## Students Asked To Submit Roster Choices

Students who plan to enter the Ursinus college summer school for the 1952 terms should submit a list of courses they wish to take to the office of Dean J. W. Clawson as soon as possible, it was announced today.

These lists are needed in order that a roster for the summer session may be planned.

For the benefit of those who might wish to accelerate their courses by continuing their work during the summer, the administration will again offer two six-week terms next summer.

A student may take up to seven semester hours of work in each session, the first of which will last from June 9 to July 18 and the second from July 20 to August 29.

### Exams Scheduled

The examination schedule for the current semester has been posted on the Bomberger bulletin board. Following the usual custom, on Wednesday, January 16, classes will not meet in order that a day of study may be observed.

Examinations will begin Thursday, January 17, and continue until Friday, January 25 when the winter term officially ends. The spring term begins Monday, February 4 at 8 a.m.

## Y NEWS

During the week following Christmas, Ken Mammel '52 traveled to the University of Kansas to attend the Student Volunteer Movement Quadrennial as a representative of Ursinus.

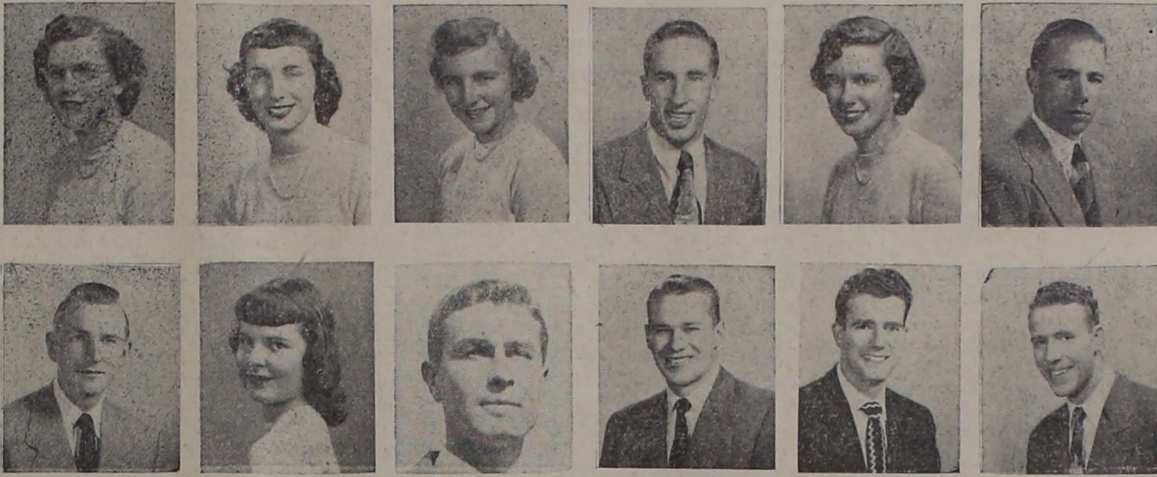

Attending the conference were students, platform speakers, and seminar leaders from all over the world. The theme stressed the need for missionary work in the world today, in that Christ's kingdom is man's hope for the future.

Next semester the Y is planning to sponsor another Professor's panel. Students will be asked to submit any questions they hear about religion and life and the professor they wish to answer them. Question boxes will be placed on campus soon.

### Marriage Course

On Wednesday commission meetings will be held in Bomberger. Social Responsibilities will discuss the possibilities of a marriage course here, a town-grown program where students visit faculty homes, and the SVM Conference. Political Actions will make plans for sending students on brief tours to study democracy and citizenship on local and distant campuses. In Student Worship the vesper program for next Sunday will be planned. Joan Kacik will speak on *The Way Out of the Dark* and Ken Weisel will be the leader. Campus Affairs will review the revising of the Rec center. On February 28 the Y will hold

## Twelve Outstanding Seniors Elected As Members of College Who's Who

Twelve Ursinus seniors have been named to *Who's Who Among Students in American Universities and Colleges*.

Those receiving the honor are Barbara Crawford, Martha Daniels, Tom Davis, Paul Doughty, Jay Ely, Molly Hall, Dick Kiszonas, Barbara Landis, Herman Lintner, Nancy Matterness, Bob Meckelburg and Bob Rosenberger.

The list was chosen by a board consisting of Miss Daniels and Davis, student council presidents, and Dean Camilla Stahr and Dean G. Seiber Pancoast.

Students are chosen on the basis of such qualities of leadership, scholarship, participation in extra-curricular activities and character. Each university and college submits a certain number of names, depending upon the enrollment, to the publication.

Miss Crawford, an English major from Bridgeton, N. J., is co-editor of the Ruby, president of the English club and vice-president of Pi Gamma Mu. A Rosicrucian and member of Kappa Delta Kappa sorority, she has been active in the Curtain club, the Weekly and the May Day pageant. She was also queen of last year's Junior prom.

Miss Hall, a mathematics major from Lansdowne, Pa., is president of the YWCA and vice president of Alpha Psi Omega. A member of the Messiah chorus for three years,

she also has been an officer of the Curtain club and a member of Kappa Delta Kappa sorority.

Miss Landis, a physical education major from Pennsauken, N.J., serves as president of the WAA and has earned her letter in hockey, basketball and tennis teams. A member of Tau Sigma Gamma sorority, she has also been active in May Day and the Central Nominating committee.

Miss Daniels, a Physical Education major from Mt. Ephraim, N.J., is president of the WSGA, member of Tau Sigma Gamma sorority, and treasurer of the FTA. She is also active in the Curtain club and WAA, and has played on hockey, basketball, and tennis teams.

Davis, a Pre-Med student from Drexel Hill, Pa., is president of the MSGA and a member of APE fraternity. He is also a member of the Pre-Medical society, Curtain club, and the dramatic honor society, Alpha Psi Omega, as well as Cub and Key.

Doughty, a business administration major from Beacon, N.Y., is president of the senior class, president of Cub and Key, secretary of the Varsity club, and a member of APE fraternity. Previously he served as class officer for two years.

Ely, a physics major from Jenkintown, Pa., is president of the YWCA, a member of the Varsity club, Cub and Key and Meistersing-

ers. He has earned his letters in soccer and tennis and has been a member of the Messiah Chorus for four years.

Kiszonas, a chem-bio major from Lester, Pa., is a member of the Ruby business staff, Pre-Med society, and the Curtain club. He is also a bio-lab assistant, has participated in the Messiah chorus, and has served as an officer of Beta Sigma Lambda fraternity.

Rosenberger, a history major from Glenside, Pa., is managing editor of the Weekly and president of Sigma Rho Lambda fraternity. He is also a member of Cub and Key, and has been active in Meistersingers.

Lintner, a mathematics major from Haddon Heights, N.J., is secretary-treasurer of Cub and Key, treasurer of the Senior class and co-captain of the football team. Vice-president of Alpha Phi Epsilon fraternity and the Curtain club, he has also been active in the Varsity club, Alpha Psi Omega and the track team.

Miss Matterness, a history major from Lebanon, Pa., is chairman of hall presidents, president of Maples hall and a member of the Women's Student council. She also has been active on the Y cabinet, the Messiah chorus and as a member of Kappa Delta Kappa sorority.

## Forum Speaker Lists Topic For Wed. Night

Count Amaury de Reincourt will discuss the topic *Revolt in the Middle East*, at the forum on Wednesday night at 8 in Bomberger chapel. Count de Reincourt is a well-known journalist with an important report to make on the countries of Turkey, Iran and the Arab world.

Born in 1918 in Orleans, France, Count de Reincourt has become an authority on Africa and Asia. During his student days at the French University of Algiers, he spent his holidays traveling over Africa, crossing the Sahara desert down to Nigeria and covering the Gold Coast.

### Began Trip

In 1946 he began a long adventurous trip through the Middle East and on to Indian and Tibet. Starting in Cairo, Count de Reincourt crossed to Arabia where he was the guest of King Ibn Saud; and visited with Shiek Hassan el Banna, head of the fanatical Moslem brotherhood. In Teheran he interviewed the young Shah and lived for a while among the desert tribes so that he could better understand their problems and ways of life.

Court de Reincourt has recently returned from a complete world tour which has brought his information of the complete foreign situation up to date. Since the Middle East is now directly in the pathway of communism, what de Reincourt has to say will be of great current interest.

Besides traveling all over the known world, de Reincourt has lived a full and exciting life, fighting in the French army and navy during World War II, spending a time in a Spanish concentration camp,

## Navy Recruiter Plans Interviews For Seniors

A U.S. Navy recruiter will be in Room 1, Bomberger, Wednesday, January 16, from 10 a.m. to 4 p.m. to interview men and women in the senior class interested in navy service.

Any college graduate, or college student who will graduate within four months, is now eligible to apply for Navy's officer candidate school at Newport, R.I. The Navy has eliminated all specific course requirements and will now accept applications for training as a line officer from any man who has or soon will get a bachelor's degree from any accredited college or university.

Announcement of the easing of the requirements for OCS was made by Lieutenant Commander Randall Weeks, officer in charge of Navy recruiting and officer procurement for the Philadelphia district. Applications are being accepted at his office, 13 South Thirteenth street.

## Alpha Psi Omega Greets New Members

Ed Abrahamson '54 has been appointed chairman of the play reading committee for the spring production. Other members of the committee are: Rhoda Blumenthal '54, Dick Hector '53, Marna Feldt '53, Marge Mersfelder '52, Diana Handy '53, Mary Jane Allen '54, and Jean Stewart '52.

At a recent meeting of Alpha Psi Omega, four new members were admitted to the national dramatic society on the strength of their work done in the Ursinus College Curtain club. The new members are Geoffrey Dolman, Ron Frankel, Ivy Leaman, and Jack DeLuca. They will be initiated Sunday night, January 6, at the home of the D. L. Helfferichs.

## Music Club Concert To Be Given Thursday

The Music club will sponsor a student concert Thursday night in Bomberger chapel from 7 to 8.

Featured will be soloists Ed Ruch, Bill Van Horn, Glenna Faust, Dick Buckwalter, Marilyn Engelman and Howard Roberts. The Meistersingers will sing the Ursinus Campus song and other selections.

Bill Van Horn is program chairman.

### TRIP CANCELED

The trip previously planned by the Beardwood Chemical society for January 11, to the DuPont Experimental station in Wilmington, Delaware, has been canceled. No other date has been set.

## Sigma Nu, Beta Sig, Entertain Children

Three weeks ago, just before college closed for the Christmas holidays, two of the sororities and fraternities provided a Christmas party for 35 youngsters from Rivercrest preventorium.

Students belonging to Alpha Sigma Nu sorority, and those of Beta Sigma Lambda fraternity, entertained the children in the upper dining room on the college campus.

A full program of entertainment was provided and no child left with less than three gifts. The students even arranged bus transportation for the children.

Assisting with the party and leading the folk-singing was the Rev. Alfred L. Creager, college chaplain. Paul Stubbs was Santa Claus, and Jules Yeager was Frosty the Snowman. Sarah Weirich read several Christmas stories including Rudolph the Red Nosed Reindeer. Jim Bright led a few selections. Margie Fretz and Orin Main and their committees also assisted.

### ACTIVITIES MEETING

All campus organizations are asked to send a representative to a meeting of the Student Activities committee Monday, January 14, at 7 p.m. in S-12.

At that time final planning and approval of all social activities for the remainder of the year will be made and a calendar drawn up.

EDITORIALS

THERE'S STILL TIME

It is a fortunate occurrence that the official New Year comes at a time which is just about halfway through the college year.

One of the ways progress is measured is by external accomplishments; one of the ways we determine "a good year" is by certain events we can point to and declare that they helped bring about whatever end we were working toward.

Here at Ursinus the progress we want is comparable to that of a small community. We want good educational, religious, and recreational facilities; in fact, we want everything which will work for the betterment of our community and ourselves.

At Ursinus, unlike on the outside, we students have most of these benefits handed to us on a silver platter. There is comparatively little—yet enough—to be done by us students.

At this time of the year we can look both behind and ahead at what this year has brought and what it can bring to Ursinus in concrete accomplishments by student activities, above and beyond normal functioning.

The events (student-sponsored) of the first half of the year which particularly strike us as working toward a better Ursinus community include the student-faculty show for the benefit of the campus chest fund, the donation of blood by 70 students, repainting of the Rec center by volunteers, and the Christmas party for children of an institution sponsored by members of a fraternity and a sorority.

These projects (there were undoubtedly a few others we have missed) are impressive because in each instance a group of students went beyond the initial requirement of any organization to work for a better Ursinus.

We would like to see more of this type of activity done in the second half of this college year. We would like to see the idea for a Student Union become more than an idea. We would like to have the Professor's Panels of last year continue. We have already expressed hope that fraternities and sororities will engage in constructive work such as that mentioned above.

These are suggestions for the student body to work on itself, suggestions that require a little extra effort, but which determine "a good year."

AMIDST THE MADDING CROWD

New Year Topic Is War

by Richard Richter '53

As the New Year begins, observers and commentators are recalling what has happened in 1951 and predicting what is likely to happen in the coming twelve months.

The item they are most concerned about is war—all-out war between the Communists and the Western allies. The past year has been a fortunate one, it is said, because a major war was averted; this, in spite of the not inconsiderable "police action" in Korea.

MAJOR CONCERN IS WAR

The major concern—war—of the observers is altogether fitting, for, ever since World War II was finished, the world has meticulously gone about the task of getting ready for the next one.

As the two countries and their respective spheres of influence have drifted further and further apart, we have become more and more apprehensive. And out of that apprehension (coupled with an inability to relieve said apprehension) grew 1951's feeling of insecurity, unsureness, and general fear of war.

DAILY LIFE MUCH THE SAME

But, while we have been occupied with doubts and fear of the not-too-distant future; while Russia has accused us and we have, in turn, accused it of this and of that; while our statesmen have plied a very rough diplomatic sea, trying desperately to create some semblance of world amity; while the world has split itself into two opposing, seemingly irreconcilable forces—while all this has been happening, you and I have continued attending classes, businessmen have continued carrying on their businesses relatively normally, labors have continued laboring for a weekly pay check, and, in brief, the daily life of the country has gone on very much the same as it always has done.

All of which brings us to the inevitable Prediction for 1952: People in the U.S. will learn to accept the big word WAR for what it is and then go about their daily living, whatever it might be, with more hope and sureness and less apprehension and foreboding than they had in 1951.

Idea For Student Union At Ursinus Gets Impetus

by Bob Rosenberger '52

Each year one hears various rumors concerning the construction of women's dormitories or a Student Union building on campus. As yet nothing has been done in the way of actual building but money for the projects has been raised and plans drawn up.

It has been necessary, therefore, for the directors of the school to make a decision as to which is more urgently needed. The reasons for erecting dormitories are many, though perhaps not too obvious—beginning with the expense of housing women in homes, and others which we do not have the space to enumerate at this time.

Apparent Reasons

It is not my desire to take issue with such a decision. However, the reasons for erecting a Student Union building must be apparent to anyone who has had relatives or friends visit him at school. The simple fact is that there is no place on campus really adequate for entertaining friends.

I would therefore like to advance a proposal made by the Men's Student Government association at their last meeting. The proposal is simply to provide a temporary Student Union building. The student body would certainly support such a plan.

If funds could be raised for the renovation of that portion of Bomberger's basement not already in use, the problem would be solved. The basement could really be modernized, equipped with suitable furniture and made into a room of which the student could feel at ease when entertaining visitors.

Maintenance Proposal

The question of maintenance could be solved satisfactorily, too. The Inter-fraternity and Inter-sorority councils could be made responsible for keeping it attractive and orderly. By providing members of their organizations to take turns in doing such work as might be necessary, the fraternities and sororities would be doing something useful, at the same time insuring the success of such a project.

The students would certainly approve of a plan of this type. It is to be hoped that the administration will share this approval.

## Delaware Favored In Court Race

by Ted Wenner '53

With the coming of a new year, so also comes the opening of the 1952 edition of the Middle Atlantic Conference basketball league season. It would do us well now to take a quick over-all look at the caliber of the teams the Bears will be facing this year in league competition.

The campus of Delaware university is ringing with the cry, "This is it!" The Blue Hens' court squad this season is a very powerful and rangy one that figures to be running rough-shod over all league opponents. So confident is their attitude that Delaware has scheduled for non-league opponents such formidable teams as LaSalle, Penn, Villanova, and Muhlenberg. Coach Fred Emmerson has five senior lettermen as a base for his new "tower of power." This veteran five is led by captain Bill Utt, last year's leading scorer. But this isn't half the story because backing these five are six sophomores and a freshman whiz. At the head of this group is high scoring Ray Crawford, a coach's dream. All in all, the Blue Hens are a team that is rugged, aggressive and the type that will run their opponents into the floor.

### Swarthmore Fades

The defending champion, Swarthmore college, is not quite so formidable this year. The loss of center Dick Hall is apparently too big a one to make up; however, the Garnet should not be sold short because they still sport classy Joe Carroll who at present averages 22 points a game. Swarthmore still lacks the domineering height which they depended so much on last year.

Drexel Tech also sports a prolific scorer in captain Al McCart, but the Dragons lack finesse. With the tallest man on the squad standing only 6' 4", Drexel doesn't figure to stir up much trouble this year. Should McCart get one of his typical "hot" nights, Drexel could be primed for an upset.

### Ford's Lose Tollin

Haverford college lost its whole squad with the graduation of the sensational Sol Tollin. This diminutive forward is one of the classiest players ever to don a uniform and he all but carried the whole team on his shoulders last year with his scoring feats. His loss is one that will take a long time to fill and Haverford as a result is going to suffer heavily.

The spoiler team this year should be PMC. No matter what the caliber of their players, this squad is always hustling, aggressive and can upset anybody. They won't break any records this year but they figure on pulling a few upsets and they may even be the team to beat Delaware. Opponents will have to be cautious because the cadets will be taking advantage of any breaks they may get.

## PMC Downs Bears In League Opener

by Ed Klein '52

Ursinus started an unsuccessful bid for the Middle Atlantic crown as they lost an unexciting game to Pennsylvania Military College 82-60 to inaugurate conference play. It was a dull game for the fans because the Bears never got closer than nine points after the first quarter.

In recent years PMC has had a fast-moving, high-scoring aggregation. They usually relied on a full-course press defensively and a fast-break offensively. This year PMC played a smart deliberate game, knowing they had a slower, more experienced squad. They worked the ball as long as they saw fit until they had a man clear comparatively near the basket. Then, and only then, did they shoot. This paid off in a high accuracy percentage. Four men for PMC hit double figures. Larry Rusiewicz had 27, Earl Wentzel 18, Jim Culver 14, and Bob Marks ended up with 12 counters.

### Swett Plays Well

For Ursinus Bob Swett played an amazingly good game in a losing cause. He hit for 8 field goals and 7 fouls for a 23 point total. He missed only a few shots and even those rolled around the rim. One wonders why he wasn't given the ball more often. Besides this he was most effective on the backboards, retrieving more than his share of shots. Next in line was Herb Knull, who played his usual superb game and chipped in with 9 field goals for 18 points, all in the second half. Captain Dave Reice counted the cords for 9 points and Bill Burger, though getting only 6 points, played a flawless defensive game.

PMC led throughout the game. It was 20-11 at the quarter, 43-31 at halftime, 57-47 at the end of the third quarter and then PMC really put the game on ice with a 25 point surge in the final period to end up 22 points ahead.

## Schedule Announced For Badminton Season

The feathers will soon be flying when practice gets underway for the girls badminton team. Coach Jane Platt will announce the opening practice soon after vacation. Last year the girls lost to Bryn Mawr, Swarthmore, and Chestnut Hill. Penn, Drexel and Rosemont fell to the ladies of the court to even up the season's score.

Nancy Vadner, first singles, and Marjorie Justice Helfferich, first doubles, were the only seniors on the squad last year who left vacancies.

Members of the team last year who played singles were Nancy Vadner, Adele Boyd, Nancy Laid, and Sallie Lumis. Doubles partners were Janice Christian and Marjorie Helfferich, Betty Rinear and Joan Compton, and Jody Wimberg and Barbara Landis.

## Grapplers Open Campaign With Win Over Mules

**Winners Take Five of Eight Bouts in 21-11 Decisive Triumph; Davis, Dawkins Score Pins; Webb, Zimmerman, Gellman on Top**

The Ursinus college wrestling team got off to an auspicious start in the 1952 season by capturing an impressive 21-11 victory over Muhlenberg on Saturday on the losers' mats. Winning five of eight bouts, Ursinus took a 5-0 lead after the first match and was never headed.

Ed Dawkins, the 123 pounder, set the Bruins off with an inspiring win over Beach. Dawkins used a double arm lock to pin his opponent in 1:34 to give the hosts a preview of coming events. Co-Captain Loran Zimmerman won by default to add another five points to the locals' score.

In the 137 pound class Muhlenberg's Adams pinned freshman Al Paoline in 2:27 with a reverse half-nelson to give the losers their first score. Muhlenberg added three more points by winning the 147

pound bout. Co-Captain Ted Miller, who was noticeably weakened by a severe chest cold, was decided by Billy. The victor had a 4-3 lead in points and a 2:14 time advantage.

Dick Gellman won a decision over Peters in 157 pound class to put the Bears back in the winning mood. Ursinus' Bernie Orsini was beaten by Cressman, but Tap Webb came back to decision Batt in the 177 pound match.

Although the contest was already won, Bob Davis, in the heavyweight division, took no chances and pinned Stauffer, who out-weighed the local grappler. A half-nelson was the hold that did the trick and the time read 5:08.

The locals will travel to Lafayette on Wednesday in search of their second victory and then on January 12 will meet Swarthmore on the home mats.

## Campus Interviews on Cigarette Tests

No. 31...THE MOUNTAIN GOAT

He thought they were trying to make him the butt-end of a joke when he was asked to judge cigarette mildness with a mere puff of one brand and a quick sniff of another. The fancy foot-work didn't dazzle him! He knew that the pinnacle of pleasure comes from steady smoking... and that there is only one test that gives you enough time to permit conclusive proof. Smokers throughout America have made the same decision!

*It's the sensible test... the 30-Day Camel Mildness Test, which simply asks you to try Camels on a day-after-day, pack-after-pack basis. No snap judgments! Once you've tried Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why...*

## Pharmacy Hands Bears Third Loss, 70-53

Led by center Lou Schessler, Philadelphia College of Pharmacy defeated the Ursinus varsity basketball squad 70-53, Thursday evening on the local court. The visitors came from behind to lead 16-9 at the end of the first quarter. They steadily increased their lead to the final 17 points except during two brief rallies by the Bears.

Herb Knull gave the local courtmen a 2-0 lead with a lay-up shot. The Pharmacy team promptly tied it up; then took the lead with a foul shot 3-2. They retained the lead for the rest of the game. After an unsuccessful foul try by an opponent Herb Knull seized the rebound and accidentally shot the ball through the opponents hoop. Poor control of the backboard on the part of the Bears aided the Pharmacy club to get a 16-9 edge at the quarter.

### Visitors "Hot"

In the second period Bob Swett replaced starter Burnett Eddy at center. The men in blue had a 22-10 margin before Larry Jacobson and the rest of the Bears began sinking their shots. The Ursinus hoopsters then outscored the winners 16-11 in the remaining minutes of the first half to trail again by seven points, 33-26. The visitors not only dominated the backboards during the first half but also did unusually accurate shooting.

Ralph "Shoey" Schumacher, Bill Burger, Frank Fiefaber, Bob Swett, and Herb Knull played in the third period and permitted the opposition to increase their lead to 52-37 with only one period to go.

The Ursinus courtmen staged a brief rally with about four minutes of playing time remaining. The

Bears came within 10 points of a tie. Ralph Schumacher scored several field goals to become high scorer for the Bears. Schumacher is a freshman varsity substitute from Upper Darby high school. In the closing two minutes the opposition swamped the Bears to win by 70-53. Captain Dave Reice was the only Ursinus regular to be held scoreless.
