This Finding Aid is brought to you for free and open access by the Louise Pettus Archives and Special Collections at Digital Commons @ Winthrop University. It has been accepted for inclusion in Manuscript Collection by an authorized administrator of Digital Commons @ Winthrop University. For more information, please contact bramed@winthrop.edu.

The background is a faded, sepia-toned photograph of a large, multi-story brick building, likely a university building. The building features a prominent central tower with a dome and a clock face. In the foreground, there is a large fountain with a tall, narrow water column. Several vintage cars are parked in front of the building. The overall image has a historical and archival feel.

ALFRED D. GILCHRIST ARCHITECTURAL DRAWINGS

I

The Architectural Drawings of Alfred D. Gilchrist were deposited with the Winthrop University Archives in June 2003.

Linear Feet: approx. 36.00
Approximate Number of Pieces: 1278

Restrictions: Ownership of the materials remains with Alfred D. Gilchrist, II. The collection shall be open for research under the conditions as determined by the Director of Archives and Special Collections at Winthrop University.

Literary Rights: For information concerning literary rights please contact the Louise Pettus Archives & Special Collections at Winthrop University.

Scope and Content: **The collection consists of architectural drawings and other related items of Alfred D. Gilchrist. Gilchrist predominately operated in South Carolina and North Carolina from 1913 to 1940. He started working in Rock Hill, SC as the manager of the Rock Hill office of Hook and Rogers, Architects in 1913 and by 1920, he opened his own office in Rock Hill which he maintained through 1940. The collection also includes the Architect Certificate awarded to Alfred Gilchrist by the South Carolina State Board of Architectural Examiners (located in oversize Drawer 1, Folder 1).**

The drawings consist of homes, public buildings (*i.e.* schools, city government buildings, etc.), and private businesses that were mainly located in York County (SC) and Chester County (SC). Some of Mr. Gilchrist's architectural drawings were done in other cities/locations including: Blackstock, (SC), Darlington (SC), Dillon (SC), Gaffney (SC), Kershaw (SC), Lancaster (SC), Liberty Hill (SC), Mullins (SC), Morganton (NC), Shelby (NC), Winnsboro (SC), Winston-Salem (NC).

Transfer of Items: All architectural drawings are located in the oversized map cases labeled: “Alfred Gilchrist Architectural Drawings, Acc. 1103.”

BIOGRAPHICAL INFORMATION

ALFRED D. GILCHRIST

Alfred D. Gilchrist was active as an architect between 1913 and 1940. He was working as the manager of the Rock Hill, S.C. office of Hook and Rogers, Architects in 1913. By 1920, he had opened an office of his own and maintained this office through 1940. He designed buildings in many places in South and North Carolina but primarily in York, Chester, Lancaster, and Fairfield Counties in South Carolina. His designs include schools, churches, municipal buildings, residences, and remodeling projects. He died in 1944.
