### DEDICATION HIGHLIGHTS...

With the big day less than a month away, all preparations have moved into the final stages. A Dedication calendar listing all events is now being printed and will be available in the next week or so...April 20-26, 1975, has been declared EDUCATION/LIVING/LEARNING WEEK by Gov. Dan Walker in a special proclamation reprinted on page 3 of FAZE 1... Three former governors of Illinois have accepted invitations to participate in Dedication ceremonies: Richard B. Ogilvie, Samuel H. Shapiro, and William G. Stratton. Due to previous commitments, they may not all be present at the same time during the day's activities...Information about former governors of Illinois will be prepared and deposited in the Time Capsule. Further suggestions on items to be included are still welcome--contact DAVE WIGHT (CCS), ext. 2341...Samplings of Dedication events planned: a "Historymobile," part of the Illinois State Historical Library's Bicentennial Heritage '76 program, will be at GSU April 21-23. "Historymobile" hours are 2:30-9p.m. This event is open to the public and sponsored by the LRC. Also planned is a Community Libraries Day, May 16. Open house for the LRC is April 21-26.

### IMPORTANT REMINDER...ACADEMIC REGALIA

Deadline for ordering rental of academic regalia is April 1. Forms are available and should be turned in at the Cashier's Office. GSU faculty and professional staff will join representatives from other universities in the Academic Processional for Dedication ceremonies.

A STEADY INCREASE...thanks to the generosity of staff and students, is registered on our Dedication thermometers again this week. Contributions are still welcome and continue to be doubled by SSAC. Send them to Office of Communications, Dedication Fund. There is also a Dedication canister at the Information Officer's desk, just inside the main doors.

VACANCIES-UNIVERSITY ASSEMBLY STANDING COMMITTEES...Although the Standing Committees have just been reconstituted, many vacancies still remain to be filled:

- Educational Policies & Programs 1 student  
1 community
- Fiscal Resources 5 students  
1 community
- Committee on Future 3 faculty  
7 students  
1 community
- Governance 3 faculty  
7 students  
2 civ. serv.  
2 support
- Human Services 6 students
- Physical Resources 1 faculty  
5 students  
1 community

Your participation is urged in order to insure representation of all constituencies on these committees. Application forms or info can be obtained from PAM MADSEN, ext. 2343.

BREAK OUT THE HOES!...The GSU garden area, behind the Dept. of Public Safety, will be plowed again this year and used for staff and student gardens. A small fee will be charged to pay for the hose and garden tools. For those who wish, plots can be assigned permanently in order to encourage fertilization of soil and other improvements. If there is enough interest, funds can be pooled to buy a roto-tiller at a cost of \$10-\$15 per plot. Since such equipment rents for about \$4-5 per hour and costs \$2-300, this purchase would represent quite a savings and convenience for GSU gardeners. The assignment of plots will be by lottery. Those interested should submit their names and phone numbers by MONDAY, APRIL 14, to LEON FENNOY (EAS), ext. 2494 or 492. Your opinions on the purchase of a roto-tiller are also requested at this time. The drawing is scheduled for April 15.

ANNOUNCEMENT LRC...An inventory of the Learning Resources Center has been scheduled. In order to accomplish this task it is necessary to have all library material physically present in the LRC. IT IS IMPERATIVE THAT ALL MATERIAL CHARGED TO FACULTY MEMBERS, STAFF MEMBERS, STUDENTS AND VISITORS BE RETURNED TO THE LEARNING RESOURCES CENTER BY APRIL 14, 1975.

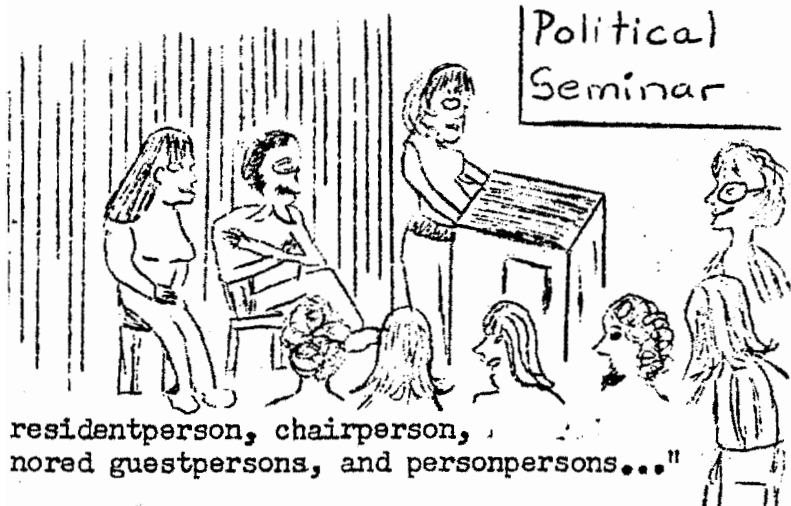

ONE-PERSON SHOW...Joan M. Evanchuk, University Professor of Design & Print-making, is having a one-man (?) art exhibit in the College of Cultural Studies Lounge, now thru April 11. There will be a "Closing Reception" on April 10, 3-6p.m. in the CS Lounge. The artist will be present. All are invited...

DEDICATION DID-YOU-KNOWS...William E. Engbretson is the "oldest" state university president...May 15, 1975, will mark Dr. Engbretson's sixth year as president of GSU, the longest tenure of any current Illinois state university leader. And...some of the GSU Dedication activities originated in a class project written years ago at GSU by Anne Swartwout, HLD student, before her graduation.

REALITY THERAPY...An all-day conference in Reality Therapy will be held at GSU on April 4. Aunt Martha's Young Service Center is sponsoring the program in the Community Conference Center. Kyle Conway, Executive Director of the Missouri Institute for Reality Therapy, will conduct the conference. Afternoon workshops featuring William Glasser's techniques will be offered. Advance fee is \$6, \$7.50 at the door. Pre-registration is advised. Call SUSAN WOODHAM, ext. 2464, for info.

A HAPPY ENDING...President Engbretson and two other university presidents narrowly escaped injury Monday night, March 24, when their car was involved in a head-on collision north of Bloomington. Dr. Leslie Malpass, president of Western Ill. U. and Mrs. Malpass, Dr. James Mullen, president of Northeastern Ill. U., and Dr. Engbretson were returning from a Legislative dinner held in Springfield. There were no injuries in either car involved.

CLOSED...The Cashier's Office and the Bookstore will be closed March 29, 1975 - the Saturday before Easter.

**STATE OF ILLINOIS**
  
 EXECUTIVE DEPARTMENT

*Proclamation*

For more than a year this large, general purpose building, first permanent structure at Governor's State University, has been serving educational needs of students in the South Chicago metropolitan and suburban areas. The building's provision for flexible arrangements, the "openness" of its classrooms and offices, are as innovative and inspiring as its modules of instruction.

The interest in and success of the faculty's non-traditional approach to teaching is indicated by the student body, which has more than quadrupled since students were assembled in temporary housing in September 1971. We are further impressed to learn that the students' average age is thirty years, that eighty-five percent have jobs and that evening enrollments exceed those for daytime classes - all evidence of the students' sincerity.

We believe that this university, dedicated to new modes of instruction in business and public service, cultural studies, environmental and applied sciences, human learning and development, and community services, is not only filling a current need but also molding our future leaders.

THEREFORE I, Dan Walker, Governor of the State of Illinois, proclaim April 20-26, 1975, EDUCATION/LIVING/LEARNING WEEK. The week will begin with dedication of Governor's State University, following which numerous events of community interest are planned at the university.

*In Witness Whereof, I have hereunto set my hand, and caused the Great Seal of the State of Illinois to be affixed.*

*Done at the Capitol in the City of Springfield,*  
 this TWENTYETH day of MARCH in the  
 Year of Our Lord, one thousand, nine hundred  
 and SEVENTY-FIVE and of the State of  
 Illinois, the one hundred, and FIFTY-SEVENTH

*Michael J. Howlett*  
 SECRETARY OF STATE

*Dan Walker*
