Gentlemen:

A meeting has been established for the Architectural Selection Committee to negotiate with the firm of Woods and Starr for a fee for the design of the above referenced project. The meeting has been established for 2:30 p.m. on Wednesday, June 8th. The session will be held in my office on the 12th Floor, State Office Building.

Mr. Bibb and I will be in a staff meeting in his office until 2:30 and may be just a few minutes late but I do not think the negotiating session will take more than an hour.

Each of you has received a copy of the revised program which has been revised in accordance with the instructions of the 1977 legislature. Both the budget and the floor area of the building have been reduced without reducing the elements contained in the various functions of the program.

Yours truly,

Louis J. Krueger
Director
