**EDITORIAL**

Can we afford to wait for better, more adequate police protection in Wood Hill?

Within the last month there have been a number of incidents that demonstrate the need for truly local protection and patrol.

A motorist went off the road on Western Avenue and somehow had to make his way to a house to seek help in the early hours of the morning. Had there been a patrol, his plight might have been known sooner and the period of severe cold he suffered could have been lessened.

There have been a number of near misses between cars and children within Wood Hill. Reports say that speed limits have been exceeded in many of these incidents.

A stolen car was found in the ditch on Western Avenue.

The Sands was broken into on March the 21. Joe Sands tells us he called the Sheriff's Department to report this shortly before noon. It was about 4:00 p.m. before an investigation could be made.

In past issues, the HERALD has told of the problems involved in the appointment of Deputies. The Police Training Group has explored numerous avenues seeking ways to provide protection.

Most recently, Joe Sands visited the Sheriff. He was told (and in turn told the HERALD) that Sheriff Trizna is aware of our problem and is willing to do what he can to help Wood Hill. He restated his problem (the number of deputies he may appoint is limited). He emphasized that with cooperation of the residents of Wood Hill, it might be possible to arrange something better than what we have now.

The HERALD proposes-- Let us, through the Home Owners Association, sit down with the Sheriff and be sure we completely understand his problem. If, as many think, our lack of protection stems from a political squeeze play, let us find out and then, again, working as a complete group of voters do something constructive about it.

"Our Community is too Young to dissolve something".

WOOD HILL HOME OWNERS ASSOCIATION  
R.I.P.

What happened to the high hopes, int-  
just plain fun generated by the "A weak organization is no or-  
-here along the line we got -tracked. Instead of wond-  
could help one another, we started to wonder "What el-  
"Who said we were going to dis- ing  
solve the Home Owners?" - their fellow - host-

These were only some of the comments made at the February meeting of the Wood Hill Home Owners Association. And, yes, the Association will continue. A motion resolving this was passed without any dissenting votes.

The meeting itself set a record for brevity and accomplishments. Starting at 7:15 in a warm meeting hall, it adjourned at 9:00. The coffee period (courtesy of the Fire Department) lasted much longer. However, in those 45 minutes it was decided to keep the organization alive, to reduce dues to \$5.00/year, appoint a nomination committee, listen to the Treasurers report (there is \$126 in Treasury), and take care of a number of other odds and ends.

Appointed to the Nominating Committee by Bill Nesper now President of the group was Dean Grant, Chair.; Mike O'Connell; Chuck Taft; Case Timmer; Norm Hawkins; Alis Ellis; John Pomeranski; Don Schwiesow; Barbara Scroggin; Tom Wilkins.

The election will be held at the March meeting, Tuesday, March 26 at the Community Building.

And, at the end of the meeting, a heart felt statement was made by one member, "Let's forget about politics".

Fifteen residents of Wood Hill will be recommended by the nominating Committee for offices in the Home Owners' Association.

Nominations may also be made by the membership from the floor at the election to be held March 26 at the Community Building.

Offices listed with each indicates the positions for which each is recommended by the committee (P for Pres.; VP, Vice-P; S, Sec.; T, Treas.; D, Director):

There are sure signs of spring in Wood Hill. At least six kids have been stuck in the mud and required rescuing by a Fire Department member....first one kid got stuck, a friend went to get him out, another friend went to get him out, and----.

The quota of kites stuck on TV antennas has not been reached as yet, but we're off to a good beginning. DON'T FORGER, keep kites away from power lines.

The "low trick" we told about in the last HERALD (outside Girl Scouts selling cookies before our girls could go our) has been resolved. Wood Hill's Troop will deliver all cookies here & will get the credit, too.

It is understood that one of the Bowling Teams (defeated two out of three by their arch rivals) is screaming "FOUL--DIRTY POOL!". The winners brought their wives to watch and to act as a cheering section. The other team says the wives "Shook 'em up".

Thursday, March 14, 1963, seemed to be "Crime Day" in Wood Hill.

When Joe Sands opened his store on Exchange just before noon, he found that someone had gained entrance through a back window. He estimated his loss at about \$200.

Later that afternoon as Donna Stocking was "delivering" kids from school, she saw a car she recognized as having been stolen earlier from South Chicago Heights. It was in the ditch on Western Avenue, just North of Landau. Donna (who works with the Park Forest Police Department) had earlier broadcast descriptions of the car.

## EDITORIAL

The days of the Good Samaritan are definitely not gone, at least in the area surrounding Wood Hill. When Bob Dowd (Samson Circle) was injured in a car accident, the John Renzoni's on Western Avenue opened the doors of their home at about 4:00 in the morning, brought him (a stranger) in and gave him aid until the Wood Hill Fire Department arrived.

Dogs running loose can cost their owners money and considerable inconvenience under the new Monee Township Ordinance #283. Entitled "Control of Dogs", it specifies that dogs running loose (off the owners property may be impounded and a fine of \$10 to \$25 may be assessed.

Frank Fouts has moved from Associate member of the Fire Department, to regular member. Incidentally Chief Black has advised that there are two openings on the Department. Anyone who is interested is invited down to the station on Monday Evenings to participate in drill sessions. There are also several openings on the Junion Fire Department for males between the ages of 16 and 18. Juniors train, work and fight fires right along with the regular department.

Professional medical service has moved closer to Wood Hill with the opening of the new Medical & Dental Center at 23450 Western Avenue.

There are presently 18 medical and dental suites in the center. Provision has been made to add more should the need arise. Also included in services offered are X-Ray and Clinical Laboratories. There is an Emergency Entrance and parking space for 200 cars.

We take pride in announcing the opening of our new, up-to-date pharmacy, which we hope to make a real asset to the community. The store is completely equipped and modern in every detail. Our entire effort is devoted to giving you the best possible service. Experienced registered pharmacists are in charge of the prescription department, which is well stocked with antibiotics, pharmaceuticals, chemicals, and special products. No matter what your physician orders, we can fill your prescription. For your convenience, we also maintain a large selection of prescription accessories and sickroom supplies.

You are invited to stop in and get acquainted. We are eager to demonstrate our service and greatly esteem the privilege of assisting you.

Wood Hill HERALD, March 1963 =Page six=

In addition to the Pharmacy there is a Surgeon, a Neuro-Surgeon, a Dentist, an Obstetrician and Gynecologist, a Radiologist, practitioners of Internal Medicine and (what else so near Wood Hill) Pediatricians.

"Writing books for children is as, if not more, demanding than the writing of books for adults",

says Mrs. Alice Sankey (center). She is shown with Marge Mann of 512 Hickok and Dorothy Roberts, (left) Librarian at Monee. Mrs. Sankey told the Monee PTA about writing for children at the March meeting.

Books she has written include "Hank the Happy Handcar", "Petunia the Pelican", "Jack of Trades", "Buzzy Beaver", "Tuffy the Tugboat" and "Tommy and Timmy".

The Monee P.T.A. elected the following officers at the March 14th meeting: Mrs. Durl Loy, Pres.; Mrs. Arthur Montigney, 1st V.P. (Program); Mrs. Eldon Shaul, 2nd V.P. (Hospitality), Mrs. Warren Dralle Sec.; Mrs. Vernon Diercks, Treas.

The April 11th meeting's program will be a musical program by Monee Students.

Confusing, isn't it?

Report from the Fire Auxiliary's Bake Sale is good, good, good. The yummys were very well received. A good sale is consummated when the buyer feels he has made a good buy, and the seller feels he has made a reasonable profit. So, the first sentence.

The girls have a simple request to make of us. If you use Betty Crocker cake mixes or General Mills Cereals and throw away the whole box, please take a second and tear off the silverware coupon and give it to any member of the Auxiliary. It isn't easy to eat a jello salad with fingers.

The Fire Department continues its training as shown here. The Department drills every Monday night. Visitors are welcome.

The Second Annual Spring Music Festival was presented by Crete-Monee Unit 201-U Schools, Saturday night, March 9th. The children and teachers had their first combined rehearsal the afternoon before the performance. It is a feather in the caps of the students and teachers that the performance was smooth and beautiful. It is not an easy task to mold choruses from six schools

and the Cadet Band and High School Band ( a total of 670) into any semblance of order. It was done, and beautifully.

The high spots of the program differed with each individual in the audience. It all depended on where a "special somebody" sang or played. Audiences are human too. Every man, woman, and child in the building, left with the somber exhilaration generated by 670 children performing "The Battle Hymn of the Republic"

Pictured above are scenes at a Fire Department Drill. Drills are held every Monday night.
