THE PRINCIPALS

FLORA McQUEEN—Making her first appearance before the Ursinus footlights, but by no means a novice, Flora, a freshman physical education major from Philadelphia, has a great deal of acting experience in radio, television and summer stock. She has studied under Bessie V. Hicks and Mae Desmond.

Flora's experience and talent will be a great asset to the Curtain Club during her next four years.

TIM COMBE—With his portrayal of Masters, Tim will be playing his first role in a Curtain Club production. This talented freshman has had considerable past acting experience. He co-starred in *Macbeth*, *Hamlet*, *Charley's Aunt*, and starred in *Cocktail Party* and *Dial M for Murder*.

Tim was a part time student in a French Dramatic Art School and also a student at the Sorbonne. At Ursinus he is an economics major and a member of the International Relations Club and the French Club.
