THE HO ment to the Senate trade dollar bill, providing that the recoinage of trade dollars recoined under this act shall not be considered as part of the silver bullion required to be purchased and coined under the provisions of the Bland law. As so amended the bill was passed. The bill provides that for titude of the respective factions before six months after the passage, unmutila- the public, and was not written with ted and undefaced trade dollars to be the hope of reaching a basis for tariff received at face value for all dues and legislation. not to be reissued; also be exchanged dollar for dollar for standard dollars extra session of Congress. Idle money and that trade dollars received by the is accumulating in the national coffer government be recoined into standard at the remarkable rate of \$100,000,000 dollars.

Democrat or Republican, does not need to be a financier to know that it is not THE Chinese Government demands \$147,500 of the United States Govern- capital. An extra session will doubtment in the way of reparation for the less be called-possibly soon after the murder of twenty-eight Chinamen by a mob of hoodlums at Rock Springs. The duty of Congress in this matter is very plain, and the action of the House, recently, in passing a resolution to the effect that the claim shall be paid, stimvision of the Inter State Commerce ulates the hope that this stain upon the bill. Many have called themselves to honor and credit of our Government Washington, but only five can be will soon be wiped out. The Philadelchosen. The President is very much phia Times speaks truthfully and well barassed with the importunities of applicants, many of whom are men of in regard to this matter when it says :--such influence and distinction that their "The government of China has ever suits can not be wholly ignored. Mr. acted in matters of this kind in a way Cleveland doubtless regrets that Conto put to shame our own tardiness. gress in passing the bill did not make a provision that this commission should American citizens suffered losses in be chosen under civil service rules and 10febsome late riots in the interior of China. by competitive examination. Those losses have been paid in full, while the Rock Springs demands have son has been offered the chairmanship been held in abeyance. During the of the commission, also that he has time when Great Britain was at war with China an American citizen was arrested by mistake as an Englishman. Though held as a prisoner not more and denied but they have no denser than twelve hours the Chinese Govern- consistency than rumor and I will not ment paid \$31,600 for the outrage. On repeat them. a former occasion China gave us \$700,-000 to pay losses which footed up, with by many that Congress will pass a bill 12 per cent. interest added, only \$500,- changing inauguration day from Hyper-000. It is time we took a lesson or borean fourth of March to the Madrigal thirtieth of April. There are perhaps two in honesty and fair dealing of our not less than one hundred bald headed Chinese neighbors. It must be conmembers and senators of the present fessed that our Christian civilization Congress with Presidentials bees buzzdoes not shine as brightly as it should ing in their bonnets. To them the when-contrasted with that of the de- vision of riding down the Avenue, bare headed, from the White House to the spised heathen.
