STUDENTS!!!! CHECK OUT THE STRESS FREE STUDY ZONE.....

Students, are you looking for a place to destress and take time to study at the same time? Check out the Stress Free Study Zone on the Library Balcony. Available while the library is open, you can find games, puzzles, coloring, a text book exchange, ongoing book sale, and much, much more on the library balcony.

“As we begin the new school year, we want to welcome all students back to GSU and invite them to visit their GSU Library,” said Lydia Morrow Ruetten, Dean of the GSU Library. “We want all in the GSU community to think of the library as the living room of the University,” she said.

There is something for everyone here at the library including staff and faculty who can help with your research needs, group study rooms, quiet study areas, The Skylight Gallery in the Library, instant messaging, and much more. Students can access the library either in person or on line at www.govst.edu/library.

Remember, Your GSU Library is Your Research Resource 24/7
