A black and white photograph capturing a large-scale commencement ceremony. The scene is filled with graduates, seen from behind, wearing dark academic gowns and mortarboard caps. They are seated in rows of folding chairs, filling a large indoor arena, likely a gymnasium, with a high ceiling and numerous overhead lights. The perspective is from the back of the seating area, looking down the length of the hall towards the front of the ceremony. The overall atmosphere is formal and significant.

A black and white photograph of a large crowd of people, likely at a school event. The image is grainy and has a high-contrast, almost halftone-like texture. The people are mostly seen from the chest up, looking in various directions. The word "ACTIVITIES" is printed vertically in large, white, serif capital letters on the right side of the image, overlapping the crowd.
