## Hazel Invades Y-Retreat But Festivities Continue

Due to the hurricane on Friday night, the Ursinus YM-YWCA retreat was shortened. Approximately 100 students and faculty members attended the retreat, October 16-17, at the University of Pennsylvania Camp for Boys at Green Lane. The camp was without electricity for the entire week-end.

Cars met after breakfast in front of the Supply Store on Saturday morning to transport retreaters to camp. Soon after everyone arrived in camp, president Jack Matlaga '55 led a discussion of the Y program after which the group split up into commissions.

After lunch on Saturday a short "walk with your thoughts" was held. Following this self-meditation there was a group hike through the woods. Volleyball, softball, quoits, ping pong, soccer, and boating took up the spare time.

Jack Aregood '55, chairman of the recreation committee was the caller for the square dance Saturday night. In addition to the square dance, there were informal games and group singing.

Mary Gillespie '55 spoke for the outdoor worship Sunday morning. Mary expressed "Our Hope for Years to Come" in connection with the general theme, "Our God, Our Help in Ages Past."

Soon after the turkey dinner on

Sunday, cars returned with retreaters to campus.

Presidents Mary and Jack would like to express their appreciation to Mrs. Mary Johnson and Beth Heinrichs '56 for the preparation of food; Jack Aregood '55 for recreation; faculty advisors and their families, Dr. Calvin D. Yost, Dr. Donald Baker, Rev. A. L. Creager, Mr. H. Lloyd Jones, Dr. Roger Staiger for chaperoning the retreat; Phil How and Bill White, both '56, for the job of preparing the camp for the retreat; and anyone else who in any way made the retreat a success.

## Juniors Next For Pictures

Progress on the 1955 Ruby is well under way according to the editorial and business staffs of the publication.

Last week Shreiner was the scene of constant activity as senior pictures were being taken. With Liz Weaver and Marion Haslam in charge of scheduling and getting people there on time, the job was well handled and very smoothly run. It has been reported that only five people failed to have their pictures taken and the total number taken was 125.

Junior pictures this year will be taken during the week immediately following Christmas, if present plans materialize. The reason for this delay is that the pre-Christmas season is extremely busy for the photographer, and, therefore, it is more convenient, if the pictures are taken later. If, however, there are any juniors who wish to have pictures for Christmas they may go to the studio and receive student rates. If there are enough requests to warrant it, the photographer will come to the school.

The photographer will be on campus to take shots and some organization photos on October 23 and 26 and November 3.

On the monetary side, the Ruby business staff has concessions for all home football games and is planning a subscription drive for sometime in November.

## B.A. Admission Tests

Admission Test for Graduate Study in Business, required for entrance by a number of graduate business schools or divisions throughout the country, will be offered twice during the coming year, on February 1, 1955, and May 14, 1955, according to the Educational Testing Service, which prepares and administers the test. Among the institutions which require the tests are the graduate business schools or divisions of the following universities: Columbia University, Harvard University, Northwestern University, Rutgers University, Seton Hall University, Syracuse University, University of Chicago, University of Michigan, University of Pennsylvania and Washington University (St. Louis).

A candidate must make separate application for admission to each business school of his choice and should inquire of each whether

(Continued on page 4)

## SCHOLARSHIPS & FELLOWSHIPS

Approximately 300 scholarships and non-teaching fellowships are available to students in the Graduate School of Arts and Sciences of Harvard University.

The department and divisions include everything from Anthropology, Celtic Languages and Literature to Forestry and International Affairs.

The amount of scholarships and non-teaching fellowships vary in accordance with the terms of the gift and ordinarily with the need of the recipient.

All scholarship papers must be received prior to 5 p.m. on February 8, 1955. For information and application blanks, write to the Graduate School of Arts and Sciences, 24 Quincy Street, Cambridge 38, Mass.

## Guilty or Not Guilty Answer to Jan. 16th

During the past week cast members of "Night of January 16th" have been making steady progress learning lines and stage directions so that all will be in readiness for the opening curtain on November 19th and 20th.

Under the capable direction of Mr. H. Lloyd Jones and James Bowers, both stage and players are beginning to absorb and reverberate the atmosphere of a courtroom in which a woman is on trial for the death of her former employer. With district attorney Flint, Dick Hector, wielding his scrutinizing examinations and defense attorney Stevens, Frank Brown, using every chance for a cross examination, the defendant Karen Andre, Dot Patterson, is well aware of the situation in which previous circumstances have placed her. One by one the witnesses are called, and they relate their connections with the case. It is at this point that rehearsals must be stopped.

From here on in the outcome of the play is entirely in the hands of the jurors. Whether Karen Andre is guilty or not will depend entirely on the verdict rendered by the jurors selected from the audience each night of the performance. So with approximately five weeks left everyone is eagerly awaiting for the "Night of January 16th" and the inevitable verdict of "guilty" or "not guilty".

## Old Timers' Day Big Day For Alumni and Students

Saturday, October 23, is a full day on the Ursinus campus for our alumni. A series of events is set off by a women's hockey game in the late morning. After lunch the Ursinus Varsity Soccer team plays its annual game against the alumni former hockey players. At two o'clock there is the football game against Swarthmore with all of the pageantry put on by the team, the freshmen, the band and color guard, the dormitories and the fraternities. Immediately following the game the Alumni Association invites friends and students to the New Gym for free refreshments and an opportunity to meet the grads.

At 6:30 there will be a banquet in the Freeland Dining Room for the Loyalty Fund Class Chairmen of each graduating class. This is then followed by a Band Concert given by the Ursinus Band. The Varsity Club Dance will conclude the day's events in the Old Gym.

Dr. Roger P. Staiger, the General Alumni Secretary invites the student body to attend all the functions available and make the former students feel welcome on the campus.

## Carl Smith FTAVP

Carl Smith '55 was elected vice-president of the local Future Teachers of America chapter at its first meeting on Tuesday evening, October 12, in Room 7, at 8:00 o'clock. Ethel Lutz '55, president, conducted the meeting.

Pris Shinehouse '55, who is president of the South-Eastern District of FTA, related her experiences at a workshop in Chambersburg, Pa., August 16-20, for branch leaders of the Pennsylvania School Education Association. During the workshop Pris visited National Education Association headquarters in Washington, D. C.

Mr. J. A. Minnich, advisor, supplemented Pris' talk. He stressed the importance of belonging to professional organizations.

Treasure Hazel Okino '56 urged members to pay dues. The deadline set for dues is November 17. Refreshments were served.

Previous plans had been to hold a doggie roast at Mr. Minnich's home in Limerick, Pa. With the conflict of sociology class it was decided to hold a business meeting on campus.

## PRE-LEGAL TO HOLD MEETING

The Pre-Legal Society will hold its first meeting Wednesday night, Oct. 20, at 8:00 o'clock in Freeland Reception room. All freshmen who are planning to attend law school or are interested in government and practical politics are urged to join the society.

## Politics and Humor Mix At First Ursinus Forum

The first forum of the season was held in Bomberger Chapel on Wednesday, Oct. 13, at 8:00 p.m. This forum took the form of a panel discussion concerning the trips to Europe made by the members. Dr. Armstrong moderated, and participated as a panel member; other members of the panel were: Dr. Garrett, Dr. Helfferich, Mr. Jones and Dr. Rice.

Three topics were discussed in an informal manner. Each speaker was asked for his most memorable impression, and his views on the political and military situation in Europe; the panel members were then given a chance to question the other members, and then the audience was given the opportunity to ask questions.

Dr. Garrett started the forum off in a serious vein, with a concise analysis of the political and military existing in France with an understanding of the French people which our State Department sadly lacks. Everyone has heard of the terrible traffic situation in France, yet Dr. Garrett tells us that the new traffic laws have resulted in a complete reversal of behavior.

France has made great progress since 1946, but she will do her utmost to avoid war, and is in no position for war. France does not consider communism to be the threat we think it is.

Mr. Jones took us through a series of rainy and sunny days in Copenhagen, Stockholm, Amsterdam, Munich and many other cities, for each made such an outstanding impression on him. From his talks with the common man he feels certain that no matter what happens in the international situa-

## "Political Situation in Fr." Topic at French Club Meeting

"Political Situation in France" was discussed by John Moser in an informal talk to the French Club at its first meeting of the year last Tuesday, October 12, in the girls' day study. Fayne Elssessor Weiser presided at the meeting. Dr. Helen Garrett and Mr. Alfred Roberts, advisors to the club were present.

Prospective plans for the year include a night of music, similar to the one held last year, and the annual Christmas party. Every Tuesday and Thursday noon the club plans to sponsor a French table in the preceptresses' dining room. All those interested are invited to sit at this table where students will converse in French.

French Club will meet on the second Tuesday of every month.

## New Weekly Series To Start

Beginning next week, the Ursinus Weekly is publishing a new series of feature articles entitled "Know Your College". This series of six articles is designed to acquaint the freshmen with some of the little known facts about Ursinus. It should also provide the upperclassmen with some knowledge they haven't had time to acquire. The first article which appears in this issue is an account of what happens in the Ursinus College kitchen. Next week's article will take up the problem of maintenance at Old U.C.

## STUDENTS ATTEND CHI ALPHA MEETING; AREGOOD PRESIDES

Approximately thirty Ursinus students attended the first Chi Alpha meeting held last Monday, Oct. 11, at Rev. A. L. Creager's home. Moderator Jack Aregood '55 presided at the meeting. There was a brief discussion of the semester's plans.

Following the business meeting was a social hour with informal games, refreshments and group singing. The social portion of the meeting was planned by Francis Scheirer '55. Treasurer Lee Lawhead '57 reminded members to pay dues.

Future meetings will be held the first Monday of every month in the Girls' Day Study at 7:00 o'clock.

tion, we can count on England's support.

Dr. Rice gave an amusing account of his most vivid experience which took place in Italy. On a trip to Rapallo, Italy, the loss and return of his camera was a heartening example of the character of the Italian people. The audience greatly enjoyed the dry humor of this presentation of the spectacular fire works he witnessed on the 4th of July. People are really the same despite language differences.

Dr. Armstrong told of his trips to the Clo-mognon cones in France. It does make one feel humble to think that these beautiful drawings are over 20,000 years old.

Dr. Helfferich gave his opinion of the European situation, based on his talks with political personages, with an analysis of the positions of Germany and France. He agrees with Dr. Garrett that France does not want war, and that there is danger that France will swing to Russia, if she feels she can avoid war by so daring.

This forum was certainly one of the most stimulating we've had at Ursinus. I'm sure that those who missed the forum would have gained much if they had attended this well blended concoction of humor and political analysis.

## MSGA Holds Open Meeting

The first open MSGA meeting, held Oct. 11 can be termed only mildly gratifying in regard to student attendance. Only fifteen students came out to watch their government in action. Those fifteen, however, definitely enjoyed watching the regular business meeting and then entered heartily into the open discussion period. Thanks to the interest exhibited by these few the practice of holding open meetings will be continued. Student attendance at government meetings is a privilege the student body should definitely take advantage of so that they can see how their MSGA operates and why certain policies are adopted. A larger turnout at the next meeting is eagerly requested.

Jack Westerhoff presented his committee's tentative plan for revision of election procedure. When completed, these plans will be voted upon by the MSGA and, if passed, will be presented for student approval or disapproval by a referendum vote.

A concession for the sale of ties bearing the Ursinus colors was granted to freshman Bill Rocket.

A report was made by Dave McLaughlin on the progress of his Honor System Committee thus far. Other MSGA men on the committee are Joe Marsden and Terry German.

President Paolone reminded council members to report at their class meetings that in the future any cars parked illegally will be towed away and a fine of three dollars imposed upon the guilty party. Also, no freshman or sophomore holding a self-help job is allowed to have a car on campus.

The floor was then thrown open to questions by the attending students, and answers were given by the council members.

## Fraternities View Prospects

by Carl Smith '55

With all plans for the big Homecoming celebration this week-end completed, each of the fraternities is planning for another big affair—fall rushing.

Each of the fraternal organizations has chosen the time and place for its rushing party—a party given in honor of prospective members.

Beta Sig—19th at the Collegeville Legion Home.

Apes—21st at the Valley House.

Sig Rho—28th at the Bridge Hotel.

Demas—25th at Green Gables.

ZX—26th at the Collegeville Legion Home.

Deltas—27th at the Trappe VFW.

## Intramural Debate To Be Held Friday

On Friday afternoon the Debating Society at Ursinus had a meeting and discussed the main issues of the topic, "Resolved: that the U.S. should extend Diplomatic Recognition to Communist Red China." The debaters exchanged information and reading matter and highlighted their main points of argument.

Manager Schorsch told the debaters that he had a letter to distribute to various schools to invite them to debate. Faculty Advisor Dr. Kershner distributed handbooks to the debaters.

Varsity member Ted Hall explained the intricacies of debating and gave an outline of both negative and affirmative cases.

It was decided that there would be an intramural debate next Friday afternoon with the varsity.

## Sorority Rushing Schedule Set Up By I-S Council

by Hazel Okino '56

Inter-Sorority Council met on October 11, 1954, to discuss rushing for the 1954-55 season. The outline of the rushing schedule is as follows:

Wed., Oct. 20—The list of persons receiving invitations to each of the sorority parties should be turned into Dean Stahr.

Thurs., Oct. 21—Invitations go out in the 3:00 o'clock mail.

Fri., Oct. 22—Girls receive their invitations.

Mon., Oct. 25—Rushing officially opens. Omega Chi rushing party.

Tues., Oct. 26—Phi Alpha Psi rushing party.

Wed., Oct. 27—Tau Sigma Gamma rushing party.

Thurs., Oct. 28—Alpha Sigma Nu rushing party.

Fri., Oct. 29—Kappa Delta Kappa rushing party.

Rushing officially ends at 12:00 midnight.

Mon., Nov. 1—At 6:30 the rushees list sororities according to preferences.

Mon., Nov. 1—At 8:00 the sororities hand in their preferential lists to Miss Stahr.

Wed., Nov. 3—Number of blank bids that the sororities wish to have should be turned into Dean Stahr.

Fri., Nov. 5—List of girls who receive final bids will be posted.

Sat., Nov. 6—Girls receive and sign bids at 9:00 a.m. in Room 7 of Bomberger.

A mass meeting for sophomores will be held on Tuesday, Oct. 19, at 6:40 in Room 7 of Bomberger for the purpose of explaining the preferential bidding system.

## Lantern Adds 13 Members

The primary objective of the staff of the Lantern for the academic year 1954-55 will be to stimulate interest. During the college year 1953-54 a great deal of progress was made by this, the college literary publication in the face of a great deal of apathy, prejudice and adverse criticism.

The response to the call for staff members has exceeded that of all previous years according to Harold Smith '55, Editor-in-Chief. There were twenty applicants for the ten posts which fell vacant this year. As a result, the present editors, Harold Smith '55, Roland Dedekind '55 and Barry Bressler '57, decided that, in addition to the election of eight Associate Editors, six interested people should be allowed to become general members of the editorial staff and General Staff membership, according to the Charter amendment adopted, requires the submission by the staff member of at least one manuscript per year for publication and offers a bit more participation in the activities of the Lantern than is open to the average contributor. The general staff member has no vote in the election of officers, the determination of policy, or in the selection of material for publication. The Associate Editor does have a vote in determining the above affairs.

The new Associate Editors are Mildred Mistovich '55, Tommy

Thompson '56, Larry Foard '57, Bert Wendel '58, Loretta Marsella '58, Rosemarie Puleo '58, Adele Schoonmaker '58, and Maury Hoberman '58. The new general staff members are George Pauff '55, Christian de la Roche '55, Art Mucklow '58, Janet Geatus '58, and Margaret Stuba '58.

Barbara Wagner '56 was re-elected Art Editor and Lee Lawhead '57, Richard Goldberg '57, Eugene Morita '58, and Ann Yeger '58 were elected to the Art staff.

The business staff has not had any additions as yet. Bill Sourber '55 is the head of the department. Anyone interested in membership on this staff and the office of Business Manager for 1955-56 is urged to contact the Editor-in-Chief.

It is not an easy job to select the right people for the right jobs. Those who have been chosen expressed interest in creative writing, literary ability and judgment of creative writing. Membership on the general staff is still open for those interested however, and posts can be applied for during the whole academic year.

The hope of the Lantern staff is the production of a really outstanding magazine. Therefore, if you have writing talent now is the time to enter the literary field. All contributions for the Fall, 1954, issue must be submitted by October 29 and placed in the Lantern box in the library or handed to a member of the Lantern staff.

### ABSTRACTLY SPEAKING

by David Garlich '55

This is ostensibly a column. Its merit depends upon your reaction. If you don't like it it won't like you. But this is abstractness . . . which brings us right back to the subject matter at hand. Left or right: as you prefer. This is an honest attempt (honesty being a relative term as most people show distrust toward their in-laws) to gather small events of here and elsewhere; observations; and thoughts for the day into one digested pile for your non-concentration. Let it be fully and completely understood that this is a non-partisan, unsponsored, and non-controversial attempt. For those who are still not convinced I am also not against lung cancer, hangovers, or chip stacking.

I will try not to baffle you, and myself, with political tub-thumping nor endeavor to launch an economic or sociological program upon you.

Note to freshmen: Sociology is academic jargon for that which can't be put into a test tube nor viewed through a microscope and which encompasses to broad a group to be herded into a psychology lab.

Neither will I confuse you with statistical reports. For as Disraeli said, "there are three kinds of lies: lies, d—d lies and statistics". And this column will try to achieve a high plane of honesty, as previously noted.

And so with nothing else to subtract from reality I take my leave until again the low tide is upon us and more flotsam dots the shore.

### WEEKLY WEEKLY POLL?

If this question receives a favorable amount of response, we of the Weekly will hold a weekly poll of pertinent questions. Circle the correct answer to this question; tear it out, and drop it in the box in the supply store.

Q: "Do you favor a weekly poll in the Weekly?"  
A: Yes No 5th Amendment.

### Condensed Ed.

This space is fortunately too small for an editorial, so we doubt greatly if many persons will be sore distressed if an editorial opinion fails to appear.

We therefore take this meager space (or what remains of it after the previous comments) to briefly extend congratulations to several people, not because they have performed feats of valor but because they are simply themselves.

To Bill Stout, a faithful statistics student; to Pete Fay and Ben Calomico and their midnight snacks; to Floyd Burk and his inspiring tenor voice; and to Carl Smith who barely made the deadline on his frat article.

Statisticians, men who draw a mathematically precise line from an unwarranted assumption to a foregone conclusion.

## How I See It . . .

by George W. Pauff '55

### CHEERS FOR THE SUBSTITUTES

Have you ever watched the players on the bench?

You have probably seen the coach, at one time or another, call out a name and as you watched, a player jumped to his feet and rushed into the game. A few minutes later, his message delivered, he returned to the bench. These are the boys who ride the bench; the ones who aren't quite good enough to make the varsity, but sometimes their services are more valuable than those performed by the varsity.

How many times have you watched a substitute halfback score a winning touchdown? How many times have you seen a substitute forward score a winning field goal in the last few seconds? Granted there are a few such instances but these are a few in number. The substitute rarely gets a chance to play let alone win a game. Theirs is a life of hard work with little glory. Their practice is rarely rewarded with a chance to put to use what they have learned.

They go into a game with little or no warm-up, therefore risking the possibility of serious injury. One mistake on their part brings the wrath of both the varsity and the coach down upon them. Yet they keep trying, hoping for that one big chance.

Next time you cheer for the varsity, remember the boys on the bench.

### Dinner Opens Canterbury Yr.

Canterbury Club began the season with an "open the year" dinner, followed by a meeting Tuesday night, October 12. All members and prospective members were invited to attend this dinner which was at the Parish House of Saint James' Church in Evansburg. The club had as its speaker the Reverend L. Fifer, who is the Chaplain for Episcopal students at Beaver College. Reverend Fifer took for his topic "Find Yourself, Know Yourself, Be Yourself." A group of about 30 students attended the affair.

The regular meetings of the Canterbury Club will be the second and fourth Wednesday of every month. Meetings will be conducted at 8:00 p.m. in the Classic Language Room of the library. The program for the second meeting of the season, October 27, will be announced. Officers for the coming semester will probably be elected.

# Behind the Sports Scene

by Dick Bowman '55

Putting its best foot forward, the Ursinus eleven played head-and-shoulders above its Haverford opponent to win handily 12-0 Saturday. More impressive than the score were three outstanding features that are certainly worth mentioning. First, the defensive play was nothing short of inspiring, and succeeded in completely choking off any serious threat on the part of the host squad. The deepest Fordian penetration of the day came in the second period and reached the ten-yard line. Grizzly tackling was sharp with special mention to tackle Nick Chapis and backer-up Paolone. Both gridders repeatedly rocked Fordian ball-carriers, and both played key parts in stopping potential TD marches.

## Belles Blank Garnet by 3-0

The Belles evened up their season's record at one win and one defeat last Tuesday by defeating Swarthmore 3-0 at Swarthmore College. Due to the intense heat, the halves were shortened to twenty minute periods.

The first goal of the game wasn't scored until near the end of the first half as captain Phil Stadler drove a beautiful shot into the goal. Marge Dawkins, center forward, pushed in the second goal after an assist across the goal by wing Aggie Watson. The first half ended with Ursinus leading 2-0.

The scoring for the day was completed at the beginning of the second half as Annette Danenhowser flicked the ball into the cage for the third Ursinus tally. Even in the heat all of the Belles played outstanding hockey in defeating their opponents. Ruth Heller, center half-back, played an exceptional game and was as fast and aggressive as usual.

Following the Varsity game the Ursinus JV tied the Swarthmore JV 2-2. All of the scoring was done in the first period. Roxie Albertson lead off with a goal for the Belles, then Swarthmore scored. After an accurate pass from wing NESTA Lewis, Carol Edwards scored the second Ursinus goal to put the Belles on the leading end of a 2-1 score. Swarthmore tied up the game at the end of the first half with another goal.

Second, the Bears opened up their most potent passing attack of the season, with Paul Neborak hitting nine receivers for a total of 132 yards.

### Bears Show Depth

Thirdly, and perhaps of greatest long range significance was the local display of depth, especially in the backfield. Three frosh half-backs put on a running and pass-catching show that brought the crowd to its feet. They were Dick Dickerson, pass-grabber extraordinary, Bob Famous, one of the classiest runners to carry a pigskin since Dick Glock retired No. 25, and newcomer-of-note Frank Rex. Dickerson, besides catching his second long pass in as many tries (for a total of 63 yards) and setting up the second TD on the Fordian 3, showed piston-like leg drive that enabled him to add power as well as speed to his ever-improving offensive play. Famous, a cool ex-high school star of top-notch calibre, looked like he had been playing college ball all his life. His deceiving change of stride and obvious ball-carrying saavy garnered him 20 yards on one carry from scrimmage, and 31 yards on pass-catching. Famous almost broke away after taking a punt in the fourth frame, but he tried to run wide to the near sideline instead of cutting inside the end, and was tackled.

Rex, before leaving the game with a leg injury, snared one pass for 14 yards and played his usual hard-running, aggressive brand of ball. After only three games Rex has come to be recognized as a capable starter, and was in the line-up on the opening whistle.

### Curtis Captures Title By Downing Brodbeck

Curtis Hall's unconquered football aggregation romped to an easy 31-0 triumph over Brodbeck Hall, to cinch the intramural title for the first of two halves. The winner of the first half plays the second half victor for the final championship at the end of the season. Curtis has won four.

In other games, Derr whitewashed Freeland 19-0 and edged 724 13-6, and Curtis added another scalp, crushing Freeland 41-7. Other Curtis wins include a 57-0 rout of 724, and a 54-0 massacre of Derr.

## Star of the Week

For his outstanding defensive play in Ursinus' 12-0 shut-out of Haverford, NICK CHAPIS has been chosen Star of the Week. The stocky 185-pound, 5-foot 10-inch tackle from Upper Darby, Pa., has been playing consistently better ball with each passing game, sparkling defensively against Drexel last week. Against Haverford the entire Ursinus team showed determined and rugged aggressiveness, but it was Chapis who came through to repeatedly smash the Fordian cross-buck plays, and also plug countless gaps that momentarily appeared in the defensive line. When he wasn't playing on the line he was shooting the gap to crack down Fordian backs behind the line of scrimmage. Consequently, thanks to the sterling play of the entire Ursinus squad, and especially of senior Nick Chapis, Haverford only gained 65 yards until the waning minutes, when the Bears loosened their defense to stop long passes. In a last ditch attempt to score the losers sprung half-back Hal Weaver loose for 59 yards on four plays, but the final gun sounded before the strategy could pay off.

### Weekly Sponsors Music Poll

During the coming week the Ursinus Weekly will conduct a poll to determine the five all-time Song Hits as selected by the student body. Daily announcements over the public address system are planned to stimulate interest. The poll and tabulation are under the direction of the Weekly Feature Staff and the results will be printed in the Oct. 25 issue of the Weekly.

# Gridmen Rebound to Stall Haverford, 12-0

## Walker's Spectacular 82-yard Return Highlights Bears' Second Victory

by Ted Sholl '56

Ursinus' once-beaten Bears tallied their second win of the season on Saturday, with a 12-0 conquest of Haverford at the latter's Walton Field.

Although the score was not especially impressive, the Fords were outclassed in every department. Ursinus gained 15 first downs to the loser's 12, 319 yards to 202 on the ground, and 134 yards to 78 in the air. Ursinus played especially well on defense, both on the line and in the backfield.

The games first score came in the first period when Haverford, after recovering an Ursinus fumble, was forced to punt. Ken Walker dropped back to his own 18 yard line to grab Hal Weaver's boot, and, with some superlative blocking, dashed 82 yards for the score. His extra point attempt was low, and Ursinus led 6-0.

The final score of the day came in the second quarter. After a holding penalty placed the ball deep in Bear territory, Ursinus touched off a 70-yard touchdown drive. Doc

Carver skirted left end for 30 yards, and Neborak hit Dick Dickerson with a pass down to the 4. Two plays later, Neborak slammed over on a quarterback sneak. Walker's first kick was good, but a holding penalty nullified the play, and his second try fell short. The score at half-time was 12-0.

The third quarter was highlighted by some fine passing on the part of Neborak, and some sparkling general defensive play. The fourth frame was dominated by Haverford, as their burly halfback, Hal Weaver, slashed the line for 59 yards in four carries in a futile effort to score.

Paul Neborak completed nine of fifteen passes to account for all the Ursinus aerial yardage. The versatile quarterback also picked off two enemy passes to stifle offensive drives. Other outstanding defenders for the Bears were tackle Nick Chapis, line-backer Al Paolone, and tackle Jerry Nunn. Carver's 30-yard end run from the belly-pitchout was the leading Bruin ground-gainer from scrimmage.

## Booters Remain Undefeated; Zartman, Dawkins, Burger Star

Ursinus' booters, yet unbeaten in two official outings, blanked Muhlenberg 2-0, Saturday, and LaSalle 4-0 Wednesday.

Against Muhlenberg, high scorer Larry Zartman brought his goal total to 4 in two official games, having tallied twice against LaSalle. The talented senior netted one goal on a penalty kick in the second period, and was aided by a pass from Dawkins to register another, also in the second quarter.

In the LaSalle contest the booters avenged a defeat suffered at the hands of the Explorers last year. The Bruins never trailed throughout the game; the score stood deadlocked 0-0 at half time. It was Ed Dawkins' 5-yard boot that broke the ice and gave the home team Bruins a lead which

they never lost. Eight minutes later Dawkins garnered an assist when he passed off to the hard-charging Larry Zartman who booted the sphere past LaSalle goalie Bohden Anniuk, to increase the margin.

Dawkins and Zartman combined scoring talents again in the fourth quarter. The blond wrestling star bounced in the ball with his head for the third counter, and the stocky scoring star completed the day's point making with a 35-foot boot to make the final 4-0.

Special credit should be given to the stalwart defense work of Ursinus goalie Davie Burger. Playing his second year of varsity ball, Burger, whose brother Bill co-captained the local basketball and baseball teams last year, has only permitted one goal to be scored in three games.

"I STARTED SMOKING CAMELS 24 YEARS AGO. YOU CAN'T BEAT 'EM FOR FLAVOR —AND BELIEVE ME, CAMELS ARE REALLY MILD!"

*Wm. H. Brockman,*  
REAR ADMIRAL, U.S.N. (Ret.)  
Commander of the first Nautilus, submarine which sank Japanese carrier at Battle of Midway; awarded three Navy Crosses; today, a Baltimore chemical company executive.

SUCCESS STORY...

AND HOW IT STARTED...

ADMIRAL BROCKMAN says: "I prepped at Baltimore Polytech, found I liked math and electrical engineering — required subjects for a Navy career. But it was getting licked in lacrosse by the Navy plebes that got me interested in Annapolis. My break on an appointment came when two ahead of me failed on exams. I worked hard to graduate, got into sub class, did some teaching, eventually earned my own sub command."

# Supply Store Reveals Policy

by Ann Wertz '56

One of the liveliest and busiest places on the Ursinus campus, most people would agree, is the Ursinus College supply store. Situated at the "Crossroads of the Campus" the store is popular with both students and faculty. The store, now under the new management of Mr. William Friedeborn '53, welcomes the Class of '58 to Ursinus.

As in previous years the store's policy is to serve administration, faculty and students cheerfully and to operate on a basis whereby it can sell goods at prices as reasonable as possible.

This year several innovations have been added. Each week the store will advertise a Supply Store special in the Weekly—some article which will sell at a special price for that week. The store will try to include articles in these specials which are especially popular with the students.

Another big feature this year is the Supply Store Motto Contest. Last year this motto was the "Crossroads of the Campus". The store is now offering to the person who submits the best motto a free carton of cigarettes—winner's choice. To enter the contest, submit your entries with your name to the Supply Store. The contest begins today and will run for two weeks.

The faculty will be especially interested in knowing that the store this year is trying to maintain a low inventory and therefore all new books not sold will be returned to the publishers.

The Store's hours for this semester are:

8:30-11:30 a.m., Mon. thru Fri.  
12:30-5:00 p.m., Mon. thru Fri.  
12:30-4:00 p.m., Fri.  
No evening hours.

## B. A. Admission Tests

(Continued from page 1)

er it wishes him to take the Admission Test for Graduate Study in Business. Since many business schools select their entering classes in the spring preceding their entrance, candidates for admission to the 1955 classes are advised to offer the February test, if possible.

Applications and fees must be filed with the Admission Test for Graduate Study in Business, Educational Testing Service, 20 Nassau Street, Princeton, New Jersey, at least two weeks before the testing date desired in order to allow ETS time to complete the necessary testing arrangements.
