JUNE 26, 1972

Vol. 1, No. 38

**CHANGE IN ITINERARY FOR USO SHOW...**Hawaii will replace Taiwan when troops in the Pacific are entertained by the GSU USO show. Other points on the tour are Japan, Korea, Guam, the Philippines, and Formosa.

"Ethnic Soul '72" toured Fifth Army installations in Missouri, Kansas, Oklahoma, and Texas for two weeks in May. An Army reviewer at Ft. Leavenworth wrote: "The approximately 60 whites, blacks, CGSC allied students and kids who attended were well entertained...at the lively and thoroughly enjoyable performance by the students from Governors State College."

**OVERHEARD IN THE HALL...**"You can't judge a book by its cover so you have to take it off."...DICK VORWERK

**LRC TIME CHANGE...**During Sixth Session, the Learning Resources Center will be open at 8:00 a.m. rather than 8:30 a.m. That's so the early birds can read up on how to catch worms?

**NEW DEADLINE...**FAZE I material must be submitted to the Office of Communications by the end of the day, Wednesday, for inclusion in the next week's issue.

**OPERATION SEARCH II...**Because of its initial success, BURT COLLINS of Coop. Ed. is running a second seminar for all GSU graduates Wednesday, June 28, 5-7 p.m. in the North Rotunda. He'll provide info on how to write a resume, cover letter, and handle interviews for prospective jobs.

**IS THERE REALLY A JULY 4?...**The Personnel Office has revised the schedule to coincide with that of the Federal government and other Board of Governors institutions, so the Independence Day holiday will be:

TUESDAY, JULY 4, 1972

You can't tell a holiday without a calendar. Monday, July 3 will be a regular work day, but have a great Fourth!

**CERTIFICATION APPROVED...**The Illinois State Teacher Certification Board has granted full approval to the elementary urban teacher education program and business urban teacher education program. This approval of the GSU program is the first in Illinois in which program completion is based upon achieving competencies as a teacher rather than the completion of courses.

Dr. Vito C. Bianco of Springfield, Secretary of the State Certification Board, said: "It is the hope of the Board that more innovative teacher education programs, such as yours, will be encouraged and developed throughout Illinois...Again, I wish to congratulate you and your staff for developing a truly innovative and much needed approach to teacher education."

**DETECTIVE AT WORK...**Observed in LRC was TED ANDREWS, perfecting a unique system of distinguishing real flowers from the artificial variety.
