Special Commencement Issue

The Ursinus Meekly

Volume LXXII

SUNDAY, JUNE 3, 1973

THE WHITE HOUSE WASHINGTON

TO THE 1973 COLLEGE GRADUATES:

I am inclined to be sparing with words of congratulations, advice, and challenge to this year's college graduates, for you hear more than enough of them at commencement time, and you are eager to turn from words to action.

From early childhood, for the most part, the classroom has been your world. Now the world becomes your classroom. The education you have gained so far is precious capital. As you invest it in the service of mankind, it will continue to grow and pay you rich dividends.

Your opportunities for service and achievement are wide. For the first time in your lifetime, the world is on the threshold of an era of lasting peace. The United States is astir with the forces of a profound renewal -- social, economic, political -- and reaching for new possibilities in its third century of independence.

The coming age will belong to you. America is grateful for what you are, and much in need of what you can become. I wish you Godspeed on the great adventure

Richard Nigar

Successes of the USGA Reviewed for This Year

By DAVID OCHOCKI

Open dorms was the main topic of discussion at the last Student Government meeting held on May President Dave Zimmerman was happy to announce that an open dorm policy identical to this year's has been approved by the administration for next semester. The possibility of extending open dorms to both weekend nights for both men and women was discussed. A motion was made and unanimously passed which called for the opening of all dormitories on every Friday and Saturday night of the Fall semester. Subsequently, Zimmerman and Vice-Presidents Jeff Higgins and Kathy Filano discussed the matter with President Pettit. Dr. Pettit said that the final say on the matter belongs to the Board of Directors of the college. However, he expressed little optimism on the matter. He claimed that the main objection voiced in the past by the Board was the substantial number of violations of college rules and regulations that have occurred during open dorm hours. In lieu of this circumstance the Board has been reluctant to increase the number of open dorm periods.

The open dorm policy was but one of the many projects that the

Well, the 1972-73 academic year is nearly over. The Ruby staff, throughout the year, has attempted to capture all events, both major and minor, and to incorporate them into what should be the best yearbook ever. They have concentrated on including everyone, not just a select few student groups. Ruby '73 will be a new and different kind of yearbook thanks to the ingenuity of the editor, Jay Walter, and his staff. Don't miss the opportunity to buy your yearbook before the end of the year. There will be very few extra copies ordered, so don't wait until September to decide. See Shirley Cressman for your order as soon as pos-

Commentator Rod MacLeish Will Deliver Commencement Address

Rod MacLeish, prominent radiotelevision commentator will be the commencement speaker at Ursinus College, June 3, addressing a class of approximately 275 graduating

Mr. MacLeish was born in Bryn Mawr, Pennsylvania, the son of Norman MacLeish, the painter, and the nephew of the poet Archibald MacLeish. He attended St. George's School in Newport, The Art Institute of Chicago, and the University of Chicago. A facility in languages has enabled him to learn Russian, French, German, Spanish and Danish plus some Mandarin Chinese, Swedish and Polish.

Now a resident of Washington, D. C., Mr. MacLeish was Washington bureau chief of Westinghouse Broadcasting Company (Group W) before becoming an incisive commentator on human events both in the United States and world-wide. His commentaries have covered a wide range of topics, from the Middle East, Vietnam and American politics to the joys of classical music. He has a penchant, however, for analyzing social change in America both succinctly and poeti-

Chapter Scholars Selected

By ELSIE VAN WAGONER

The members of the Ursinus faculty who belong to the national honorary fraternity Phi Beta Kappa constitute a club known as The Chapter since a chapter of Phi Beta Kappa has not been initiated at Ursinus yet. This faculty committee meets annually to select those seniors who they feel would be qualified to join Phi Beta Kappa. Since this honor cannot be conferred on them, those students who have shown depth and breadth of scholarship-that is, academic excellence not only in their majors but in a variety of subjects-are awarded the title of Chapter Schol-

This year's Chapter Scholars include: Kathleen Erb, biology major from Glen Riddle, Pa.; Jan Forney, physics major from Ephrata, Pa.; Deborah Henning, German major from Allentown, Pa.; Donald Hess, chemistry major attending medical school after completing junior year at Ursinus from Reading, Pa.; Christa-Irene Krohnemann, German major from Lansdale, Pa.; Pamela Miehle, German major from Media, Pa.; Linda Mills, biology major from Drexel Hill, Pa.; Gordon Ostrum, Jr., biology major attending medical school after completing junior year at Ursinus from Woodstown, N. J .: Luba Pacala, chemistry major from Bethlehem, Pa.; David Whitten, French major from Meadowbrook, Pa.; and Kathleen Young, math major from Malvern, Pa.

On May 16, the Chapter had a

Last Monday ended the 1973 Women's Lacrosse season, and the ending was anything but happy. son to West Chester, our cradling Bearettes only tied the Warriors ever that Ursinus has not come off the field with a victory against the Stroudsburg girls. It was an extremely rough game but the difference in the game was the goalie. East Stroudsburg's Cheryl Hill is a good goal keeper and played a beautiful game against Mrs. Wat-son's squad. Ursinus' goalie on the other hand, is not near as talented as Miss Hill, and that made the difference in the final score. Ursinus took many more shots than E-burg but our scoring percentage riors. Our J.V. Bearettes put on a much better performance and trampled the Warriors' second

To wrap up the season, the Varsity squad closed with a five win, two loss, one tie record. Not very good for a sport that Ursinus has dominated in the past. Ursinus has extremely talented young ladies and an excellent, knowledgeable coach and the team should have been a much stronger team. Despite the team's disappointing slate, twelve Ursinus ladies will represent the Red, Old Gold, and Black at the National Tournament this weekend in Boston. luck, ladies!

Tennis Tidbits

The 5-1 women's tennis team proved this season that the women's individual sports at Ursinus can be equally successful as its Next year's team team sports. Jim Moser, who had problems should be even more consistent and pitching this year, to say the least, stronger due to the new courts (?) and young team members. Ursinus Golf Season is Year of Underclassmen

By BOB SIMPSON

The youthful Ursinus College golf team began its 1973 season with only one familiar face returning from last year. This was the shining countenance of sophomore Scott "Hairpie" Rhoades whose able and amazing leadership inspired freshmen rookies Jack Motz, Bob Simpson, and Dave "Rag Man" Buck, as well as juniors John Lawrence and Mike Powers, and senior Bill McNamee.

tion and managed only a disappointing 15th place out of 17 teams. Bill McNamee led the Ursinus scoring but didn't place in the top ten finishers.

After this embarrassment the squad showed its first semblance of golfing greatness by losing a heartbreaker to Franklin and Marshall by only 5 strokes. They then upset Albright and Moravian with the scintillating stroking of captain Scott Rhoades. The apex of the season was the final meet when Ur-The monsoons of early March sinus missed defeating a strong

In addition to the always herald- exhibited by the sixteen teams that The freshmen from "Beardwood one" emerged victorious. They were aided by the spiking combinations of Jill Block and captain Lou Freyberger, and Joan Arizini and Karin Crandell. Also contributing with some key serves was Diane Fowler and coming through with crucial blocks was Joan Ottaviano. It was a team effort for both sides and only in the last few minutes did the Bullies come from behind to win it.

The overwhelming response and enthusiasm generated from this tournament will hopefully promote more of such activities.
