THE PRIMARY ELECTION

The mass meeting of citizens at the art house on Tuesday night ordered primary election for the 22nd after printing a city democratic club, adopting by-laws, and electing an executive committee, as is told in another column in this issue.

As stated in The Lantern editorial in the call of the citizens no candidate or faction was favored. This, as is simply to have the white vote of Chester select their nominee at primary just as we do for the county and state offices. The name of every white voter in the city will be placed on the club rolls and be permitted to vote in the election on the 22nd. All who vote will take an oath to support a nominee and vote for him in the election on the 22nd.

We believe in the primary system.

It every citizen records his wish.

It is far better than the convention plan and gets nearer to the voice of the people. The choice of the white voters on the 22nd will be supported by The Lantern.

That Highland jury which cleared Birmingham has placed the York jury which Judge Meninger dismissed today on background.

We are still in favor of a downward revision of the city license bill. Ask the candidates how they stand on it.

"Knox Fired Crane" is a headline in one of the daily papers referring to the dismissal of Minister Crane by Secretary of State Knox. And from the way he howled he must have been hit too.

And what could a Crane do in China anyway? Better give them Payne.

We urge upon all democrats to join the city club and participate in the primary on the 22nd. Let all the white democratic voters stand together. Cast your ballot for whomsoever you wish to support the nominee at the election on the 22nd.

SOME OTHERS

Newberry is to have an election shortly for mayor and the candidates are announcing themselves 'subject to the action of the democratic primary.' Winston has had the primary for years as has Union, Greenville and scores of others.

Thus Chester is late falling in line. But now 'tis the accepted time.

We urge all the democrats to participate in the primary on the 22nd for mayor. Vote for the man of your choice and then support the nominee at the election on the 22nd.

We noticed a fine lot of turnips the other day but for fear of stirring up those old "yarns" from Lancaester we will refrain from giving the location at the election on the 22nd.

Peary has issued his statement against Cook alleging that the latter never reached the north pole. Now as a matter of fact did either get there?

The motion of Mr. A. L. Gaston, adopted at the mass meeting on Tuesday night calls for a meeting of the citizens at the opera house on Tuesday night at eight o'clock to listen to addresses from the candidates.

All who wish to enter the race for mayor in the democratic primary will have to file their pledge with the chairman, Mr. J. M. Wise, by Monday at noon. Don't forget this.

A list has been made of 11 the democratic voters of the city and they have been placed on the club rolls. But it is possible that someone might have been overlooked and hence we urge you to see either Chairman J. M. Wise, Mr. I. Melh Hood or anyone on the committee. We want the name of every white voter in the city on this roll and want it complete as possible.

Another Good Woman Gone.

Mrs. J. A. Huggins, of Richburg died last night at her home after a brief illness. The funeral services were held today by her pastor, the Rev. W. S. Martin, and the remains laid to rest at Richburg. She is survived by her husband and the following children: Messrs. C. W. Huggins of this city, Ed Huggins, of Lancaester, Mrs. H. Hindman, of this city, and Mrs. Ben Bagley, of Richburg.

Mrs. Huggins was a native of North Carolina but for the past twenty years she and her husband have made their home at Richburg. Mr. Huggins being the valuable section master of the L & C. at that place. The deceased was a loyal and devoted member of the Methodist church and an exemplary Christian woman, wife and mother. Her entrance is evidenced in the fact that she was a member of the church and her husband and children have the sympathy of a wide circle of friends.

Southern Rail Change Schedule.

A persistent rumor is going the rounds that the Southern railroad will change the schedule on the Charlotte-Columbia branch early in November. This is the line which passes here and hence any contemplated change will interest the Chester people.

Report has it that Nos. 33 and 34, which were taken off about two years ago, will be put back on. It is also stated that No. 30, now due here at 9:40 at night will run north in the morning on the present schedule of No. 36 due here at 7:50 a. m. and that Nos. 38 and 39 will be taken off. It is said that No. 33 will pass south about 10 a. m. and No. 34 come north about 8 p. m. Of course these would probably both be through trains from the north to Florida but they would in all probability work local.

It is said also that the Charlotte "swing" will be restored. This was formerly a combination freight and passenger train plying between here and Charlotte and many would like to see it restored.

The above changes, if made, will likely occur in November for the Southern to get ready for its winter travel. Nothing authentic is known of all this but reports of such changes are persistent and in fact several of the railroad people have hinted at it. It is in the air and just where the information leaked out or originated does not matter. It is very evident that some sort of changes in the schedules are in contemplation.

EXECUTIVE COMMITTEE MET.

All Candidates Must File Pledges by Next Monday at Noon—The Speaking to be Held in the Opera House.

The executive committee of the new democratic club met in the office of the chairman, Mr. J. M. Wise, on Wednesday afternoon. Present, the chairman and Messrs. J. T. Bigham, E. A. Crawford, Z. V. Davidson, W. J. Irwin and W. F. Caldwell.

The first thing that came up was the matter of the apportioning of the cost among the candidates. On motion this was left to the chairman.

On motion the place of the meeting next Tuesday night when the candidates are to address the voters was fixed at the opera house, the hour being 8 o'clock.

The matter of arranging the ticket for the primary was left with the chairman, as was also the appointing of managers for the primary.

The chairman stated that he was going to ask Mr. E. H. Hardin and Mr. J. S. Booth to appoint one each to the committee on enrollment and let them two select the third. The matter of getting the names of every white voter in the city on the club rolls will be pursued by this committee.

The committee adjourned to meet again at the call of the chairman.

An Appreciated Recognition.

Mr. A. L. Gaston, the widely known and popular president of the Commercial club, is the recipient of an invitation from the city of Charleston to attend the banquet which will be tendered President Taft on Friday evening, Nov. 4th, at 8 o'clock, at the Charleston Hotel. This is a compliment both to Mr. Gaston and the Commercial Club and shows how the club and its president are recognized over the country. It is hoped that Mr. Gaston will be able to attend and represent Chester on this occasion and it is possible that he will do so if he can find time. Chester's Commercial Club is being recognized over the country and it is fortunate to have at its head a man of the standing and wide acquaintance of Mr. Gaston. Invitations to this banquet are hard to obtain and on this reason is all the more appreciated.

Club List About Completed.

Work on fixing the names of democratic voters for the primary on the 22nd is being pushed and names are fast being turned in. That the primary plan is overwhelmingly popular is evidenced by the numbers who are wanting their names on the list. Voters are asked to see either the chairman or any of the committee if they are not certain that their name is not already on the list.

News of the Day.

Becoming suddenly demented Mr. W. S. Wise, near Lincolnton, N. C., yesterday morning chopped off the head of his father-in-law, Mr. Joe Holtman, and then barricaded himself in his house fired it over his head, being burnt up in the flames.

Col. R. L. Abernethy, a prominent citizen of Gaston County, N. C., became enraged at his son yesterday morning and started his son pulling a pistol and fired three times. The shots went wild and the son grasped with his father. In the melee the pistol was discharged and Col. Abernethy was instantly killed. The coroner's jury exonerated the son.

A wind and rain storm struck the central south yesterday inflicting great damage in several quarters.

OPERA HOUSE

"HUMAN HEARTS."

"Human Hearts" the melodramatic success announced at the Opera House Wednesday, Oct. 20th, appeals to every class of play-goer. It deals with a story that touches the heart's interest from beginning to end. Tom Logan, an honest young blacksmith in the Arkansas hills, falls in love with and marries a refined confidence woman. The dull country life soon palls on her. She accidentally meets her former lover and "pal" without any just cause they conspire together to ruin Tom and kill him if necessary. The woman calls him while he accomplishes conceals himself. The father of Tom responds and is mistaken for the young blacksmith. He is finally stabbed by the ambitious man. Tom, coming out to see where his father is, is accused by the adventurous and her "pal" of the murder. He is finally sentenced on that charge. But his friends ultimately establish his innocence and he is released. Betrayal overtakes his villainous and murderous accusers. No play of its kind possesses a stronger plot or more sensational incidents. The serious element is mingled with comedy, forming a combination that never fails to touch a responsive chord in the hearts of play-goers.

Paroled; Hurdled in River.

Athens, Ga., Oct. 4.—Wheeled down with a 60 pound rock, the body of Vonderau Kennon, a well known young man, who disappeared from home on September 25, was found in the Coconee river, half a mile below Cemetery bridge today.

There is no clue that would lead to the young man's assailant, although the officials are at work on certain reports that would indicate the young man met a violent death.

Kennon left his home on September 25 on his way to Atlanta to undergo treatment by an eye specialist in that city. He was last seen in Athens upon the depot of the Central of Georgia railway.

The news learned that his son had never reached Atlanta and immediately began search. The river was blooded today and the body found a few hours later.

A little girl, whose brother had died when small, asked her mother if she didn't think he would rather have stayed on earth so he could have played with her.

"Well, then you ask him," replied the mother. "I'll ask him." "I'll ask him," replied the mother.

Four Persons Burn to Death. Nashville, Tenn., Oct. 4.—In connection with a fire in which four persons were burned to death, two negroes were arrested on suspicion.

The fire broke out while occupants of the house were asleep. So great a headway it gained, when discovered, and so intense was the excitement caused by the horrified screams of women that no organized attempt at rescue was made until after four of the fire companies arrived on the scene.

The negroes arrested were Jim Butler and George Harrison, who had been hanging about the building. They were known to have had trouble with J. A. Thoms, a grocer, who occupied the ground floor.
