JAMES R. THOMPSON

Governors State University is proud to recognize your distinguished accomplishments and performance: first as a citizen-statesman for your farsighted and intellectual leadership on diverse commissions and task forces including--violent crime, teen pregnancy, infant mortality, global climate change, and then chairman of the President's Intelligence Oversight Board; secondly, as a skillful and dedicated prosecutor who carried out your responsibilities with zeal and determination within the framework of our system of law; thirdly, as the efficient and progressive Governor of the great State of Illinois whose citizens honored you by electing you to an unprecedented four consecutive terms; and, finally, for your dignity, fidelity, and unselfish devotion to the public good.

We are delighted to honor you with our highest award, the Doctorate of Humane Letters.
