GREEK LIFE

In the fall of 2011, President Bobby Fong began his first academic year as the 13th President of Ursinus College. The year started tumultuously, with a hurricane that caused the campus to lose power for the better part of the day before classes, but thanks to the efforts of Campus Safety, facilities, and the Wismer staff, Ursinus students could start classes with warm food and a full night of sleep.

It's been a year full of hard work and significant improvements. The front of Wismer Dining Center got a facelift, and the Football and Track teams started their seasons on the new Patterson Field after the substantial turf project was completed.

And so, as seniors get ready to graduate this May, we wish the Class of 2012 good luck after Ursinus and we congratulate you for the hard work that lead you here. And when you find success, we hope you'll remember your time here fondly. Be a proud Ursinus alum!
