The United States Women's Olympic Field Hockey Team

The United States Women's Olympic Field Hockey Team has done this country proud. They won the bronze medal in the 1984 Olympics in Los Angeles, California. Six members of the Women's Olympic Field Hockey Team carry with them the Ursinus tradition. Their drive toward an Olympic medal has given many of us at Ursinus and throughout the country an example which we can strive to emulate. Thank you for putting dreams within reach!

The Sycamore Tree

It was the terrible storm of March 29, 1984 that left the grand old sycamore tree in the east end zone of Patterson field uprooted. The tree was estimated to be between two hundred and two hundred and fifty years old. It was predicted to stand for another ten to twenty-five years before being toppled by a strong wind, and during that time its offspring, a genetic copy would have reached "a good size". But the "strong wind" came sooner than expected. It was not surprising that news of the "Bears leafy mascot" spread across the country from Philadelphia to Alaska and California.

While we wait for a small sapling of tree to grow large enough to plant, the wood from the sycamore has been commissioned to a sculptor to carve a large Ursinus bear in order to be displayed in Myrin Library.

Prody

When you graduate from high school knowing you want to attend medical school after college, you lean towards choosing a college with an excellent "pre-med" program to enhance your chances of being accepted at a medical school of your choice. And that is what Prody Ververeli did, but he wanted a little more out of college than just a narrow pre-med education. He wanted a well rounded liberal arts education at a small college in order to be able to receive more individualized instruction from professors. He also wanted to be involved in sports and activities — to attend a college where he could balance it all, but also excel in his best areas of interest. So Prody choose Ursinus College and was "really happy to have gone to U.C."

Prody said that "U.C. gave him a lot of opportunities." The listing of his achievements surely proves that he took full advantage of every opportunity and excelled in each. Prody, a Biology major, will graduate Salutatorian and Summa Cum Laude. He will most likely be attending Jefferson Medical School in the fall. Prody was Captain of the Ursinus wrestling team this year. Along with having an incredible season of 25-2. Prody was named Academic All-American for division III schools. He is a member of Delta Pi Sigma and holds the office of treas. Prody also holds offices in Pre Med Society, Cub and Key, and is a member of Beta Beta Beta, and a Resident Assistant.

The Aspect of Ursinus College that Prody cares the most about is the people. The friendly atmosphere and the good friends he has spent the last four years with have made Ursinus a memorable place for Prody Ververeli.

The Men

Do you Know any of these gentlemen? For those of you who do not they are the students and faculty who spend much of their time responding to fire and ambulance calls. In short, these individuals are members of the Trappe Fire Company and Trappe Ambulance. All seven men are firefighters, while their qualifications for ambulance duty vary from driver and attendant to Emergency Medical Technician and Paramedic. These gentlemen can comprise a complete ambulance crew when needed and spend approximately twelve hours a week running on calls.

Not all of these men are new to this volunteer service. Their experience ranges anywhere from one to seven years of running with hometown fire and ambulance squads, as well as with Trappe.

News

Meg

Her name is Marjiori Ann Early, but all her friends call her Meg. She is a tall girl with the short cropped hair of a swimmer, and a rather shy quiet person. But behind that reserved personality hides a perfectionist with a competitive spirit and a strong will to win.

Meg was a typical high school student involved in choir, tennis, track, and school government at Lebanon High School. In addition to the extra curricular activities in school, she swam at the local YMCA. Her career in the pool lasted thirteen years.

When it came time to select a college Meg picked Ursinus for its close proximity to home, its good swimming facilities, and because of her knowledge of the school gained from her sister Amy, an Ursinus graduate. Meg started her college athletic career with swimming. She then picked up diving and attempted to do both. After about a month Meg discovered that diving was just too time consuming, and so she dropped swimming and concentrated on perfecting her diving skills.

During her freshman year Meg acquired the skills to compete in the MAC's for the first time. Her teammates were supportive. She surprised herself and won the MAC's. Meg then qualified for Nationals. Being less sure of her diving ability than others Meg did not feel she belonged in this competition. She dove for the experience and ended up in the bottom of the ranks in both the one and three meter competitions. For the next three years she qualified for MAC's and Nationals bettering her standing.

This past year has been a hard year for Meg. After suffering a head injury while diving, she was in a quandry as to whether she wanted to dive again. Of course, she did and once again reached Nationals. "It hurts that it is all coming to an end," Meg says, "I am just coming to believe in myself." She would like to continue diving by coaching at the high school or college level.

Of Fire

The fact that must really be remembered is running with Trappe is all done on a voluntary basis. Not one of these men gets paid for his contributions to either squad. So for those of you who know any, or all of these gentlemen, you realize what dedicated people they are to take the initiative to qualify themselves to run on a squad, as well as, to volunteer their services so willingly to the community.

Arbor Day

Tuesday May 7, 1985 was the first annual Ursinus Arbor Day and was declared a day of campus beautification. As a way of carrying on the Ursinus tree tradition, started by Dean Kline, the senior class, the fraternities and sororities presented Ursinus with a gift of several trees. The senior class gifted the school with two beech trees to replace the two decayed trees taken down this spring. The fraternities and sororities presented Japanese Cherry trees to the school.

The "thoughtful gift" was accepted by President Richter on behalf of the Ursinus college family. Joan Marie Gagliardi, president of the junior class, was also happy to accept the gift and the challenge to carry on this tradition made by the class of 1985. The class of 1986 hopes to add their element of beautification to the campus and to pass on this tradition to the class of 1987.

Soccer

The Bears rang up an 18-4 mark, setting a team record for victories in a season, and came within one more win of defending their 1983 ECAC championship. In their fifth straight ECAC appearance, the Bears defeated Mary Washington and Haverford to capture the southern regional title. Then they beat William Paterson in the semifinals before falling to Clark Univ. of Worcester, Mass. in the title game held in Collegetown.

Field Hockey

Under Coach Adele Boyd, Ursinus once again kept up with the big schools playing Division I field hockey. The '84 Bears stayed in the top 20 all year, winding up with a no. 13 ranking after climbing as high as no. 10 in midseason.

The Bears returned to the ECAC tourney and almost held on to the title they won in 1983. The Bears got past Boston Univ. in the semifinals in an exciting flickoff, but they fell to Boston College in the title game on BC's home field.

Football

Entering the season, Ursinus took aim at its first winning season since 1972. Two-time captain Gavin Lentz was a first team all-league selection at defensive end for the second straight year. Senior linebacker John Romano led the club in tackles with 97 and made the ECAC all-star team. For the second straight year, the Bears finished 4-5 and came within a break or two of crashing through the .500 barrier.

Women's Swimming & Diving

Meg Early gave the Ursinus "Swimmin' Women" their only MAC title this year, but they did unveil a future gold medalist in freshman freestyler Heidi Camp. Both Meg and Heidi qualified for the NCAA Division III nationals while leading the Bears to an 8-3 record and a fifth place finish among 11 teams at the MAC Championships.

Bill Lacy as the senior captain led Ursinus to a 10-1 record in dual meets, the best mark ever for the men. Then they took fourth place among 13 schools at the MAC Championships, their highest finish since 1976. In all, the Bears earned 19 MAC medals and set nine school records.

On Jan. 29 Kris Carr exploded for a career high 28 points to lead Ursinus to a stunning 69-63 upset over Swarthmore. It could have been the turning point for a very young, very small Ursinus team that had entered the game with an 0-9 record. They lost to Swarthmore by 34 points in the season opener and they had not won a game since Feb. 7, 1984 — 357 days before. It could have been the turning point, but it was not to be. The Bears kept on losing and wound up the year 1-17. It was a rough season, but sometimes it is the moments that linger in the mind. The Swarthmore win will linger for a long time.

This season the senior co-captain, Robbie Volko, led the Bears with 12.3 points a game as they posted an 11-14 record for the new coach, Gerry Gasser. This record was up three notches from 1983-84. The Bears actually came within two points of their winning season since 1981-82. They lost in overtime to Widener and to Phila. Pharmacy. The Bears started the year 4-0 for the first time since Dec. 1973 and led the Division III in free throw shooting for two weeks.

In the face of a killer schedule the gymnasts dipped from 3-10 in 1984 to a 2-11 record in 1985. But those numbers are misleading. This was beyond a doubt the best team in the nine-year history of Ursinus gymnastics.

The Bears placed third in the Phila. AIAW Championships, and for the first time they qualified three gymnasts for the ECAC Championship, Benner, Kanzler and Asterino.

Women's Lacrosse

The Women's Lacrosse team had an impressive season with a final record of 12-7. They were ranked number one in Division III all season. All their losses except one were to Division I teams. Their only Division III loss was to Trenton State in the finals of the NCAA Division III Championships. The Lacrosse team just missed winning their third straight Championship. The only consolation was that seven out of twelve starters made the All Pennsylvania Division III team.

Softball

Co-captains Judy Rippert and Sally Grim helped carry the Bears to a second MAC Championship in two years. The junior pitcher Sally Grim was the star of the women's softball team pitching 140 $\frac{2}{3}$ innings and giving up only 14 earned runs. Sally played a large role in the winning season of 16-11. Three team members, Sally Grim, Marsha Herb, and Stormy Baver, were also members of the All Middle Atlantic Conference (Southern Division).

Track & Field

This years winning season of 7-5 was the twenty-fifth time in twenty-six years that the Bears have had a winning record. The Track & Field team placed fourth in the MAC Championships. The medal winners were Abe Rowson, John Gelhard, Mike Griffin, Dean Lent, Dale Lent, Rich Dunlap, Wayne Bauerle, and Dean Condodina.

Cross Country

The Cross Country team finished second in the Middle Atlantic Conference Championships behind Susquehanna and took fourth place among twenty-eight teams at the NCAA Mideast Regionals a week later. It took a rule change to keep the Bears out of the NCAA Nationals. This year for the first time, only the top three teams qualified instead of the top five teams. Mike Griffin did qualify for the nationals individually, finishing 121st of 184.

The 1985 RUBY is a record of events of the past year. I hope that this book depicts the feelings and memories of the Ursinus students.

I wish to thank my staff, Mrs. Risher, Mr. Jamison, Mr. Tannenbaum, and the Ruby artists Alison Graff and Erika Katz for their hard work. Special thanks goes to my family and my English sister for being so supportive during the long hard year.

The Board of Directors
Extends its Congratulations
to the Class of 1985

WE are proud that the Boyd family has been working and serving the people of Eastern Pennsylvania for over two hundred and fifty years.

We have, in all facets of life, helped in some way to build the free enterprise system which we all enjoy today.

The original settlers included cabinetmakers, a pewterer, inn keepers, and a developer in early railroads.

Fourteen generations later, we are still serving, bringing from the past, fine quality American antiques for all to enjoy. We invite you to visit one, or all of our three shops, located in the old Whitemarsh Friends Meetinghouse in historic Montgomery County, where we specialize in period and country American furniture and accessories.

*Irvin and Dolores Boyd
The Meetinghouse Antique Shop*

On the hills next to us, General Washington and his troops, retreating from the Battle of Germantown, rested and buried their dead before marching on to Valley Forge.

If you're planning to be in Eastern Pennsylvania or Philadelphia, we invite you to visit our shops. We are forty-five minutes from Philadelphia at exit 26, off the Pennsylvania Turnpike.

Friends of the Ursinus Library Congratulate the Class of 1985

Through annual dues, and gifts to the loyalty fund, friends of the Ursinus Library make possible the development of special collections, exhibits, and occasional lectures, individuals, as friends, interpret the Ursinus Library to their community and encourage gifts from others. Benefits to friends include free use of the library, a newsletter, and invitations to special events. Providing for the objective needs of the Ursinus Library is an important objective of the friends. In 1978, a permanent endowment called the Friends of the Library Fund was created in conjunction with the Alumni Loyalty Fund. Class of 1985 we invite you to join us.

BEST OF LUCK SENIORS!!

Congratulations

Throughout our past we've been
 together,
 We've shared good times, we've
 laughed and cried.
 And though we've felt alone at
 moments
 We've been together, side by
 side.

In the future lies our destiny
 And as we part to each go our
 own way,
 Remember always that in our
 hearts
 We'll be together every day.

So should our load grow tiresome
 Or our burdens too much to bear;
 Though the distance be great
 between us
 And seldom our passings there

May each of us remember
 The joyous friendships known,
 And may the thought inspire us
 That we need never feel alone.
