*Now we take our  
time —  
so nonchalant  
and spend our  
nights  
so bon vivant.  
We dress our  
days  
in silken robes  
the money  
comes  
the money goes  
...  
We know it's all  
a passing phase.*

*We light our lamps for  
atmosphere  
and hang our hopes on  
chandeliers.*

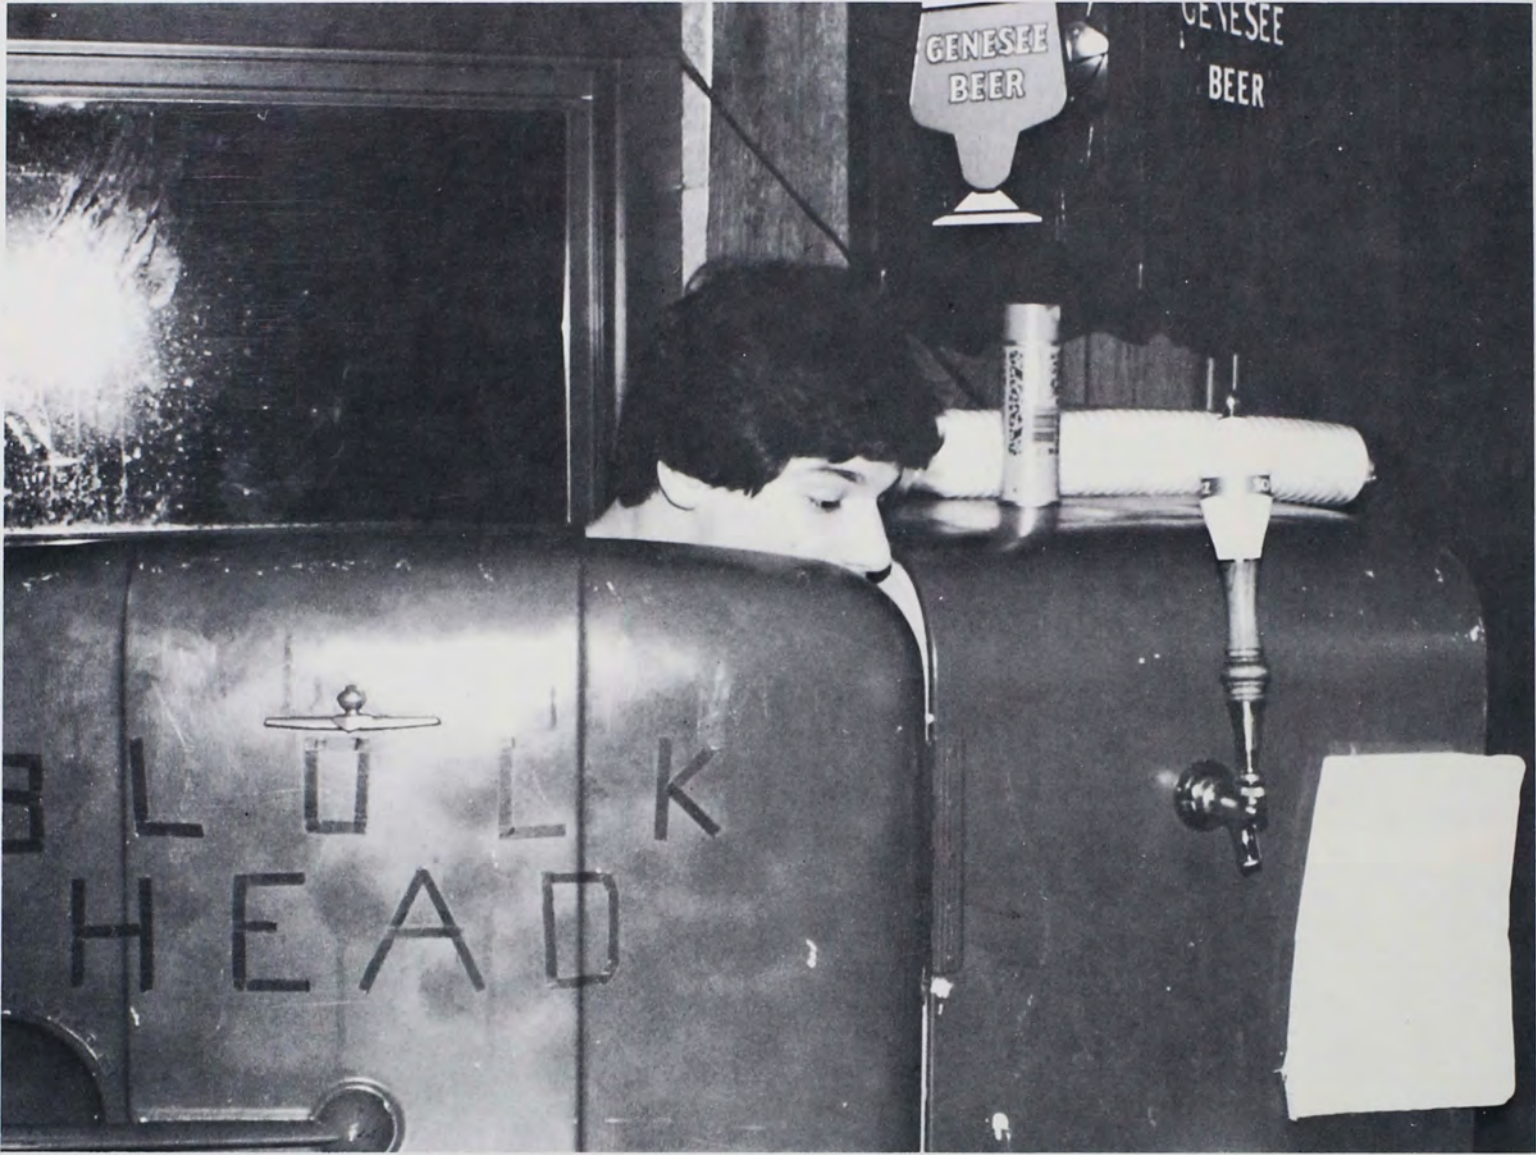

*We're going wrong,  
we're gaining weight.  
We're sleeping long  
and far too late.  
And so it's time to  
change our ways . . .  
but I've loved these  
days.*

*Now as we indulge  
in things refined,  
we hide our hearts  
from harder times.  
A string of pearls,  
a foreign car,  
we can only go so far  
on caviar and  
cabernet.*

*We drown our doubts in dry  
champagne  
and soothe our souls with fine  
cocaine.*

*I don't know why I even care,  
we get so high and get

For the students that ever had Dr. Miller, the following will sound familiar: "did I ever tell the one about . . . chest a minute . . . penguin lectures . . . hands to gu stepping Germans . . . shiftless skunks . . . Guano . . . when I was in China . . . I came from socialist Reading . . . Cho-tu-mato-ku-tasi! (Whatever that really means) . . . My goodness Mrs. Fisher!"

The 1982 *Ruby* would like to pay tribute to one of Ursinus' finest professors, Dr. Eugene Miller, who will be retiring in the spring of 1982. Dr. Miller graduated from Ursinus in 1933, and has been teaching here for 47 years. His wisdom and experience have helped countless students to recognize their own abilities and to become successful after graduation. It has been said that no one should graduate from Ursinus without taking a Dr. Miller course, and we agree. His sense of humor as well as his vast knowledge have helped to make his classes so popular here at Ursinus. Dr. Miller has been the chairman of the Political Science department since 1941, and the faculty respect him and his policies. According to Dean J. Houghton Kane, a political science professor, the department atmosphere is "warm and supportive, with little competition between its members. Miller takes a personal interest in the department workers; he is concerned about their career development, not just what they can do for the college."

Dr. Miller admits that he is a bit of a ham but adds that he loves teaching. In his opinion, students now are basically the same as when he began teaching; "they are still friendly and interested in public affairs, which I'm glad to see." Dr. Miller has travelled all over the world teaching on special scholarships; he has made 8 trips to China in the past 3 years, and has lectured in Calcutta, Japan, India, Taiwan, and Latin America. He has taught classes at such schools as the Tokyo University of Foreign Studies, the Political Science and Public Administration University in Taiwan, the University of Hawaii, and George Washington University. During a two year leave of absence, he was a senior social scientist at the U.S. Army War College. Dr. Miller received his Ph.D. from Clark University, and was awarded an honorary L.L.D. degree from Ursinus, as well as an honorary diploma from the U.S. Army War College.

While he was attending school here, Dr. Miller was the associate editor of the *Ruby*, editor of the weekly newspaper, president of the International Relations Club, and became the first editor of the *Lantern*, the literary magazine. Summing up his Ursinus career, Dr. Miller states: "My roots are definitely at Ursinus — my father graduated in 1902 and my mother in 1905. I have enjoyed every year of my association with the college. The students are able and friendly, and in contrast to some other colleges, the faculty is congenial. It has been a real pleasure to follow the careers of Political Science alumni." The yearbook staff would like to express the students' appreciation and gratitude by dedicating the 1982 *Ruby* to Dr. Miller, with our thanks and best wishes.

The 1981 Grizzly Football team came into summer camp represented by hard workers and dedicated players ready to bring Ursinus the winning season that has eluded the team for many years. After a productive and enthusiastic camp the team entertained its first contest against Brooklyn College. Although the game was only a scrimmage the Grizzlies took it very seriously and handled their foes with a swarming defense and a tough ball-control offense. The team started its regular season against Ramapo College and once again the defense was impenetrable, shutting out the Roadrunners as they repeated their performance of a week before. Freshman tailback Mark Garcia lead the offense as he ran for 100 yards in this his first college game. After two dominating victories the confidence was at its peak and it looked as if the Grizzlies with their nationally ranked defense and ball-controlling offense would fulfill their goal of a winning season. Unfortunately the team could not find the winning formula in its final eight games, as they won one against Dickinson and tied Moravian. The other six games were all tough losses. The only time the team was out of a game was against Widener, the national champions. Injuries to the offensive line and tough breaks on defense all prevented the Grizzlies from reaching their great potential. The offense was lead by most valuable players Harry Rohlfing a lineman who was in his first year at Ursinus and senior co-captain Glen Leonard, also a lineman. Helping to anchor the line were senior four-year letter winner Tom Dunn and juniors Mike Mullahy and Jeff Vanace. Other bright spots on the offense included Bruce Fensterbush and his cannon foot, kick-off returner Tom Delaney, and tailback Jim Rumer who ran for many tough yards throughout the season. The defense centered around the linebackers, MVP Terry Bazow and co-captain Keith Beck. Among the other fierce hitters on the defense were seniors Mike Milligan and Brian Lyman along with safety Matt Delao. Fran Martino and Paul Iannacone covered the passing attack like pros as the defense was among the nation's best during the first half of the season.

# Field Hockey

The Ursinus Field Hockey team continued to dominate the field in 1981, ending the season with a record of 13-3-2. With co-captains Deb Brackett and Trish DelFemine the team opened strongly with a 3-1-1 record at the Penn State Invitational. Regular season began with a 2-0 victory over Rutgers University with Jill Snyder and Deb Brackett each contributing one goal. The team sailed to a 6-0 record before losing its first game to Temple 1-0. After the loss against Temple, the team was slow getting back into things suffering two consecutive ties against Princeton and Lock Haven. Springing back into the winning race, Ursinus rallied to win their next six games outscoring their opponents 20-2. Goalie Margaret Olmedo was credited for four shut-outs, and received much help from her strong defense Georgette Zavawski, Sheryl Raithel, Janine Taylor, and Tracy Cherry. The Nittany Lions were the next to cross the Ursinus battlefield, but the Bears fell short of a victory losing to Penn State 2-1 with a capacity crowd on hand. The team to the disbelief of many was seated fourth in their region below Penn State, Temple, and Princeton. Ursinus had to gain a spot in the playoffs by beating University of Delaware in the preliminaries. The Bears lost a 3-0 decision to Delaware and contention in the regionals was not possible. Despite the team's non-participation in their regionals or nationals senior Traci Davis was elected to the All-College American First Team and Trish DelFemine and Tracy Cherry received Honorable Mention to the All-College American Team.

The 1981 Grizzlies extended their dual meet win streak to 39 consecutive victories this season. The season opened with the team winning the Philadelphia Metropolitan Small College Championship for the third consecutive year, with impressive showings by Neil Brown and Pat Walker. One of the team's most devastating victories was over Philadelphia Pharmacy, where the Bears swept the first nine places, first place going to Walker. Other outstanding achievements by the team included: fourth place at the Lebanon Valley Invitational, New York Technical Invitational Champions, MAC Champions, third place at NCAA Nationals in Wisconsin. Captains for the 1981 season were Walker and Jon Perrotto, both of whom enjoyed outstanding showings, including Walker's first place finish at the New York Technical Invitational. Walker was named MVP for the Bear runners for the 1981 season.

# Soccer

A second place finish in the ECAC Southern Region playoff was the culmination of a tough season endured by the 1981 Grizzlies. Failing to score in their first three games made it difficult to keep the momentum going, but the Bears bounced back to a five-game winning streak after a tough 5-0 loss to Scranton. Throughout the season the Bears were filled with determination and spectacular saves by goalie Jim Birchmeier helped to raise the team's record. Both captains, Birchmeier and Jim Drevs, turned in impressive performances, along with juniors Al Quasti and Jon Dick. Junior Bob Thomas led the team in scoring, with help from Drevs, Tom Savage, and Mark Krauss. Senior Bill Lynch received honorable mention for the MAC South All-Star team and Birchmeier was named MVP by his teammates. The Bears compiled a 2-3 MAC record, and an overall record of 6-9-1. Their strong performances in the MAC contests are what earned the team a playoff position against Dickinson at the MAC divisional championships. The playoff game was held at Dickinson on November 7 and the Bears gave their all but went down to defeat, 2-1. The tension-filled game was the highlight of the season and strong performances by the underclassmen all year suggest another fine season for 1982.

# Women's Basketball

The Lady Bears, under new head coach John Strawoet and assistant coach Pam "Brownie" Brown, completed their season with a 8-9 (2-2 in the MAC's). Coach Strawoet, a teacher at the Collegeville Trappe Elementary School, replaced Mrs. Sue Stahl and proved to be a very enthusiastic and motivating coach. Although the 8-9 record does not appear to be impressive, the girls certainly have much to be proud of. The Bears won an intense game over the powerful Immaculate team, 81-78 (Zierdt — 18 points, McKeon — 17 points) and against the physical Kutztown team, 60-44. The team contained a lot of depth and will have everyone returning with the exception of 3 tri-captains, Sally McGrath, Gwen McKeon, and Lynda Nelson who are seniors. Freshmen Katz Wilson, Sheryl Raithel and Maureen McConnell contributed both offensively and defensively while Ange Woods and Marsha Herb were called up from the J.V. squad for their quick defense and ballhandling. Sophomores Jo Zierdt, Mo Gorman, Jackie Keeley, and Bernie Powell all contributed with their ballhandling skills and aggressive defense. Junior Margaret Tomlinson, with her offensive moves and rebounds led the team in total points and possessed a dominant 13 rebound per game average. Leadership and experience was shown by seniors Sally McGrath, Gwen McKeon and Lynda Nelson. The "Three Muskateers" contributed much to the squad during their 4 years and will be greatly missed. Sophomore Sandy Wirth and junior Carol Jenkauskus were lost earlier in the season due to injuries and will be back in action next year. Although the Lady Bears ended up with a 8-9 record, they were able to be contenders for the MAC playoffs. With the majority of the team returning next year, the season should prove to be a good one especially with the young players and the enthusiasm from coach Strawoet and coach Brown.

In 1981, the Ursinus College Basketball Team compiled the most wins in the school's history (23), and finished 3rd in the NCAA Championships, only a basket away from the national title. Gone from that team were 6 seniors, all with 4 years of varsity experience, two 1000 point scorers, and a good part of the club's nucleus. Many people thought that 1982 would be a rebuilding year for the Bears. Only 3 seniors returned from the 1981 team. Tri-captains Tom Broderick, Jay DeFruscio and Dave Pettita would help from the nucleus of the team along with juniors Jack Devine, Kevin Callahan and sophomore Jeff Berlin. A big recruiting year was needed. Seven new faces were added to the squad for the 1981-82 season. Freshmen Joel Alutius, Terry Curley, Mike Harte, Brian Kalisky and Rob Volko stepped right into varsity spots. Sophomore transfer Bob Toma, and Steve Donahue, a former on last years JV also won spots with the club. Coach Skip Werley and newly appointed assistants Tom Grady and Gerry Grasser planned to bring the freshmen along slowly, working them into the line-up as the year went on. Unfortunately, Broderick missed 4 games, Devine missed the first 7, thus making it essential for the rookies to contribute right away. The freshmen filled in admirably. After a sluggish 0-4 start the Bears proceeded to win 15 of its last 20 games, and claimed 2nd place in the MAC Southeast. The team played a top flight schedule which included 4 nationally ranked Division III teams, and 2 nationally ranked Division II teams. The highlight of the season was an upset win over Clarion St., as the team ranked number three in Division II. This year's team will lose only 3 seniors to graduation. Tom Broderick, the team and leagues MVP, and a potential all-American. Dave Pettita, a 4 year starter, and a 1000 point scorer, and Jay DeFruscio, a four year varsity performer. With 10 players returning next year, the future of Ursinus' basketball is very bright.

# Women's Swimming

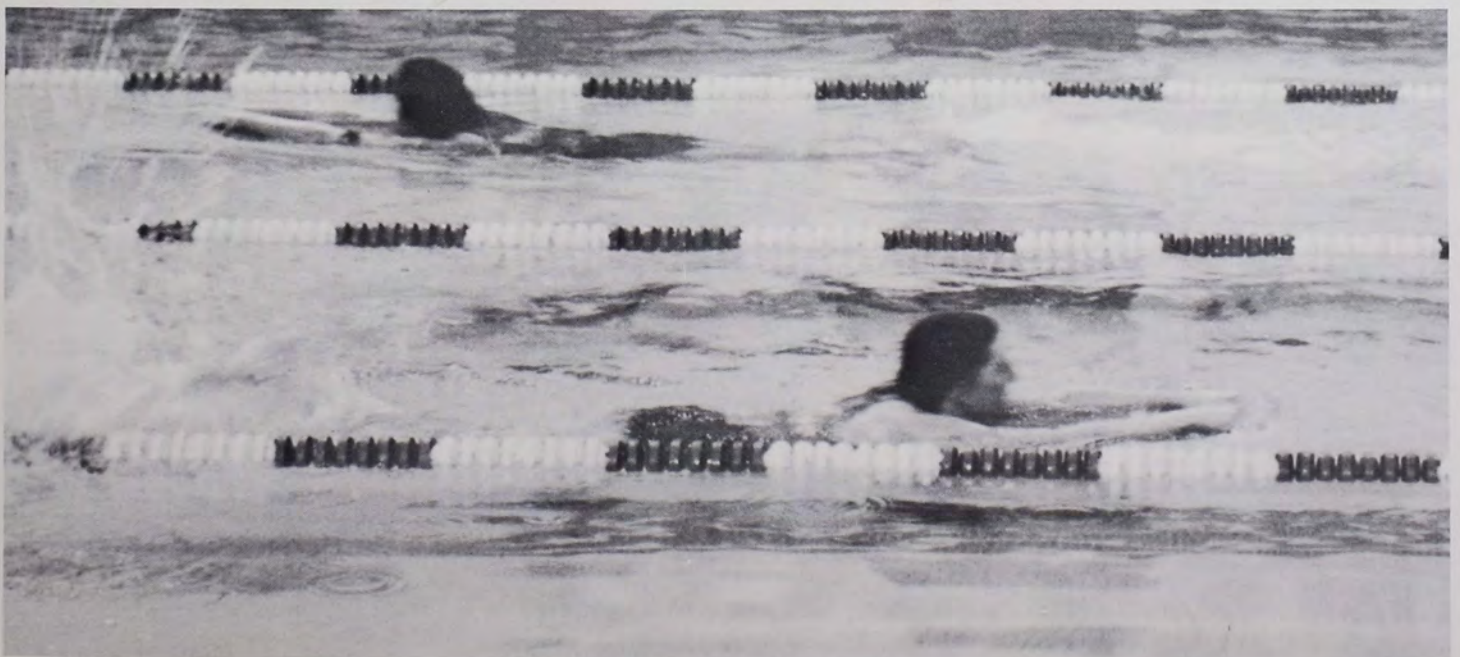

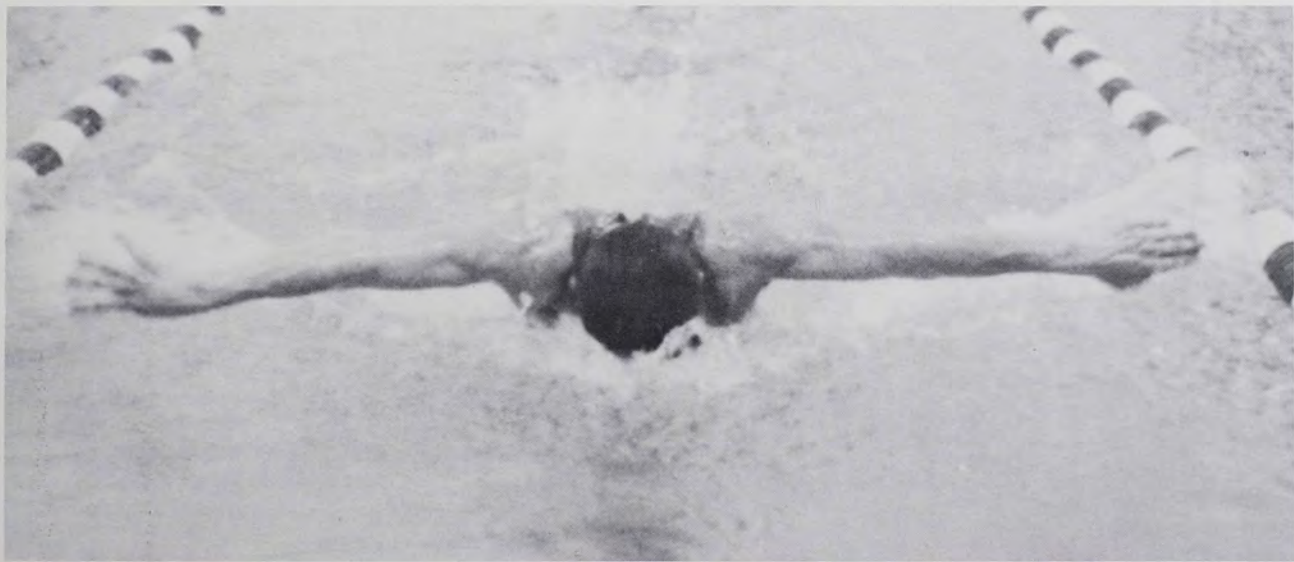

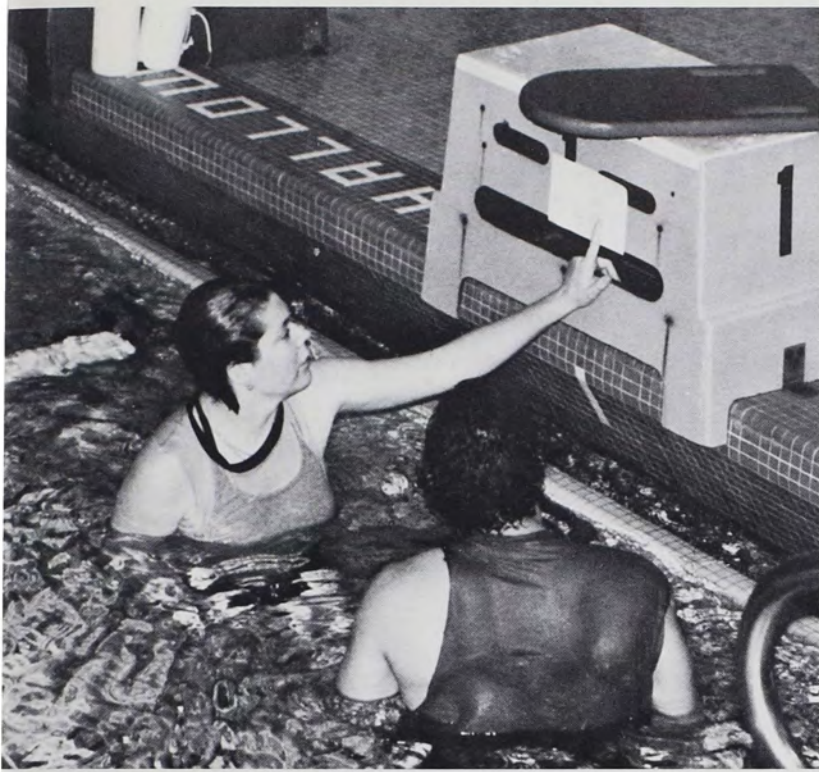

To be a swimmer, one must have the qualities of perseverance, determination, dedication and respect for the sport itself. The 1981-82 Women's Swim team has shown itself to be the epitome of those qualities, as evidenced by their seasonal statistics and personal achievements. Their dual meet record improved from a mediocre .500 last year to an impressive 9-1 markup this year. The schedule included traditional arch rivals Western Maryland, F & M, and Dickinson, among other respectable squads. Second year mentor Bob Sieracki has been responsible for upgrading recruitment techniques, as well as innovating his coaching approaches. For the first time in years, the proportion of frosh to upperclassmen has fallen heavily on the rookies, numbering seven to the assorted number of veterans, including only one senior. Junior co-captains Barb Bowden and Joanne Greenlee provided a strong framework for team support. Bowden (100 IM, breaststroke) achieved personal bests in many meets including MAC's and the Nationals, held at Allegheny College. This year's team has definitely set precedence for future excellence.

On the tenth anniversary of the swimming team the Aquabears finished with the best season ever. Their 7-3 record shows the improvement over last season. Their fine showing at the Bloomsburg Invitational set the pace for the rest of the season. The men's team finished 6th overall in the MAC's. Most of the last year's team returned. Co-captains Joe Rongione and Jamie Forlini headed the returning nucleus of John Lavell, Doug Korey, Brian Dohner, Ira Bellew and Rich Bateman. Freshman Bill Lacy added more depth to the team. The highlight of the season was the 56-55 victory over Kings College. Divers Jim Giardenelli, Kevin Kunkle and Paul Spitz consistently racked up points for the Aquabears. Coach Bob Sieracki was pleased with the team's performance this year and he hopes to better this year's record next year.

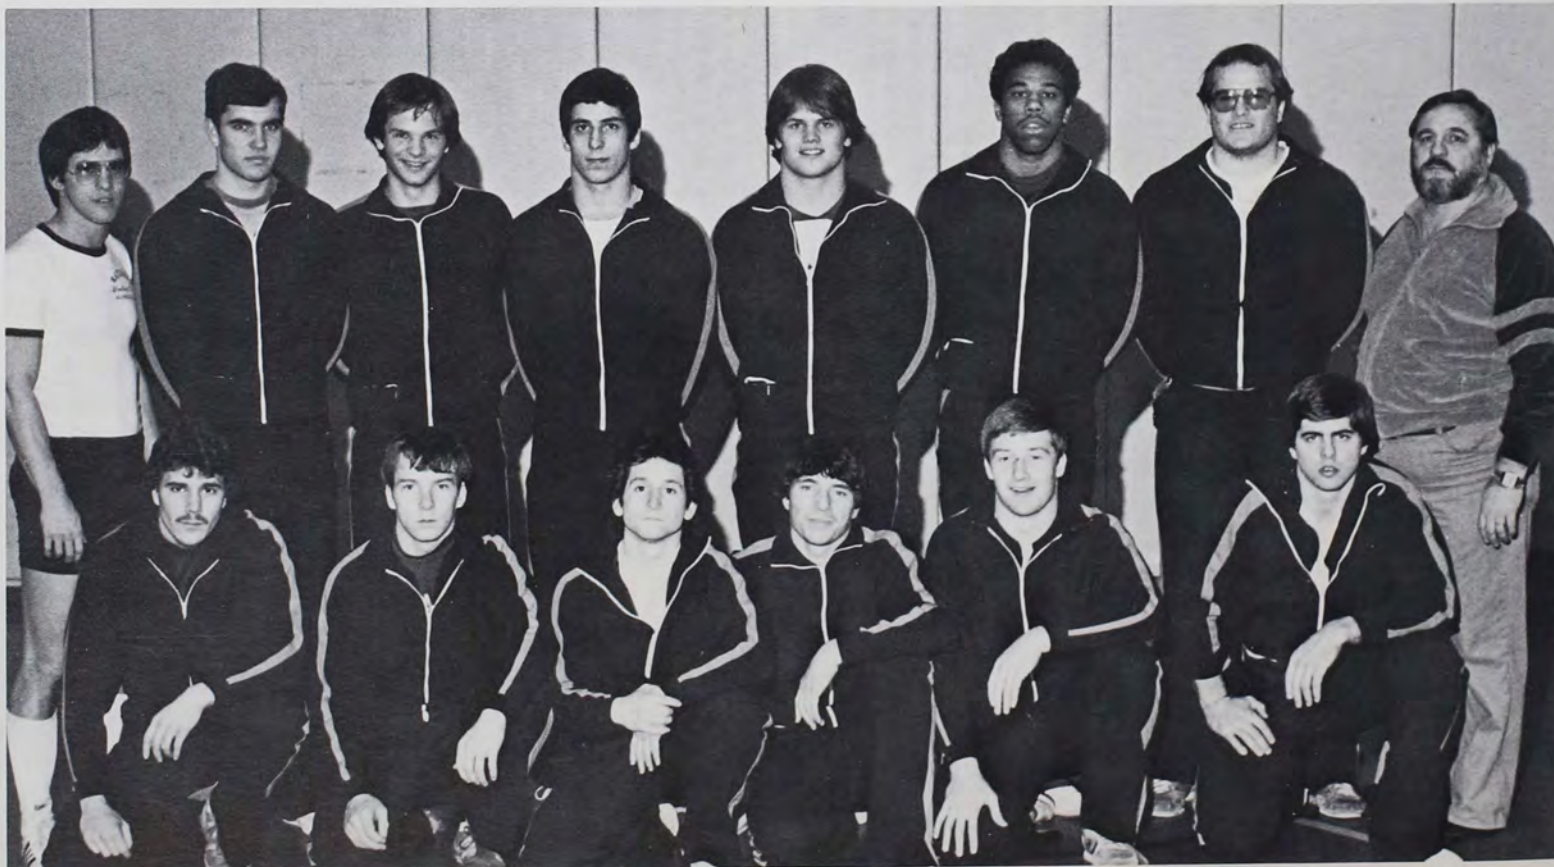

# Wrestling

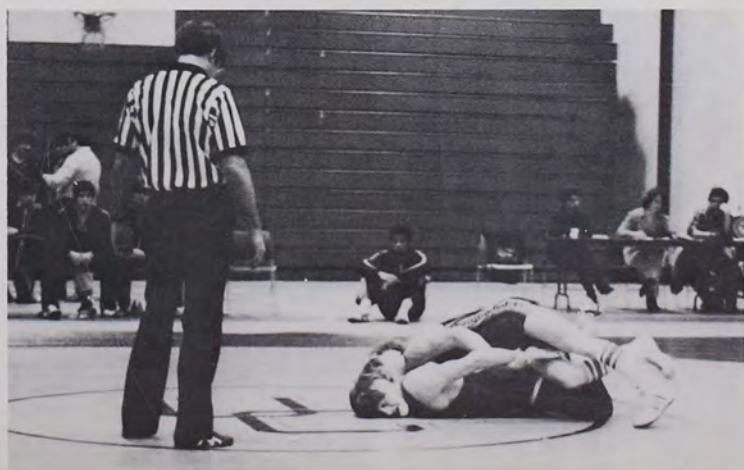

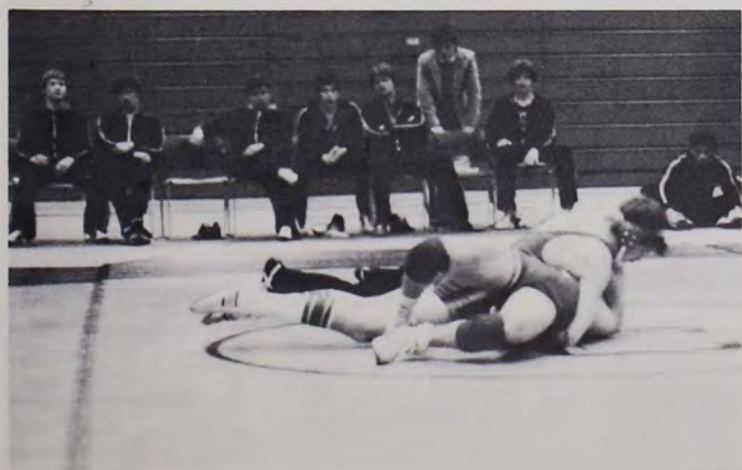

After dropping two of their three matches, the 1982 Grappling Grizzlies rebounded to win 15 of their 16 matches en route to a 16-3 season. This was an exceptional feat considering the team posted the best record in the history of Ursinus College Wrestling, six of the ten wrestlers were freshmen, and three of seven returning veterans missed the season due to injury. Leading the way for the Grizzlies was the 177 pound senior captain Chuck Groce. Chuck finished the placing second in the Mid-Atlantic Conference Championships, defeating a defending champion along the way, and earning his second trip to the Division Three National Championships. Chuck's overall three year record at Ursinus was 48-8. Scott Browning, 142 pounds, proved to be the anchor of the lighter weights. Scott, the teams only junior finished the season with a great record and a third place finish at the championships just missing a bid to Nationals by one vote. Second year coach Bill Racich is eagerly awaiting next season to improve upon his career record of 28-8 as a head coach.

The 1981-82 Volleyball team had a better than average season. The team was coached by April Winham of Phoenixville, Pennsylvania. Captains Wendy Bjornson and Linda Hetherington feel that the team worked together well despite some tough competition. An honorable mention goes to Margaret Tomlinson for her outstanding offensive spikes and defensive blocks. Also seen with great talent were freshmen Kate Cisek and Nancy Paul. Other team members that will be an asset for next year's team as well are Carla Cantello, Sandy Wirth, Betty Morrison, Carol Jankauskas and Mitra Mazaheri.

Coached by Adele Boyd, the Women's Badminton team doubled in size over last year. On the varsity squad singles were filled by veterans Laura Ludwick and Lori Kowalski and freshman Connie Bleiler. In the two doubles positions were co-captains Joanie Groome and Amy Roland, and first year players Debbie Brackett and Sandy Strohecker. Though young in experience, the depth and willingness of the team gave us the edge in many of our victories. The JV squad with all first year players, was marked by its versatility, as many tried both singles and doubles. Consisting primarily of upperclassmen, the squad included seniors Lauri Edelstein and Leslie Elton, juniors Nanette Hartman and Jean Morrison, sophomore Sue Kohlenberger and freshmen Karen Alberti, Vicki Lauracella and Nan Hong. Through individual achievement and overall enthusiasm the season ended successfully with a 2-6 record.

The 1982 Women's Gymnastics team brought their season to an end with a record of 2-6. The team was lead this year by co-captains junior, Karla Cantello and sophomore, Julie Strizki. The rest of the team consisted of sophomores Nora Klinker and Alison Larkin and freshmen Sue Asterino, Liz Torpey, Nancy Paul and Sue-Anne Hefter. When asked to comment on the team's season co-captain Karla Cantello stated, "Although we didn't have an outstanding season in scoring, the team gained a lot of valuable experience which we will be able to use next year. The team was small this year and our lack of experience on the uneven bars hurt us." Miss Cantello also felt that individually, each member of the team improved over the course of the season. Two of the team's members were chosen to represent Ursinus at the AIAW Regional Division III Championships held at IUP in March. Karla Cantello qualified as a specialist on the vault with an average season score of 8.1. Qualifying on floor exercise with an average of 7.2 was Julie Strizki. Freshman Sue Asterino also attended the championship competition as an alternate on the vault.

Coach Jim Moyer

After losing five key seniors in '81, and '82 Bears found themselves in a rebuilding year with many green players. The acquisition of the new coach, Wilson Kulp, helped organize an extremely young outfield and weak pitching staff due to injuries, into a contending team. Captains Jim Rumer, Jim Gasho and Jeff Grassie and seniors Jim Drevs and Joe D'Ascenzo returned trying to equal last year's accomplishments. However the Ursinus Bears did not meet their objective by only achieving a 6-11 record. A noticeable bright spot on the team was Jeff Grassie, contributing a final batting average of .421. After losing some tough one-run ballgames in the beginning of the showing '82 season, the Bears demolished the league leading Widener team in the first game of their double header. In the second game Ursinus lost in the final inning by one heartbreaking run. Ursinus batsmen finally got their hitting together near the end of the year but it was too late to salvage a .500 season. With one year underneath his belt and with the complete pitching staff and fine young nucleus returning, Coach Wilson Kulp will be expecting to challenge the MAC leaders.

# Women's Lacrosse

After losing 9 players from last year, this season was a rebuilding one for the Women's Lacrosse team. These positions were filled with enthusiastic, young players, eager to succeed in college-level varsity Lacrosse. Traci Davis, Jackie Keeley and Margaret Tomlinson were the returning athletes to the varsity squad. The junior varsity squad was made up of talented, entertaining freshmen and upperclassmen. The season began with a success against Rutgers University. Unfortunately the following game with U. of Delaware was not as successful. The spring season then took its toll, scheduling one game after another, one successful, the next unsuccessful and so on. Overall, the team ended with a .500 season. Freshman Chris MacColl was the leading scorer. This tall young lady, was infamous for weaving her way through the defense and placing the ball right at the place the goalie expected it least! Another offensive star was Traci Davis, a U.S. squad player, was the key team motivator, leading the team as the captain. Traci might have been recognized as the fuzzy blur who flew down the field, scored and knelt down in thanks. The defense was lead by returnee Jackie Kelley. Jackie was aided by Maureen O'Connell, Jackie Bolger and goalie Margaret Olmedo. The defense had a fine, sometimes tremulous year. First year coaches Mary Ann Harris and Sue Kidder added a new refreshing touch to the young team. With Sue Kidder's U.S. squad experience and Mary Ann Harris' enthusiasm the team finished with a 7-7 record.

This year's track and field team has improved over last year's with an '82 record of 8-2. The Bears finished an impressive 4th out of 12 teams at the MAC Indoor Track and Field Championship at Widener College, which included tough Widener and Franklin and Marshall teams. In this meet, the Bears had some fine individual efforts from many members of the squad, displaying the spread of talent throughout different events. Coach

Whatley was pleased with the way the team performed individually and as a whole. He felt the reason for the team placing so high was because they had more participation in the indoor meets this year than in previous years. Although the ranks of the team may be shallow, the surface does shine. Co-captains Jim Mulroy polevault and Keith Beck (javelin) led the way, along with shot put and discus men DiMattia and Remmy. John Summers, Dave Belson and Paul Iannocone were the heart of the sprint crew. Tom Broderick was the high jumper, Mike Milligan and Harris were both fine high hurdle men. Mike Snyder and John Perrotto joined Brown as the team's distance men.

After a successful season, the Bears competed in MAC League Championships at Western Maryland College. Participating in a field of 18 teams, the Bears strove for a team goal as well as individual medals. Ursinus placed 6th among 17 total. Bear runners and fieldmen were under the leadership of Coach Dick Whatley.

Ursinus finished a respectable 11th among twenty teams in the Conference Golf Championships. Their 4-7 season was indicative of their playing style, as consistency was never found. Three of the four losses were by less than three strokes. Coach Eric Stevenson worked with individual players, to rid them of some habitual faults. The entire team returns next year. Perhaps this factor will provide Ursinus with an '83 advantage

The Women's Varsity Tennis team had a very productive season. Freshmen Lisa Ferguson and Kathy Lacursi held numbers five and six spots while sophomore Barb Mathers played number three and Jo Zierdt was very strong at the number one spot. Seniors Alisa Jespersen and Laura Ludwick played numbers four and two respectively and ended their college careers with very strong records. The highlights of the season included the following: Division Championship — undefeated, MAC team semi-finalists, MAC individual doubles semi-finalists — Alisa Jespersen and Laura Ludwick were the finalists. The team ended its season with an 8-4 record.

The Ursinus Men's Tennis team is much better than indicated by its final record, 4-8. The team lost very close matches, such as their loss against Johns Hopkins, 5½-3½. The teams entered the doubles competition tied at three victories each, but Johns Hopkins took 2 of the 3 doubles matches to edge the Bears. Despite the troubles of the current season, the team has built a solid nucleus for the future. With a young contingent of players, Ursinus may expect better results in the future. Returning with the team next season will be #1 Bozentko, freshmen Pompei and Jespersen — consistent and determined players. Granahan, Palone and Lukban will also be returning. Each of these team members will have a year of varsity experience behind them for next season.

# Softball

The 1982 Softball season was indeed a frustrating one for April Winham's varsity softball squad. They ended the season with an overall record of 3-11 although 4 games were either rained out or not played for one reason or another. Perhaps the most frustrating factor was the fact that the team consisted of 8 seniors who have played together throughout the 4 years. Talent certainly was not non-existent within the squad although the record may not show it. The seniors who made up the core of the team are: P. Loefflad, L. Nelson, G. McKeon, T. Cherry, V. Videon, S. Smith, D. Brackett and J. Groome. Brackett and Videon were hot with the stick while Nelson faired well at the mound possessing a 2.71 ERA. Although there were not many underclassmen on the team, the outlook for the years ahead certainly looks good for the girls.

# Special Olympics

For the second consecutive year, the Special Olympics was hosted by Ursinus College in the Spring of '82. Sponsored by Rohm and Haas Company, the Special Olympics is an international sports competition for the mentally retarded. Each participating Ursinus student contributed a generous donation to be a personal "Hugger" to each of the more than 300 Special Olympians who gathered at Helfferich Hall for the weekend's activities. Frank Edwards, a Philadelphia 76er and honorary coach of the Special Olympics basketball program, and other 76ers were present at the event. Also attending was Duran Cherry of the Kansas City Chiefs professional football team. The event was an overall success and a very gratifying experience for all of those students who participated.

# Songfest

Songfest, sponsored by Pi Nu Epsilon, took place on April 23, in the Ritter Center. This year only sororities competed. As shown above, Tau Sig sang songs from the Sound of Music, KΔK traced American songs through the decades, Phi Psi performed a spoof on the working girl, Omega Chi took the audience on a humorous tour of Ursinus College campus, and Sig Nu performed a tribute to America. Third place went to — Tau Sig, second place — Sig Nu, and the first place was awarded to Omega Chi.

# Vanities

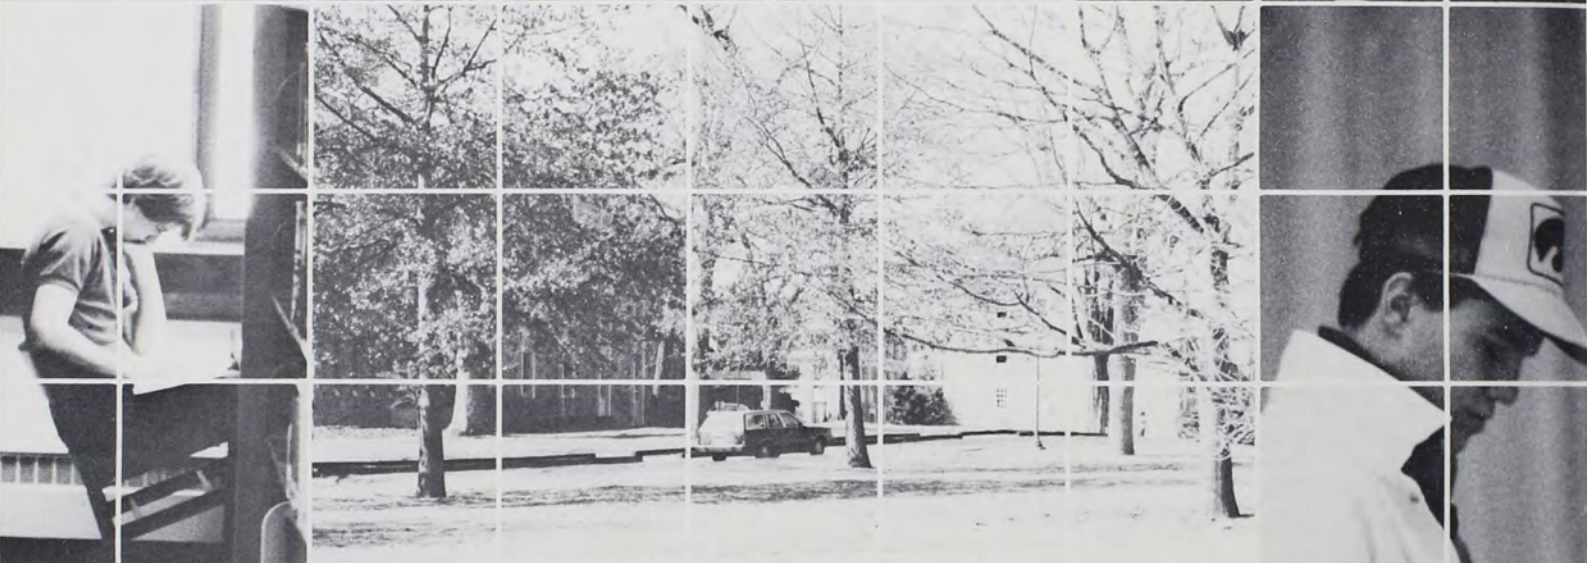

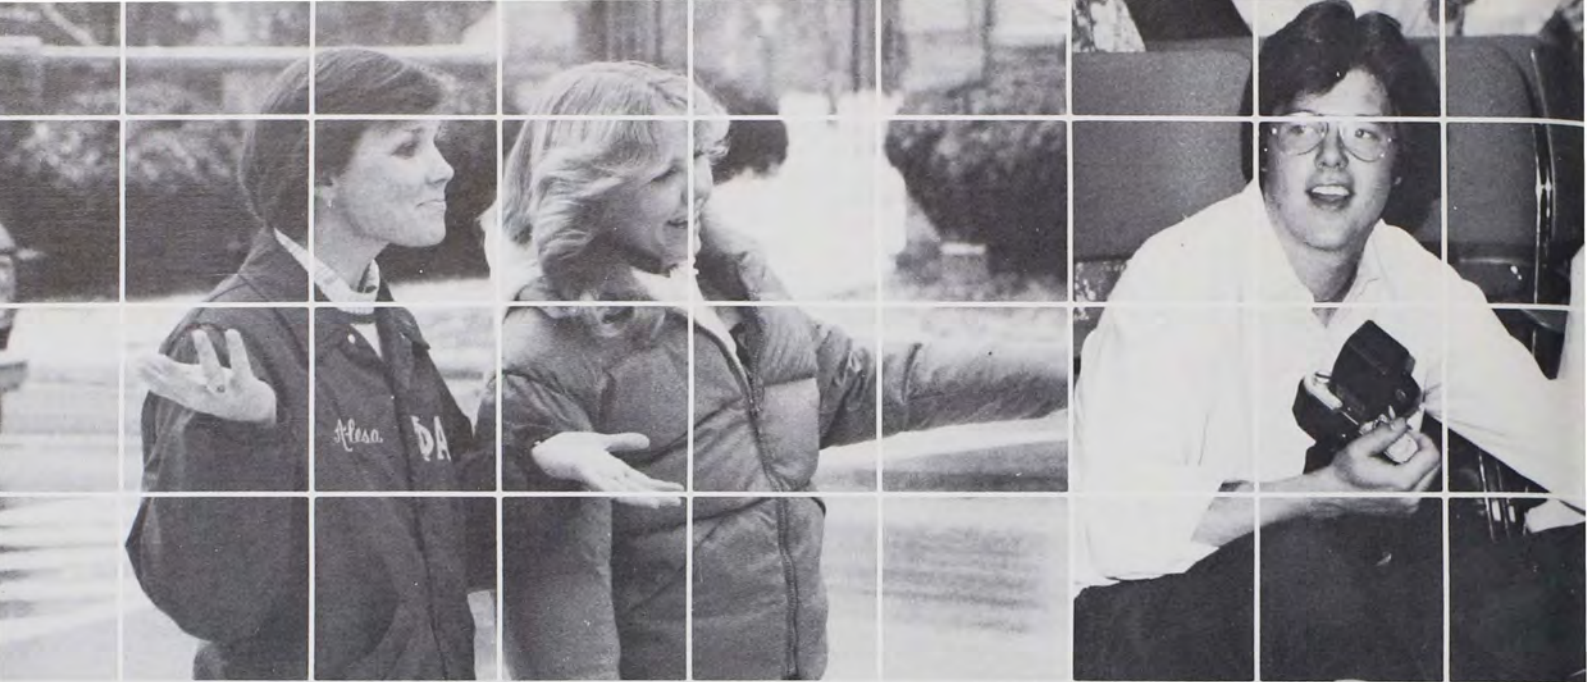

The Protheatre production of Vanities took place in April. Director Kathleen McSharry, under the supervision of Dr. Joyce Henry, assembled what was considered a very successful production by all. In three scenes the student acted and directed comedy by Jack Hiefner, traced 3 young women, Kristi Hoppmann, Buffy Cyr, and Lisa Hendren, through their experiences in high school, college and young adulthood. Ms. McSharry was assisted by Ann Fruit as technical director, and stage manager Steve Wallace. All proceeds went toward the Lois H. Brownback Scholarship Fund.

*The drive to be the best is a formidable

After four long years of endless classes, meaningless assignments, horrid term papers, and all night cramming, it is time to leave. But it seems like only a few days ago we went through freshman orientation and our first college exam. Since then we've found that "college is fun" and there's more to education than classrooms and books — there were the parties, General Hospital Hour, road trips, basketball games and the P & I. We've gone through 2 presidents (a peanut farmer and an actor), 3 popes, Abscam, the Iranian crisis, the first space shuttle, and the restoration of Bomberger tower. But through it all, we still have single sex dorms, separate Christmas dinners, the infamous tree and visitation hours! Did you know that the motto of the school is "out of the darkness, through the bloodshed, and into the light"?! Where are we? P.S. For those who neglected to express their appreciation, we will correct the oversight — "Thanks Mom & Dad"!

***Friends of the Ursinus Library  
Congratulate the Class of 1982***

Through annual dues, and gifts to the loyalty fund, friends of the Ursinus Library make possible the development of special collections, exhibits, and occasional lectures, individuals, as friends, interpret the Ursinus Library to their community and encourage gifts from others. Benefits to friends include free use of the library, a newsletter, and invitation to special events. Providing for the long-term needs of the Ursinus Library is an important objective of the friends. In 1978, a permanent endowment called the Friends of the Library Fund was created in conjunction with the Alumni Loyalty Fund. Class of 1982 we invite you to join us.

*the Ruby*

The publication of the 1982 *Ruby* was a very demanding task which involved the work and creativity of a number of dedicated people. I would like to acknowledge those people, whose special efforts and contributions aided in the attempt to create a year-book which highlights all aspects of Ursinus College.

The most important individuals in the production were Davor Studios and Barb and Mike Guilroy, whose guidance and support, particularly during the pressured times of deadlines, were greatly appreciated.

I would like to give special credit to those on the Ruby staff who contributed many extra hours of their time — a big THANK YOU! to:

*Dan* — for your assistance in this crazy endeavor!

*Karen* — for all of those layouts, and your time *after* graduation

*Marlee* — for pulling in the much needed \$\$\$'s

*Section Editors Barb, Sharon, Kelly, Derek and Theresa* — for a great job

*Tone* — for wildly typing before those deadlines

*Kev* — for working so hard to get pictures of *everything!*

Others who deserve recognition are, Dottie Kritz, Ann Bildstein, Ellie Shaheen, Dawn Dugan, Nelson Williams, Mr. Rue, Mike Cash and Andrea Detterline.

A special note of appreciation to Mrs. Wilda Shatz for all of her help in organizing our financial records and other paperwork.

Mr. Broadbent, your indispensable advise and encouragement throughout the year were my greatest incentive!

*Jim V. Diccianri*

## 100 Years of Women at Ursinus

On June 22, 1881, the Board of Directors received a recommendation from the faculty that female pupils be admitted to the privileges of the college. The Board accepted the recommendation and Ursinus has been coeducational ever since. Women were receiving education in Collegeville long before the existence of Vassar or Bryn Mawr. The first women graduated from Ursinus in 1884. Olevian Hall was the first women's dormitory, first named in 1896 after Caspar Olevianus, who shared with Zacharius Ursinus the honor of writing the Heidelberg Catechism. The only physical remainder of the original Olevian Hall is the tree planted in the traffic circle to the rear of Pfahler Hall. The first sorority, Phi Alpha Psi was founded in 1907, and was first pictured in the 1931 *Ruby*. Athletics for women became organized in 1919, under the direction of Agnes R. MacCann. She suggested the organization of the Women's Athletic Association and arranged intercollegiate competition schedules for women. In 1921, she was appointed Director of Female Athletics. Women did participate in some sports prior to 1919, however, Basketball was first pictured in the 1902 *Ruby*, Tennis in the 1920 *Ruby*, and Hockey in the 1921 *Ruby*. Many sports for women have been added since. One of the most influential women who attended Ursinus was Dr. Elizabeth White, who was hired by the Ursinus Women's Club in 1924. Dr. White served as Dean of Women and a professor of history for over 20 years. During this time, she was a major influence to students, both male and female. Ursinus women have come a long way since 1881. Founder's Day, held on November 1, 1981, celebrated 100 years of Women at Ursinus. President Richter summed up the contribution of women on campus when he said, "Ursinus has taken a special route through the last 100 years because of its early admission of Women and I feel this route is better than it would have been otherwise."

### ***Spring Fever***

As soon as spring arrived many students, *mostly seniors*, began to break out the tanning oil and beach towels, and hit the nearest beach! Ursinus has a number of popular tanning sites, Brodbeck Beach, Stauffer Beach, Shreiner-Duryea Beach (Which also gives the bathers a roof option), and Reimert Hall roof — to name a few.

“Catching Rays” took priority over all classes and other school related activities which occurred between 9 and 3 — the prime tanning hours — on those irresistible sunny days!

GRADUATION 1982

On the seventeenth day of May, 224 members of the Class of 1982 celebrated their final day as Ursinus College students. The day began with Baccalariate services, which were held at 10:30 am, in Bomberger Hall, with Rev. Dr. Aaron E. Gast, president and chief operating officer of the United Presbyterian Foundation, presiding. Commencement exercises took place at 2:00 pm, in Helferich Hall, and speaker Reginald H. Jones, former chairman of the board and chief operating officer of General Electric Company, highlighted the ceremonies.
