## 12 'U' Students Chosen for Who's Who

### Lorelei, Calendar, Tops WSGA Plans

WSGA Council discussed plans for the Lorelei, elected representatives to the central nominating committee, and set up a calendar for next semester at their meeting Wednesday.

The Lorelei, annual turnabout dance, will be given February 18 in Sunnybrook ballroom. Marguerite Struth will be chairman of the decorating committee. A theme has not been decided upon.

Elizabeth Haslam, Marilyn Durn, and Patricia Jones will represent the WSGA on the central nominating committee. This committee is composed of representatives from the WSGA, WAA, and YWCA and it nominates candidates for all the major women's offices on campus.

Dates decided upon for next semester were: Color Day—February 24, Election Day for officers nominated by the Central Nominating Committee—April 19, May Day—May 14, and WSGA Installation Banquet—May 16.

The group also discussed the problem of noise in the library, but no definite measures were taken.

### Abstractly Speaking

by David Garlich '55

It is to be expected around the first of any new year that the scribes and crystal gazers will do some serious head scratching and then proceed to tell us what will be our lot in the years ahead. This business of prognostication is not nearly as difficult as it might appear. For instance, you too can set up your tent and enter the business if you use these few simple suggestions as your guideposts.

1. A good starter is always to forecast in ominous tones that there are troubled times ahead. This is ambiguous enough to cover everything from a front page hatchet murder in the Daily News to the revival of Prohibition.

2. While the iron is still hot continue to amaze them by predicting with absolute certainty the future trends of women's fashion. This is simply discovered by checking past and present history to determine whether the next cycle will be underexposure or overexposure.

3. At this point you had better get specific and predict something like a business slump for the coming year. Even if you are wrong you can always point to seasonal fluctuations in certain industries and claim innocence and sorrow for not naming which slump you had in mind.

4. A good forecaster will usually wind up his predictions by citing a host of wonderful new material comforts. To avoid the usual in this line and leave them wondering at your ability (or sanity) portray for them something in this vein: a "Drive-Out" which is a large scenic area, miles from the city, where urban folks go to just park and enjoy things which are foreign to them—such as nature and silence.

These suggestions may not bring you material wealth but if used properly people will avoid you in droves.

### FRESHMAN TREASURY EMPTY! TREASURER CALLS FOR DUES

### Dr. Simon Forman to Speak to Pre-Meds

Dr. Simon B. Forman, a prominent specialist in obstetrics and gynecology in Philadelphia, will speak to the Brownback-Anders Pre-Medical Society this evening. Dr. Forman is currently on the staff of the Albert Einstein Medical Center, Northern and Eastern Divisions. Upon his graduation from the Temple University School of Medicine, he served his internship at the Mt. Sinai Hospital in Philadelphia. From there, Dr. Forman moved to Boston for a three year residency in his chosen field at the Boston Lying-in Hospital. He has served in the United States Army as a physician and has been in private practice since his discharge. His topic for discussion on Monday will be, "Obstetrics As A Career". The society has been informed that Dr. Forman plans to show a 16mm film to illustrate his talk. The evening promises to be both interesting and informative.

All those pre-professional students who wish to attend may secure tickets from either of the officers of the society, Leonard Stockler or Norman Jablon. Only those people with tickets will be admitted.

### Y Commissions Plan For Coming Events

#### WRC—Washington Jaunt

The World Relatedness Commission had completed plans for a three-day vacation jaunt to Washington, D.C., for Monday, Tuesday and Wednesday, January 31 and February 1 and 2. High spots of interest on the agenda include the White House, Capitol, Supreme Court, Library of Congress, Smithsonian Institute, Bureau of Printing and Engraving, National Geographic Society, and the Federal Bureau of Investigation, plus the usual sightseeing attractions in and around the city. A possible interview with Montgomery County Representative Samuel K. McConnell may be arranged. Included in the approximate cost of \$17 is car transportation and accommodations at the Hotel Continental (right around the corner from the Capitol). All students interested are invited to consult the Y Bulletin Board and attend the meeting this Wednesday for further details.

#### CAC—Rec Center Re-decoration

A new decorating scheme for the Rec Center has been planned and is now posted on the Y Bulletin Board. The actual painting, which will probably begin during the last week of exams, will be an all-campus project; anyone interested in wielding a brush and yielding his time and talent is urged to participate, and to notify Jack Matlaga of Larry Zartman. New equipment has been obtained and will be installed when the redecoration is completed. However, the CAC warns that unless the current needless destruction is stopped, the Rec Center will be closed.

An evening of square dancing fun is scheduled for this Friday, January 14, at 7:30 in the T-G Gym. Admission and refreshments are free.

#### SRC—Spotts to Speak

Professor Charles Spotts of F. & M. has been invited by the Social Responsibilities Commission to preside at a forum-style session on Sunday, January 16, at 7:00 p.m. His theme, "Faith, Sex and Love," is derived from a pamphlet of the same name which has been written

### "Freedom to Learn" Title of FTA Movie

Tomorrow night the FTA will meet in Room 102 of Pfahler. A movie entitled Freedom To Learn will be shown.

The movie is the story of Mrs. Orin, a high school teacher who is charged with teaching Communism in the classroom. Called before an open meeting of the school board, she defends her belief that teachers who are restricted by fear and pressure cannot teach young people to become free men and women. She says that teaching is meant to open the minds of young people to fuller and wider knowledge, although no teacher can be the final judge of the truth. The decision remains the right of every free man and if this judgment is to be sound, our children must be given the Freedom To Learn.

THIS 'N THAT

by Loretta Marsella '58

On the morning of January 3, Ursinus Campus became alive once again as sleepy students trudged up the walks to their classes. The main conversation topics were: holiday celebrations, Christmas presents, and New Year resolutions. Did someone say they were giving up smoking?

Freshman Flash: Frosh saying hello to former soph rulers with less of a gulp and more of a grin.

Campus Fashions: Long wool scarves of bright plaid have replaced the once popular silk bandanna. The woolen headpieces are a warm and stylish asset to a college girl's wardrobe. Fancy knee socks are again invading the campus. Which girl will be the first to try an argyle combination of crazy orange and riotous red?

Sixty Four Dollar Question: What is the effect of Mendes's milk program on certain fraternities?

Echoes in Bomberger: Dismals of students copying their exam schedules. Judgement day is not far off. Let's leave the gloomy outlook to the pessimists.

College Magazine Suspension

The December 20th issue of Life carried an illustrated story concerning the suspension of a humor magazine at a large western university. In essence, the university's board of publications banned the magazine for, "emphasis on sex and alcohol" and failure "to stimulate creative student writing".

The board of publications was completely justified in banning the magazine because of the nature of the material contained in it. A college magazine is definitely not intended to portray cheesecake or to print material that is objectional in a moral sense. A college education is supposed to acquaint students with the better things in life and it is obvious that the magazine was not considered to be among the better things in life.

This action only goes to show what can happen when a college magazine in the humor vein has no supervision or censorship. When a publication is suspended through the actions of its own staff, it's a sign that somewhere along the line, the staff has lost track of its original aim.

## UC Topples Swarthmore 63-58; Star of the Week Humbles Pharmacy Five 89-66

by Dick Bowman '55

Excessive rough-house by a visiting Swarthmore five cost the Garnet a 63-58 decision to the local Bruin contingent Saturday night before a packed house in the New Gym. The guest basketballers hacked, elbowed, and pushed the Bruins onto the foul line 32 times, with the locals converting 19. Co-captain Gene Harris led the victors to their fourth win in six starts by pumping home 17 points on five goals and seven conversions. Forward Paul James tallied 18 as the Garnet suffered its sixth loss without a win. Swarthmore led at halftime 34-31.

### Garnet Fast Starters

Getting off to a fantastic start, the visitors put on a scoring performance that netted them a 12-3 lead with five minutes gone in the first half. After whittling down the lead to 26-25, the Bears took the edge at 27-26 on Harris' set, but James of Swarthmore popped a bulls-eye jump shot and the Garnet was on top the remainder of the period.

### Smith's Foul Turns Tide

With six minutes gone in the second half the Bruins Jack Schumacher tapped in a goal to spring the Bears to a 43-42 lead; the tide turned six times until Phil Smith zipped a foul to make it 49-48. The host cagers were never headed, ending the game with a freeze.

Jack Schumacher was second high local point-getter with 14, while the two Smiths (Carl and Phil) contributed 10 each. Carl stunned the fans with a tantalizing dribbling act that completely flustered the opposition; Phil was a stand-out on defense and rebounding.

by Ralph Schumacher '55

The basketball team returned to action after the Christmas layoff and trounced Phila. Pharmacy in an away test Thursday. The game, played in Pharmacy's handbox gymnasium, was a rough and tumble affair which the Bears won with a third quarter rally. At halftime the spirited Pharmacy team had trailed by only 40-36. Then the Bruins turned on an amazing barrage of shots which brought the shooting percentage to 48 percent for the whole game and 62 percent for the second half.

### Six Hit Double Figures

There was no individual stand-out as six men hit for double figures and eleven different players participated in the scoring. Art Ehlers and Carl Smith were high with 18 and 17 points respectively. The small size of the court hampered any movement or set patterns so that the game degenerated into a battle of rebounding fast breaks, and quick set shots.

### Bears Rebound Strongly

It was in their amazing rebounding that the Bears finally won the upper hand. Pharmacy, champion of the Eastern Pharmacy League had a towering, but extremely inexperienced team with one starter at 6-foot, 8-inches, and two others at 6-feet, 5-inches. It was only by playing an extremely aggressive game under the basket that the Bears were able to get control of the boards. Once Ursinus took over the inexperienced losers fell apart completely so that it appeared that the 100 mark might be reached until Coach Spangler cleared the bench.

by Dick Bowman '55

For his aggressive rebounding and fine defensive work in the Swarthmore and Pharmacy basketball games, RALPH SCHUMACHER has been chosen Star of the Week. The usually high-scoring senior scored only three points against the Garnet, but sacrificed shots when other players were "hot". His constant hustling and board clearing (he had nine rebounds) were important in both victories. He tallied 10 points against Pharmacy. Against the fast-moving Swarthmore five Schumacher had a jinx night on points, with four shots going in-and-out or rolling around the perimeter of the rim. But it isn't only the high scorer that wins ball games. Nevertheless, he leads the team in scoring this season with 97 in six games for an average of 16.1 per game.

## Badminton Drills Begin; Opening Match Feb. 10

The badminton squad, under the supervision of Jen Price, has begun its practices in order to prepare for its schedule of six matches, the first of which will be played at Ursinus on February 10 against Rosemont. There is a large squad this year, and there will be several Jayvee matches.

Last year the team's record was three wins and three losses. The only two persons returning from last year's team are Ricky Bauser and Connie Cross. A challenge ladder has been set up for the purpose of giving everyone a chance for team positions. The Varsity is composed of three singles players and two doubles teams.

## Booter Named to Second Team By National Soccer Coaches

by Dick Bowman '55

The National Soccer Coaches Association, official All-American selection committee, has revealed that Larry Zartman, Ursinus inside left and Most Valuable player, was chosen on the All-America second team for 1954. Zartman, a senior, was also named to the first team All-Northeast League Middle Atlantic Conference.

Ursinus Director of Athletics, Everett M. (Ace) Bailey, says, "This is the first time, to my knowledge that an Ursinus athlete has been officially recognized on an All-America team". Larry was overwhelmed; all he could say was, "It seems hard to believe". Coach Donald Baker mentioned that the

team's fine all-around play (6-3) helped give Larry opportunities to distinguish himself, but emphatically added, "He earned it himself".

Zartman was high scorer for four years, tallying 13 counters this season. The five-foot eight-inch 160-pound booter from Myerstown, Pa., will be feted at the annual Awards Luncheon at the Hotel Martinique, in New York City, January 15.

For a small college athlete to be recognized nationally is indeed an honor. The significance of this selection is that Zartman ranks with the top twenty-two soccer players in the United States of America. Ursinus has a right to be proud.

## Matmen Win with Heydt, Dawkins, Paolone, Padula,

by Dick Bowman '54

A first period pin by 123-pound co-captain Ed Dawkins made the difference as Ursinus opened its wrestling campaign by craftily edging Swarthmore's host matmen 14-12 despite the fact that each team won four bouts.

The "Little Atom" exploded any victorious hopes of opponent Rubin at 2:54 with a body press to give the Bears a 5-0 lead. Co-captain Al Paolone put down the Garnet's Huyler, his 130-pound opponent, to the tune of 4-0. MAC 137-pound champ Dick Padula kept the streak going by decisioning Swarthmore's Heald 10-6; Padula could have blanked the scrappy enemy, but he continually drove for the pin, thus permitting the six point score.

### Heydt's Win Crucial

From this point on, the enthusiastic Bruin rooters had to wait for 167-pounder Dick Heydt's crucial 9-5 win before they had another chance to cheer. Newcomers Jack Townsend, Gene Berman, and Lee Rigler lost by decisions in the 157, 147, and 177 pound classes respectively. All three showed promise and aggressiveness, especially Rigler who had to combat Swarthmore captain Bode. George Aucott at heavyweight had to avoid the fall for the Bruins to cinch the bout. His 3-2 loss served the purpose, but was a heartbreaker for the talented veteran.

The Ursinus matmen tangle with a dangerous Lafayette Wednesday night and meet Haverford Saturday. Both contests are home affairs.
