Fong presented his Strategic Plan and Terry Winegar became the Dean of the College and Vice President for Academic Affairs. Additionally, the Center for Science and Common Good opened, which ushered in a variety of speakers such as Dr. Richard Heinzl, the founder of Doctors Without Borders, Canada. With the help of a grant from The Mellon Foundation, Ursinus also developed a partnership with Columbia University in order to exchange core curriculum strategies.

As the class of 2013 graduates, we wish them the best of luck in their future endeavors.

Family Day *September 29, 2012*

To foster a strong sense of community, Ursinus has continued the tradition of devoting an entire day to the family members of the students, faculty and staff at the College. Family-friendly activities, such as inflatables and a petting zoo, provided entertainment for the younger crowd, while various athletics events, such as a football game against Moravian, attracted the general crowd. Students also reconnected with their loved

ones over a picnic on BWC Triangle. Additionally, a number of campus religious organizations, including Hillel, the Newman Society, and the Chaplain's Office, welcomed families with worship services and receptions. At the end of the day, the Campus Activities Board hosted a screening of *The Avengers* and provided refreshments for attendees.

Homecoming *October 26-27, 2012*

In late October, students and alumni joined in a series of festivities in celebration of their time at Ursinus. On Friday, October 26th, guests attended the Grizzly Gala, which featured live entertainment, dancing, and refreshments. The following day, Ursinus students, alumni, and friends enjoyed athletics events, organization reunions, dance and musical performances, and other family-friendly activities. Organizations that celebrated a

reunion include Alpha Phi Epsilon, Beta Sigma Lambda, Pi Omega Delta, Omega Chi, Upsilon Phi Delta, the basketball team, the track and field team, the choir, Sankofa Umoja Nia, and the Gender & Sexuality Alliance. Lastly, in continuing an Ursinus tradition, the winners for homecoming queen and king were Lauren DiCairano, nominated by Pi Omega Delta, and Liam Marston, nominated by Phi Alpha Psi.

Theatre

Ursinus College Theatre, Breakaway Student Productions

Throughout the school year, thespians at Ursinus enacted a variety of theatrical productions in the Kaleidoscope Performing Arts Center's Blackbox Studio Theater and Lenfest Theater. In early October, students acted in and contributed to the technical production of the play *J.B.* by American playwright Archibald MacLeish. The play, which is a modern retelling of the story of Job, won the Pulitzer Prize for Drama and the Tony Award for Best Play in 1959.

In November, with the help of Brat Productions, students performed in Eugene Ionesco's *A 24 hour THE BALD SOPRANO*. In this production, 6 student actors performed 24 shows in 24 hours, non-stop.

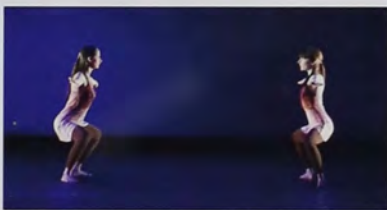

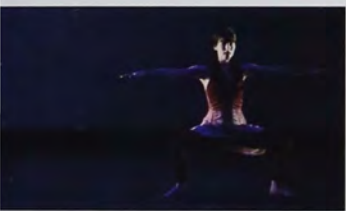

Dance *Ursinus College Dance Company, Escape Velocity, Seismic Step*

In November, members of the Ursinus College Dance Company performed in a fall concert titled *Set (in) Motion*. The production featured pieces from choreographers Karen Clemente, Ursinus faculty in modern dance; Hip Hop/fusion artist and adjunct faculty Duane Lee Holland, Jr.; Jeanine McCain, Ursinus faculty in contemporary/modern dance; and guest artist Christine Rohde.

The organization Escape Velocity, which is run entirely by students, also presented productions in the fall and spring semesters. Seismic Step, a student-run dance team promoting the use of the body as instrument and art, also performed at various events throughout the year. Their work culminated in the Seismic Step Jam in April, as a showcase of the semester's development.

MUSIC

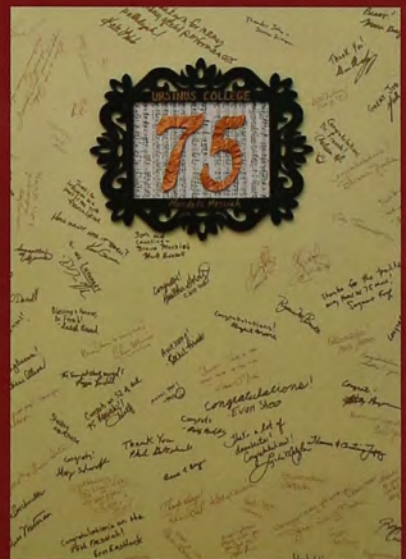

Choir, Jazz Ensemble, Meistersingers, String Ensemble, Wind Ensemble

This year, the music department hosted a variety of events featuring students who either sing or play an instrument in the campus ensembles. Under the tutelage of professor John French, the College Choir and Meistersingers performed the college's 75th anniversary of George Frideric Handel's Messiah in early December. Additionally, the String Ensemble, which became a formal organization in 2011, performed its second annual

concert of Christmas carols in Lower Wismer. The Jazz Ensemble and Wind Ensemble also performed in a number of concerts throughout the year.

Kimberly Keenen

To our dear Kimberly,

Where do we begin? Throughout the years, we have shared so many exciting and proud memories.

You are a shining star that brings pleasure to those you meet. We know you will be a huge success in whatever path you choose.

It has been fun and so rewarding accompanying you on your journey to graduation, and we very much look forward to continuing with you on this journey, filled with promise and great anticipation.

Much love & happiness to you always,

Mom, Dad, Joey, Matt, and Family

Brianna Kramer

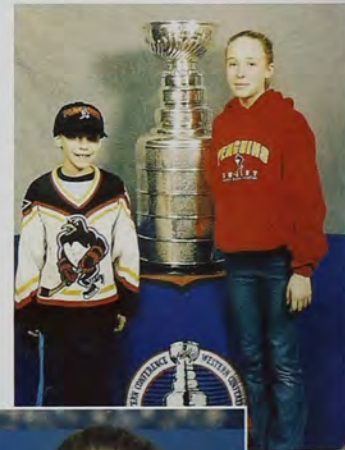

Brianna,

You're the best daughter anyone could ever hope for. We are all very proud of you.

*Relish the past
Embrace the future
Believe in yourself*

Love always,
Dad, Mom, Kim,
Dalton, and Ian

Emelie McFarland

Dearest Emelie,
 It's hard to believe that you are graduating from college already. It seems like yesterday Dad and I were holding you in our arms, and Darryl was running around calling baby Emmy. Now you are a lovely young woman getting ready to take the next step in your life. From your fierce competitiveness on the softball field to the quiet intelligence radiating from your crystal blue eyes, to the warmth and concern you show the elderly. You make us so proud! Keep believing in yourself, Em, and you will achieve everything you set your sights on.
 All our love,
 Mom, Dad, and Darryl

Allison Nichols

We are so proud of the wonderful, kind person you have become. You are loved & cherished by so many family and friends. Your future is open to many possibilities - aim high! Trust that God will guide you to success and happiness. Never give up and you will achieve your dreams.

We love you.

Mom, Dad, Jeremy, Megan, and Tyler

Andrew Saa

Dearest Son,
 The last four years have been so much fun watching you give all your heart to RUGBY and blooming into a fine young man all the way!!! You made wonderful friends and memories at Ursinus... don't forget either! This is not an end, but the means to a new beginning. Fill the next chapter of your life with love and happiness and always, always follow YOUR HEART!!! We are so proud of YOU!
 Love,
 Mom, Dad, Eric, and Kevin

Jenepher P. Mackin

Dear Jenny,
 You have always made us proud. We can't wait to see what's next for you. Congratulations on your graduation from Ursinus!
 LYTTMAB!

You are our sun and our moon ...
Continue to reach for the sky, for you will always be a star...
We are so very proud of you and we will love you forever and always...

"So be sure when you step, Step with care and great tact. And remember that life's a Great Balancing Act. And will you succeed? Yes! You will indeed! (98 and 3/4 percent guaranteed) Kid, you'll move mountains."

Congratulations, Catherine!

We love you,
Mommy, Daddy, Alison, and Caroline

Congratulations Matthew

Its hard to believe where all the years have gone! Who knew that
you would be graduating from Ursinus and on your way to graduate
school to continue your studies in psychology. From the days of
playing soccer, boy scouts, piano, and community service, to
national honors society, St. Josephs High school, the Jersey Shore,
Florida, and so on, you have become a mature, intelligent,
meticulous, caring young man, always aspiring to help others. We
are all proud of your accomplishments and look forward to seeing
the impact you will have on the world. You could be the model for
the perfect son and brother! You will achieve anything you put your
mind to. We wish you nothing but success in the future.

Love, Mom, Dad, Steve, Rob and your entire family!

*While college is only four years long, these memories will last a lifetime.
To all of my friends, thank you and congratulations on your graduation.
Much love, Adrienne*

*"Each friend represents a world in us, a world not born until they arrive, and it is only by this meeting that a new world is born."
