# COMMIES INFILTRATE

FOUR URSINUS PROFESSORS RETURN FROM TWENTY-FOUR HOUR TOUR OF THE ISLE OF MAN: (left to right) Mr. Roberts, Dr. Rice, Dr. Dennis, Mr. Davis.

## 'Weekly' Publishes History Lecture Notes for Frosh Students' Benefit

"7:33 PM, 4 March 759. Leo the Bald (750-758) was compelled to bow before Aristodamecles Jones (732-760) leader of the Semi-Visigoths. By kissing the third toe of Jones' left foot, he promised lifetime loyalty. The implications are, of course, obvious, and are as follows:

**Political**  
"Showed definite contact between peoples of the Middle Ages. Also demonstrated down to earth democratic policies of Leo the Bald.

**Economic**  
"The fact that Leo was able to kiss the bare toe indicates a certain lack of wealth on the part of the Semi-Visigoths. To quote Gladstone: "When a people are devoid of shoes, it necessarily follows that their feet are bare, ipso facto and vice versa". It can be assumed that this unfortunate condition evolved from poverty or (continued in social aspects).

**Social**  
"the technology of the aforementioned barbarous tribe may have been insufficiently advanced for the wearing of shoes, in which case it may be assumed that the Semi-Visigoths were backward race. Although (also

under social) it may have been recorded incorrectly under which circumstances the ruler would have kissed the third toe of the right foot of Leo, or considering the reversal of form, the left foot. At any rate, it follows that this entire incident was merely

**Religious**  
", a foreshadowing of the Reformation. Also the Reformation was an outcropping of this entire incident. Q.E.D."

(Editor's Note: All students should become thoroughly acquainted with the preceding notes. This is definitely quiz material.)

### Intramurals in Progress

For the past few weeks, participants in the various gym class football games have been clunking heads with monotonous regularity. Although the season is not yet over, one team appears to be outdistancing all others. Last week the rugged star of the "Snakes," Ed modeled a beautiful pale green creation by Dior. The flowers, exquisitely arranged, added to the glamor of this scene of mayhem with which the league is ending.

## Professors Participate In Plans and Problems

Dr. C. D. Mattern, an ardent Elvis Presley fan and president of the local Presley Fan Club, has announced that next Friday's Ethics class will be held in the music room at which time he will play his extensive record collection, including "Love Me Tender".

A class on interpretation of tea leaves (*cupis varitios*) will be held in S-12 by Dr. Ogren on 29 February 1956.

Mr. Philip William Harvey, will be substituting for Dr. Yost during his absence. Dr. Yost, unfortunately, dropped his bass drum on his left foot in last week's victory parade.

Dr. Tyson's classes will not be convened until next Tuesday, since he and his able assistant, Dr. Fletcher, are being detained by Haverford College officials for their part in the recent raid on that campus. (Editor's Note: That is one way to get Monday off.)

There will be no chapel this week since Mr. Schellhase is recuperating from wounds suffered while leading a water battle in Derr Hall.

Dr. Baker has recently assumed a new job on campus. He is the campus representative for the armed forces, replacing Dr. Parsons.

### :: COLLEGE TALK ::

Mr. Symons, well known local Ike booster, has just returned from an "off-the-cuff" conference at Gettysburg, where he mentioned to one of the local farmers that he could not make a go of his new farm. Parity is not high enough.

Mr. Minnich, chairman of the Collegeville Young Democrats, has this week received his bonus check from National Headquarters for his slogan "I'm madly about Adlai". Our congratulations!

Following the lead of Bruce Drobyk, campus fashion plate, the Sophs have adopted as semi-formal attire, motorcycle boots, blue denim trousers, and black leather jackets: T-shirts being optional.

### ATTENTION SENIORS!

We've got 'em! They just arrived this morning—the all new, ever better, Black Market Diplomas. Get 'em while they last.

—Supply Store

Dr. Kershner has made an immediate hit on campus with his new crewcut, sideburns, and latest Brooks Brothers' Ivy League suit.

Hats off to Dr. Boswell, big ten enthusiast, on his purchase of a fire engine red M.G.! Take it slow Doc!

In the state finals, Dr. Manning, long time chess champion, was forced by superior play, to relinquish his coveted title to a young upstart, Mr. Stein.

Thanks also to Dr. Vanderslice for his aid in securing lucrative positions of employment for some recent graduates on the labor staff constructing the new dorms.

Our deepest regrets to Mr. Gurzynski, former football coach, who has taken over the job of debating coach. This change has come about due to the recent shift in the interest of the student body to intellectual pursuits.

Dr. Eugene Miller, Ursinus' world traveler, has recently returned from an extensive speaking tour of Valley Forge Park. His topic was "The Need to Create a new County Seat by merging Collegeville and Trappe."

### Maples Melee Tragic

At 5:30 Wednesday, a scream heard at the third floor window of Maples Hall. Having been involved in numerous altercations, one unfortunate student, apparently losing his senses, leaped to the narrow roof of the building. To the horror of his startled roommates, and before they could rally to help him, he etaoin shrldul cmfwyp vbgkqia 1236...?790\$... 45.....2135...345 Investigation is being conducted behind closed doors.

### STUDENT CLAIMS URSINUS CENTER OF UNIVERSE

A little-known student astronomer, who asks that his name be withheld until he remembers it, claimed on a soap-box here today that a completely new method of interstellar measurement proves conclusively that Ursinus College represents the exact center of the universe. Copies of the draft of his abstruse theory, forwarded yesterday through official channels to Washington, D.C., have now been received by every major nation. Confirmation of the theory is awaited from mathematicians and astronomers the world over.

## Debut of New Campus Publication Announced: Will Appear Soon

Announcement has been received in the Weekly office of a new publication soon to be seen on campus. Its name is La semaine de Ursinus. It will be devoted to news and views of interest to all students. Although reporting intellectual pursuits of the students and faculty, local news, information of courses of study, short stories, etc., will be published each week.

### Staff

Model T. Ford will be editor. Model has given us a list of those that will assist him, which will include: Tom Malignus (news), Robert Hunt (features), Rob Roy MacGregor (chess and bridge), Barry Silly Berty (backgammon), and Ismar Schorsch (crossword puzzles). The fiction staff will include Alexandre Dumas, Marcel Proust, Aristophanes Heiser, Françoise Sagon, Thomas Mann, and Laura Hope Crews. This staff is not complete, and will be added to when needed. Other members of the staff will include both students and faculty, and Model requests that all those interested in working for the paper report to the janitors' suite in Bom-

berger at midnight, October 29.

### Qualifications

He also requests that they bring with them an unpublished novel, 3 typewriter ribbons, an electric hand press, 4 bottles of printers ink, 30 erasers and three thousand dollars as a friendship contribution.

'Seedy' Mattern and Rit Hellchase (faculty advisors) will be the judges of the students' qualifications. Model said that "a four thousand dollar friendship contribution would clinch any student's case."

In an exclusive interview with Ford, he said "Pour le premier fois a Ursinus, nous donnerons les etudiants un journal magnifique. Nous avons un conte extraordinaire pour l'issue premiere. "A La Recherche du Temps Perdu" par Marcel Proust sera le coup. L'issue sera prometteur, n'est pas? Aussi, beaucoup de revelations de Jean-Paul Sartre et ses existentialists sera dans Le Semaine de Ursinus.

Mr. Ford stated that the copies may be purchased from the main desk of the Bibliotheque National starting November 1. (Editor's Note: Achetez!)

Mr. Morrison A. Commies, well-know History Major, spent the week-end with relatives in Filtrate, Pennsylvania.

FROSH TROOPS RELAXING AFTER BATTLE WITH SOPHS: Shown here following the already legendary battle of Freeland are members of the 1960th Freshman Infantry Battalion. Reliable sources predict complete Freshman victory sometime this evening.

### ANNOUNCEMENT

Due to the low level of the Perkiomen, the Wed. and Fri. classes in skin diving will not be held. Classes will resume next Monday, water permitting.

## Ursinus Professor Challenges Eliot

Mr. H. Lloyd Jones, Jr., has requested permission from the administration to devote one semester of English Literature 3-4 to the detailed study of Robert Louis Stevenson's "A Child's Garden of Verses". To quote Professor Jones, "These poems are full of symbolism that tend to be overlooked when read at an early age, and T. S. Eliot is just getting too smart for his britches."

### New Organization Formed

A few interested Ursinus students recently held the first meeting of the Marxist Literary Society. The decision to organize such a club was made in view of the fact that some progressive elements are needed on campus.

Although organizational planning is the main problem of this society at the present time, the charter members decided to sponsor a speaker in the near future, probably an eminent Marxist who will speak on the topic, "You Bet Your Life". An added feature of this program will be the awarding of a door prize, a new Dodge.

### Merger of Pantisocratists

A business merger between the East Bank Pantisocratist Society and the West Bank Pantisocratist Society, both with offices at Ursinus College, has been announced. The new firm, which will be known as the Perkiomen Society, will continue to unregulate the flow of water in the Perkiomen Creek. According to a spokesman, the merger will eliminate certain problems arising from the unregulation of water in the middle of the stream. This is a matter about which Ursinus College, taking the lead in local affairs, has been unconcerned about for many years.

### Curtain Club Plans Revealed

The Curtain Club announces plans to present a one-act version of the Oberammergau Passion Play. Pre-theological students are urged to attend tryouts next Wednesday in Bomberger Chapel. Credit towards their degrees will be given the pre-theos who make the cast.

### Dr. Phillips to Address Forum

Dr. William Phillips will speak at the Ursinus Forum on October 32. His topic will be "The Shakespeare Controversy and Zane Grey". Dr. Phillips has promised some revealing quotations from Riders of the Purple Sage and Coriolanus to prove his point.

## The Policeman Doesn't Scare Me

Several years ago I was stationed at Great Lakes Naval Training Center, situated some thirty-five miles north of Chicago. I had received a seventy-two hour liberty for the week-end, and I decided to hitchhike home to Pennsylvania. I came home, had a wonderful week-end, and started hitchhiking back to the base. A ride from Mansfield, Ohio, to Whiting, Indiana, returned me to just south of the windy city.

On this particular week-end, I had been standing on the street corner at the southern tip of Chicago. I finally got a ride. A large green Cadillac pulled to a stop at the curb. A short heavy-set middle-aged man in a light gray flannel suit sat behind the wheel. He chewed nervously on the end of an unlit cigar. As I climbed in beside him, I noticed he was staring into the rear view mirror. He seemed to be worried about something, but I didn't bother inquiring into his business. I should have known something was wrong, but my mind was remembering the past week-end.

Still staring into the rear view mirror, he started forward with a series of jolts. I kept my head straight ahead but tried to glance at him out of the corner of my eye. He continued to glance from the mirror to the windshield, as if he were expecting someone to be following him. He broke the silence with, "Where ya goin', kid?"

I replied, "Great Lakes." As these words fell from my lips, I could hear the wail of a siren behind us. A motorcycle cop pulled in front of us, forcing the car over to the curb. My friend mumbled something to himself that I couldn't understand. The policeman beckoned to my friend to stay in the car. The policeman started to go through the usual routine, but my friend stopped him. He reached into his wallet, pulled out a sawbuck, and handed it to the policeman. The cop looked at me, at the driver, at the ten, and finally took it. He thanked the driver, told him he should be jailed for speeding, wished us both good luck, and walked back to his cycle.

As I looked back at the driver, I was amazed to see that he was still peering into that rear view mirror. Was someone else following us? I found the answer to this the following day when Class Lepidoptera are found most numerous in the Brazilian jungles within a radius of three hundred miles of Belem. There are also a few species that can be located in the pine forests in the vicinity of Fortaleza.

### ATTENTION

There will be a special meeting held at twelve o'clock on Wednesday, October 31.

Some Comments on 'Customs'

On Monday evening of last week, 'customs' finally ended for the women of the freshman class, thus the 1956 "Open Season for Frosh" was at last brought to a close.

The true value of 'customs' has long been questioned by members of both the student body and the faculty at Ursinus. During the spring semester of the last school year, there appeared on the feature page of the Weekly a lengthy series of articles which attempted to evaluate 'customs' with a view toward bringing about some needed reforms.

The freshmen did not have the overly sloppy appearance that has often characterized them in the past; they were given, by their 'rulers', some instruction in the mores of college life; they were encouraged to a certain extent to take an active part in extra-curricular affairs; there were some—not too many—examples of the "lavatory humor" which has come, unfortunately, to typify 'step shows.'

Even with the improvements which have taken place in Ursinus' unique orientation program—and with the definite promise of improvement of even more improvement in the future—there remains the question: do 'customs' defeat their own purpose; are they as effective as some other means might be in bringing about the union of the freshman class; do they encourage a wrong sort of attitude on the part of new students; in short, do they cause the frosh to love or to hate Ursinus and all for which it stands?

Now, of course, there are quite a number of individual, and petty, indictments which could be delivered up against the sophomore rules committees, for example, their frequent disregard for the student activities calendar (particularly in regard to rehearsals of The Messiah). But, in the long run, these are unimportant. The important thing is that apparently 'customs' are serving to engender an undesirable attitude—a dislike for Ursinus—on the part of many new students.

This very problem was considered at length at the fall "Y" Retreat three weeks ago. And the general feeling was that 'customs,' as they are now, bring about more ill than good. It was the opinion of many members of the group that, in spite of the good intentions of the worthwhile actions on the part of many members of the rules committee, 'customs' still are, by their very nature, of little value. It is impossible to orientate men and women to college and to a more adult way-of-life by the use of means contradictory to both.

The Campus Affairs Commission of the YM-YWCA has undertaken the re-evaluation and reform of 'customs' as one of its projects for this year. It is to be hoped that the result will be a system of orientation which retains the chastening effect and a certain amount of the 'horseplay' of the present 'customs,' but which also encourages each new member of the student body to give of his best for his college.

Las Turistas by Bill Montgomery

Tourists are probably the most disliked of all peoples. Their arrival is awaited with a mixture of anticipation and dread; their departure taking place before a facade of well wishes built by the natives in an ecstasy of relief.

Everyone has seen (and for the most part been) a tourist at one time or another. Types of tourists are uncountable. Their characteristics are: an excessively busy attitude (much akin to the chipmunk readying himself for a long, cold winter—there are so many dull, empty days ahead!); a bravado unwelcome at home and possibly unknown and unsuspected by the tourist's friends; a susceptibility to the countries uncomfortable and confining maladies; many attempts to speak the language in an accent learned from native comedians or high school dramatics; an ability to feel at ease when all others would

come the Day of Judgment; a mad race to gain personal culture in a few weeks that has taken over one thousand years to acquire as a world heritage; a complete ignorance of just how much foreign money is worth and just what it will buy; the tendency to photograph complete cities inch by inch; a disregard for the hours after midnight and their assigned purpose (one can always sleep in the ship going home!); an ability to act well learned; while projecting an impression of imbecility, and a possession of supreme ignorance of the particular place being visited.

The tourist is that common race of people universally alike that presents an enigma to the cultures of our world. However, they represent everyone, and more than anything else, they make the attempt to create a whole out of so many diversified parts: our world, God bless us!

Seniors to Elect Lifetime Officers On Tues. at 12:30

Tomorrow at 12:30 p.m., seniors will cast their votes for their permanent class officers and for the lord and lady of the senior ball.

Joe Donia is the only nominee for permanent class presidency. He has served as the head of the class for three years and is a member of Sigma Rho Lambda fraternity.

Bonnie Weiler and Margie Dawkins are running for class secretary. Bonnie Weiler has been secretary of the class of '57 for two years, is president of Omega Chi sorority, a cheerleader, and an active "Y" member. Margie Dawkins displays her talents in the area of sports; she plays All-American hockey, heads the varsity basketball team and plays varsity softball. She is a member of Phi Alpha Psi sorority.

Dick Winchester has been nominated for loyalty fund chairman. He has served as class treasurer for four years and is also president of the YMCA and a member of Sig Rho fraternity. He is a former editor of The Ursinus Weekly.

George Budd, Lee Lawhead and John Scofield have been nominated for the position of chairman. Budd is president of the Spirit Committee and a member of Sig Rho. Lawhead is co-editor of the '57 Ruby, vice-president of his class, and a member of Zeta Chi fraternity. Scofield is business manager of the Ruby and president of Sig Rho.

Four men and six women are on the ballot for lord and lady of the senior ball to be held at Sunnybrook Ballroom, Friday, November 30.

Nominations for lord are as follows: Joe Donia, Karl Herwig, Bill Rheiner, and Dick Winchester. Joan Clement, Connie Cross, Sonnie Smith, Helen Stevenson, Marge Struth and Bonnie Weiler have been nominated for the lady of the prom. The results of the vote will be announced at the dance and the winners will then be crowned.

Plans for the prom are well under way under committee heads chosen at the class meeting on October 9. Bruce Holcombe will handle publicity, Marge Struth and Ernie Ito are planning decorations, and Dick Winchester is in charge of programs.

FOOTBALL HOLIDAY

Mr. William S. Pettit, the dean of the college, has announced that classes will not be held on Monday, November 5, if the football game with Haverford College on Saturday, November 3, results either in a victory for Ursinus or in a tied score.

The declaration of a "football holiday" sometime during the season is a well established tradition at Ursinus.

Ursinus Seniors Meet Business Leaders at Dinner

A number of Ursinus seniors were introduced to the "Americans for the Competitive Enterprise System, Inc." last Monday night, Oct. 22, at a dinner held in Freeland Hall.

The "Americans for the Competitive Enterprise System" (ACES) is a "non-profit, non-political, citizens' movement to demonstrate the superiority of the American competitive system over any form of collectivism; that is, communism, fascism, or socialism."

Guests included members of the organization, who represented many industrial firms, and took part in a panel discussion, led by Mr. Curtin Winsor, executive director of the Philadelphia branch of ACES. The panel members were: Robert Titus, president of the Synthane Corporation; Horace Jones, treasurer of James Lee and Sons, Inc.; Harleston Wood, president of the Alan Wood Steel Co.; Philip Corson, president of G. and W. H. Corson, Inc.; W. L. Carpenter, plant manager of B. F. Goodrich, Inc.; and David Schmid, president of Techalloy, Inc.

The panel discussed such topics as: the effect of large corporations on the small businessman; the philosophy of labor relations with respect to rising standards of living; the 'pros' and 'cons' of the guaranteed annual wage; and the effect of automation.

Following the discussion, there was a question and answer period during which the seniors had the opportunity to question the panelists on various topics concerning the business world, such as the qualities which the businessman looks for in prospective employee and the question of military service in the career of a college graduate.

The seniors divided into smaller discussion groups, each led by one of the panelists, affording the opportunity to question him specifically on the particular phase of industry which he represented.

Canterbury Club Dinner At Church in Evansburg

St. James' Episcopal Church in Evansburg was host on Tuesday, October 9 to the Episcopal students at Ursinus College. The students were treated to dinner; worship and recreation were also part of the evening's activities.

Twenty-one students were in attendance from the college. Guest speaker for the evening was the Rev. John Bomberger, grandson of the first president of the college. Dean William S. Pettit and the Rev. Edward Platts, the rector of St. James, were also present.

Canterbury Club functions were discussed, and all Episcopal students were cordially invited to join the club. Meetings are held the second and fourth Wednesday of every month.

Vespers Service Ends 'Religious Emphasis Week'

The "Religious Emphasis Week" Conference, which was held Sunday through Wednesday of last week, featured two speakers in addition to Dr. Charles D. Mattern, whose talk on "The World and Man: The Future in the Light of Present Values, Conditions, and Methods" was reported in the last edition of the Weekly.

On Tuesday evening, October 23, Dr. Edward J. Humphreys, the chief of the Division of Mental Retardation in the office of the Commissioner of Mental Health of the Commonwealth of Pennsylvania, spoke on the contributions that religion has made to the science of psychology. He stated, in essence, that both religion and psychology are necessarily concerned with the "whole man" and his whole life and that the presence of mental disease was often a definite sign of religious need.

Dr. Humphreys was introduced by Barbara Althouse, one of the co-chairmen of the Student Worship Commission of the Ursinus YM-YWCA — sponsors of "Religious Emphasis Week."

The next evening, Mr. Gabriel Vahanian, a native of France now teaching religion at Princeton University, delivered an address on the topic "The Role of Psychology in Religion." Mr. Vahanian, who was introduced by Joe Atkins, co-chairman of the SWC, noted the place which religion has in the systems of several contemporary psychologists. He stressed, however, that the reliance that many people in the twentieth century place on religion (i.e., the church) is definitely unhealthy. He said that there is a definite tendency to mistake religiosity or church-going or piety for true, valid religion. Religion, the Bible and so forth are too often made to play the roles of idols, he claimed. Hope is to be found in removing the great truths of religion from the various symbolic forms into which they have been put.

Each morning during the conference, morning watch services were held in the reception room in Freeland Hall immediately following breakfast. Devotional meetings took place each evening in each of the dormitories. The music room on the ground floor of the library was used as a room for private meditation

Frat Fall Rushing Ends Today at 12

On Tuesday, October 16, fraternity rushing for the fall semester was opened with Delta Mu Sigma's party at St. Michael's Club in Phoenixville. The following week, on Tuesday, the brothers of Sigma Rho Lambda held their rushing dinner at the Phoenixville Italian American Club. Beta Sigma Lambda held its rushing stag on Wednesday night at Marshall Nixon's home near Eagleville. The following night Alpha Phi Epsilon held its rushing party at St. Michael's in Phoenixville. Delta Pi Epsilon, the fraternity for day students, welcomed rushees to its fall stag at the Millside Inn on Thursday, October 18.

Zeta Chi was the only fraternity that did not have a rushing party this fall.

Rushing for men ends today at noon when the rushees will be given their bids by the different fraternities. The bidding will take place in the Alumni Memorial Library.

Teeters to Speak at YM-YWCA Meeting, Nov. 7

On November 7, at 6:45 p.m. in Bomberger Chapel, Dr. Negley K. Teeters will address an association meeting of the YM-YWCA. Dr. Teeters will speak on the topic: "What we as college students can do to prevent or alleviate juvenile and adolescent crime." His book, New Horizons in Criminology, which he wrote in collaboration with Barnes is a standard reference work in sociology departments in colleges throughout the country. Dr. Teeters is head of the department of sociology at Temple University.

SRC to Show Motion Picture

On the evening of Wednesday, October 31, at 6:30 p.m., the Social Responsibilities Commission of the Ursinus YM-YWCA will show the hour-long motion picture, "Children on Trial." The program will take place in Bomberger Hall.

during the three days of the conference.

"Religious Emphasis Week" was brought to a close in a special Service of Consecration held in Bomberger Chapel on Sunday evening. This half-hour service was planned and directed by Marilyn Spangler—a member of the Student Worship Commission.

# Bruin Booters Rout LaSalle, 5-2; Lose to Undefeated Swarthmore, 3-0

by Jay Salwen

Tuesday afternoon on their home field the Ursinus soccer team gained its first victory of the year. It was a clean cut victory on a muddy field. In spite of the mud, the Bear booters ripped through the LaSalle defense to score a decisive 5-2 victory.

### LaSalle Scores First

At first, it appeared as though the LaSalle team were going to take the game away from the Red and Black, for the game was going slightly in their favor. Halfway through the first quarter the Wanderers scored the first goal of the game. Often this could have spurred them to press even harder on the Ursinus fullbacks, Bob Schmoeyer and Bill Spangler, but it had an exactly reverse effect. It activated the Ursinus team, the field of play switched, and the Bears began to press. It took only minutes before the score was tied up at 1-1. Ken Grundy had to break through a bunched up defense to score his first goal of the current season. From then on there was no holding back the Bear booters. They completely dominated the play. Early in the second period Mike Blewett scored to put Ursinus ahead, and before the half he scored again to give the Bears a healthy 3-1 lead.

The second half continued in the same manner with the Ursinus goalie Dave Burger getting almost no business at all, and LaSalle getting only one offensive drive during which they

scored. The Bear line continued to press, being backed up excellently by halfbacks, Fulton, Harrison, and Rheiner. Ursinus scored again when Jay Salwen, receiving a cross in front of the goal from Ken Bailey, pushed one through. Ursinus never let up and with less than ten minutes to play they scored their final goal of the game when Bobby Angstadt took a corner kick from Bill McQuaid and tapped it pass the LaSalle goalie.

### Booters Drop Fourth to Garnet

Swarthmore's undefeated soccer team remained at the top of the Middle Atlantic Collegiate League Saturday with a 3-0 victory over the Bruins on the Garnet field. The Bruins held the powerful Swarthmore squad to a 1-0 lead at halftime, but were unable to penetrate the strong Garnet defense.

Swarthmore's Terry Maisel scored the first Garnet goal on a pass from Korean Benn Wu and passed at the start of the fourth quarter to Korean Joo Bong Kim, who headed the ball past Bruin goalie Dave Burger for the final tally. Haig Boyadjian tallied the second pointer midway in the third period on a pass from Jim White.

The contest ended in a 3-0 Garnet victory despite several Ursinus efforts to crack the most powerful defense they had seen all year. The booters meet Haverford this Saturday on the home field.

### CONGRATULATIONS

to Carol LeCato, a Sophomore from Haddonfield, who was ranked 28th nationally for the 1955 season of competition in tennis for girls 18 years of age and under. Carol played number one for the Belles last spring and remained undefeated for the season.

## Seven Belles on All College Teams

The Ursinus Belles came through in fine style this week-end in placing seven players on the first two All College teams in the hockey tournament at Swarthmore. Vonnie Gros, Belles' Captain, staged an excellent exhibition and gained herself the right fullback berth on the All College First Team. Pat Woodbury and Lynn Custer are vying with opponents from Drexel and Temple for the All College First Team positions of goalie and right wing respectively. These two contests will be decided next week-end.

Carol LeCato — left inner, Marge Dawkins—center, Janie Dunn—left halfback, and Alice Irwin—left fullback earned the honor of being selected members of the All College Second Team. Freshman Sue Wagner was awarded the right wing spot on the fourth All College team, and Faye Bardman was selected as honorable mention.

Ursinus is certainly proud to have had its hockey team, under the direction of Miss Eleanor Snell, perform in such a notable manner. We will all be rooting for the Belles as they compete for All-Philadelphia team positions on the week-end of November 9-11.

## LeCato Stars as Belles Cop 3rd In Win Over W. C.

The varsity Belles revenged their only loss in last year's season and extended their 1956 winning streak by defeating the West Chester hockey team on the home field on Thursday, October 25. Carol LeCato, left inner for Ursinus scored twice for a final tally of 2-0.

Goalie Pat Woodbury thwarted an early West Chester scoring threat with a decisive stop and clear. The remainder of the first half showed a great deal of action at both goals, but neither team could break through the other's defense. West Chester's goal keeper and fullbacks did a commendable job. The second half began with the same back and forth playing that characterized the first, and then to the delight of the Ursinus fans, Carol LeCato broke through to score for the Belles. Aggie Watson, playing at right inner, pulled the West Chester goalie out with a well-placed flick; and Carol Picked it up to win the game for UC.

The play, in comparison to that at the Beaver game on October 17, was a little disappointing. The players seemed bunched, and the constant changing of field and open driving of good hockey seemed lacking. Both teams showed the effects of little practice because of the inclement weather of the preceding week.

The girls playing for Ursinus were Vonnie Gros, Alice Irwin, Faye Bardman, Sue Justice, Tama Williams, Sue Wagner, Aggie Watson, Ingrid Reiniger, Lynn Custer, Marge Dawkins, Pat Woodbury, Carol LeCato, and Jane Dunn.

### Basketball Meeting Tonight

Mr. W. H. Yost, the head coach of the men's basketball team at Ursinus, has announced that there will be a meeting of all candidates for the basketball team on Monday, October 29, at 7:30 p.m. in the New Gym.

## Famous, Donnelly Click as Gridders Top Wagner, 19-12

by Chris Rohm

Rebounding after the thorough drubbing they received from Swarthmore (48-13), the Bears were able to put together a sufficient running and passing attack to ground the Seahawks of Wagner, 19-12 at Patterson Field on Saturday. The ground attack was led by halfback Bob Famous, who gained 98 yards on 18 carries, and fullback Dick Padula. Famous also led the aerial bombardment by connecting with Capt. Harry Donnelly for two of the three Ursinus touchdowns. Padula scored the remaining six-pointer for the Bears.

### Seahawks Score Early

The game opened with the Bears receiving the kick-off. It looked like another bad day at

Famous added the point. At this point the Bruins led by a 19-6 score.

Late in the second period, with less than two minutes to go Wagner's Tansey connected with John Mangiante for a 23 yard touchdown pass. Dick Hagerman's attempt for the extra point was wide. The first half ended with Ursinus in command by a 19-12 lead.

The two teams battled through a scoreless second half, both teams relying on the kicking game to prevent any serious threat in scoring. One outstanding play did occur, however, in the third period when Richie Boggio handed off to Famous on a reverse for a 28 yard run play.

On third down and 20, halfback Bob Famous scampers 28 yards on a reverse for a Bruin first down. Wagner tacklers are Geo. Tansey (25) and Harry Donnelly (18). Photo by S. P. Wagman

U.C. when Ursinus was quickly forced to punt only to have it blocked and Bill Warnock of Wagner recovered the loose pigskin on the Ursinus 6. Two plays later Don Trentalonge of Wagner scored from one yard out, the game being only a few minutes old.

Still in the first quarter, Ursinus came back to tie the game with a 61 yard pass play from Famous to Donnelly, Donnelly racing the last 31 yards into the end zone. In the second quarter senior end Les Applegate recovered Seahawk quarterback George Tansey's fumble on his own 5 yard line, and four plays later Padula carried from the one yard line for the second Bruin score.

### Famous-Donnelly Again

The third and final Bruin score came as a result of another Famous to Donnelly pass which covered 44 yards, with Donnelly scampering 20 to the tally mark.

Ursinus scoring: Donnelly 2 (61 yd. pass-run, 44 yd. pass-run) Padula, (1 yd. run).

Wagner scoring: Trentalonge (1, plunge), Mangiante (23 yd. pass).

## Behind the Sporting Scene!

by Bruce MacGregor, Sports Editor

Last Wednesday the annual intramural football program began under the directorship of senior Don Sowers and junior Otts Stanley. Since then, not a game has been played due mainly to the lack of interest from the male student body.

In previous years there have been teams representing every men's dorm on campus, with as many as three teams from both Brodbeck and Curtis. This year only three teams have shown up with a sufficient amount of players. For some reason the desire to compete in intramural athletics seems to have diminished. Where the fault lies is hard to say. It could be lack of interest. It could be poor directorship. It could be a combination of both.

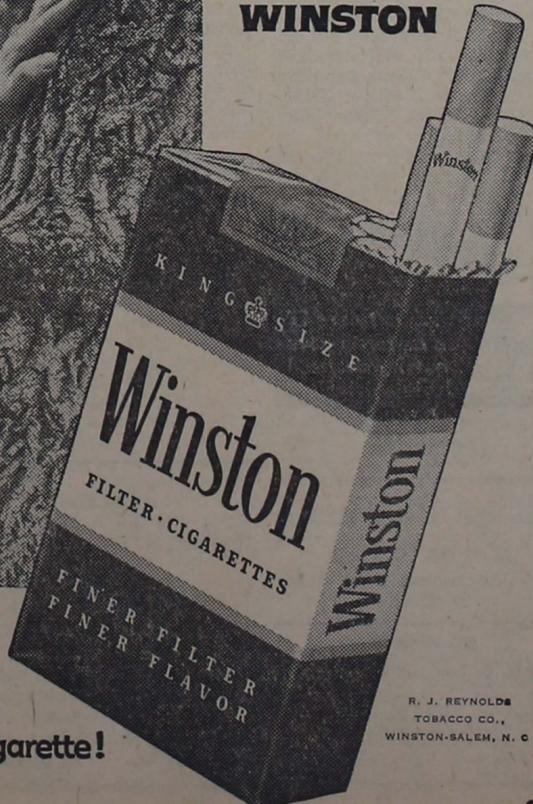

For those unfamiliar with the intramural program, there are valuable medals awarded to the winning team, plus the chance to compete in such athletics as football, basketball, and softball. These rewards should suffice for a successful intramural program—but obviously don't.

This Saturday afternoon the Grizzlies meet Haverford College for their twenty-fifth game of the series. The Bruins boast a 15-7-2 series account over the Fords, walking away with a 12-6 victory last year. Last Saturday the Fords had a six game winning streak and their intentions for a undefeated season broken by a strong undefeated eleven from Hamilton, 41-6. This weeks game should prove a strong battle between a victory-hungry Ursinus squad and the revenging Fords.

**College Library Installs New Lighting System**

One of the major improvements made in the physical plant at Ursinus during the past summer is the new lighting system in the reading room in the Alumni Memorial Library. Before the change was made, one of the major student complaints was that concerning the inadequate illumination in the library; the old system made close reading virtually impossible.

Besides the old lights, there are now twenty-seven rectangular lamps placed in the ceiling. Each new lamp is adjacent to an old one so that each table receives the proper amount of light for reading.

An ideal system should provide from thirty to forty foot-candles of light throughout the reading room; under the old system, only six to seventeen were provided. With the new lights, however, the output is from thirty to forty-six.

Mr. Russell Remig, the head of the college maintenance department, determined the output of the library's lighting system both before and after the improvement with a specially calibrated light-meter.

**Chemical Society Views Two Motion Pictures**

The Beardwood Chemical Society held its first meeting of the semester Monday night, October 8, in Pfahler Hall. President Bill Schearer presided and introduced the other officers for this year. They are Newton Ruch, vice-president, and Rose Marie Dodig, secretary-treasurer.

The program included two films, *Oil for Aladdin's Lamp*, which illustrated the importance of oil in modern-day living, and *A Story in Research*, which traced the research history of the acrylic fiber, Orlon.

The society is planning a varied program which will include speakers talking on the various phases of the chemical industry, films, a trip to a chemical plant, and the annual banquet. The society meets the first Monday of each month.

**Fellowships Open To Future College Faculty Members**

The Danforth Foundation, an educational trust fund in St. Louis, Missouri, invites applications for the sixth class of Danforth Graduate Fellows from college senior men who are preparing themselves for a career of college teaching, and are planning to enter graduate school in September, 1957, for their first year of graduate study. The Foundation welcomes applicants in the fields of the natural and biological sciences, social sciences, humanities and all fields of specialization to be found in the undergraduate college.

President N. E. McClure has named Dean William S. Pettit as the liaison officer to nominate to the Danforth Foundation two or not to exceed three candidates for these fellowships. These appointments are fundamentally "a relationship of encouragement" throughout the years of graduate study. The maximum annual grant for single Fellows is \$1800; for married Fellows, \$2400 with an additional stipend for any children. A Danforth Fellow is allowed to carry other scholarship appointments concurrently with his Danforth Fellowship, and applicants for these appointments are cordially invited to apply at the same time for a Danforth Fellowship. If a man receives the Danforth Appointment, together with a Rhodes Scholarship, Fulbright Scholarship, or Woodrow Wilson Fellowship, he becomes a Danforth Fellow without stipend, until these other relationships are completed.

The qualifications of the candidates as listed in the announcement from the Foundation are as follows: outstanding academic ability, personality congenial to the classroom, and integrity and character, including serious inquiry within the Christian tradition.

All applications, including the recommendations, must be completed by January 31, 1957. Any student wishing further information should get in touch with the dean.

**Federal Career Booklet Describes Opportunities**

The U.S. Civil Service Commission has just published *Federal Careers—a Directory for College Students*. This publication describes fully over eighty different types of positions in government service for which college students might qualify. It is easy to read, illustrated, and emphasizes career opportunities—not just 'jobs'.

Thirty-nine federal agencies assisted the Civil Service Commission in its development. Complete information is given concerning the federal government as an employer. The *Directory* was designed to assist the college placement officer in vocational guidance counselling but will be of equal interest to the student at any academic level.

Distribution has been made to all universities, colleges, and professional schools in the United States and its possessions. At Ursinus, copies are available in the college library and in the office of the director of placement.

**Chi Alpha to Hear Speaker on Greek Ideas**

According to Fred Kurkowski, the vice moderator of the Chi Alpha Society, the Reverend Mr. Robert W. Duke will speak on the topic "The Influence of Greek Thought on Christianity" at an open meeting of the society to be held on Monday, November 12, at 7:30 p.m.

Mr. Duke, who is a graduate of the theological seminary at Drew University and who formerly taught courses relating to Greek thought at Drew, is, at present, the minister of Peoples' Congregational Christian Church in Dover, Delaware. Mr. Duke's talk will last one half hour and will be followed by a short discussion period.

Because of the number of people whom the topic should interest, the meeting will be held in the faculty room on the second floor of the library.

**College Qualification Test Deadline is Tuesday**

College students interested in taking the selective service college qualification test have until midnight, Tuesday, October 30, 1956, to submit application.

The purpose of the testing program is to provide evidence for local selective service boards so they may consider student deferment for military service registrants.

To be eligible to apply for the test, scheduled to be given November 15 to college students in 900 test centers throughout the United States, Alaska, the Canal Zone, Hawaii, and Puerto Rico, a student must intend to request deferment as a student, be satisfactorily pursuing a full-time course of instruction, and must not have previously taken the test.

Students interested in taking this test to qualify for possible draft deferment, in order to continue their college education, are urged to have their completed application postmarked no later than midnight, October 30.

**WAA Holds First Mass Meeting of School Year**

The first mass meeting of the Women's Athletic Association was held in the Student Union October 22. Jane Dunn presided. Mrs. Paul Shillingford, the former Jen Price, spoke to the group about the National Hockey Tournament.

The forthcoming WAA-Varsity Club show was discussed. Suggestions for a central theme were voted on, and various committees were organized.

According to its officers, the WAA is looking forward to a successful year and sincerely hopes all freshman women will support its functions and attend all its meetings.

**Veterans Certifications Due**

According to Mr. J. A. Minnich, the veterans' counsellor at Ursinus, all veterans who are students at Ursinus should report to room 1 of Bomberger Hall for the purpose of signing certifications for the month of October. These certifications must be completed by the last day of this month if checks are to be issued.

**Fall Sorority Rushing Ends Wed.**

Fall sorority rushing began last Tuesday at 8:00 a.m. after the bids had been sent out on the previous morning.

Alpha Sigma Nu held its rushing party on Wednesday evening at Moorehead's, and on the following evening Kappa Delta Kappa held its party at Dr. and Mrs. E. H. Miller's home. Omega Chi, Phi Alpha Psi, and Tau Sigma Gamma will hold their rushing parties during this week. The rushing period will end at midnight on Wednesday, October 31.

Both sororities and rushees will compose their preferential lists on Thursday, and a list of those receiving bids will be posted late Friday. On Saturday morning at 9:00 a.m. the bids will be signed, and new members will be welcomed into their chosen sorority.

**WRC to Sponsor Debate As Part of Campaign**

Jerry Bonn, Democrat, and Ted Hall, Republican, will be the participants in the World Relatedness Commission-sponsored political debate to be held on Wednesday evening, October 31, at 6:30 p.m. in Bomberger Hall.

This program will be the last big event in the political campaign before the straw vote which will be held on Thursday, November 1, in front of Freeland Hall at 12:30 p.m. and 6:30 p.m. The results will be announced on Friday. Any students who have not registered by signing up on the specified days will not be eligible to vote in this mock presidential election.

**KDK Makes Plans for Year**

On Wednesday, Oct. 3, the sisters of Kappa Delta Kappa sorority began their activities for the year with a bowling party in Pottstown. Afterward, over steak sandwiches and coffee, plans for the year were discussed.

The KDK girls made plans to publish an alumnae handbook. This "Green Book" will include the history and traditions of the sorority, as well as information about alumnae.

The annual luncheon was held on Old Timers' Day, Oct. 20, at Lakeside Inn, where the present members met with many of their graduate sisters.

**Representatives Needed For New Magazine**

Unique opportunities as circulation representatives for *The Forum*, the only intercollegiate magazine in the United States, were opened this past week and are now being offered to students on campuses all over the country.

The positions carry no pay except the satisfaction of having a hand in the growth of a first-class campus magazine.

*The Forum*, a non-profit publication, was started last year by a group of students at Oberlin College in Oberlin, Ohio. The magazine takes no editorial position. It aims only to publish the best in student essays, fiction, poetry, art, and music.

Prospective representatives may write to *The Forum*, 240 Elm St., Oberlin, O., for sample copies of recent issues and a brochure describing in detail the scope and policies of the magazine.
