CHESTNUT HILL COLLEGE

PHILADELPHIA

DEPARTMENT OF Physical Education

April 28, 1970

Miss Eleanor Snell, Director  
Women's Physical Education Department  
Ursinus College  
Collegeville, Penna.

Dear Eleanor:

In the years you have devoted to teaching and coaching there are so many people for whom you have done so very much. As one of them, I wish to express to you my deepest thanks and appreciation.

Many years ago, when I first came to this area, you were one of those whom I called upon for assistance whenever we needed a coach or an instructor in sports at Chestnut Hill, and through the years, thanks to you, we have had many fine people from Ursinus assisting in our program. To you this may seem like very little, but to me and to Chestnut Hill it has meant much. We are grateful to you for your ever-ready willingness to help us. Those whom you have sent to us are a very real tribute to you, an exceptional teacher and coach.

It is a privilege to have been associated with you in the physical education profession.

Sincerely,

*Betty Buckley*
