Dr. G.W. Tomanek, President
Fort Hays State University
Hays, Kansas 67601

Dear Dr. Tomanek:

Thank you for your letter of October 6, 1981. Needless to say both Lois and I were glad we were able to be present for the dedication and to participate in the other activities of the Homecoming. The new building is all that anyone could hope for and a fine tribute to my father, a man who dedicated his professional life to the education of the youth of Western Kansas and to Fort Hays State University. Your tribute to my father at the dedication ceremony was excellent. Both my sister and I would like to have a copy of it if one is available.

In closing let me say how impressed I was with the campus and the developments that have taken place there in recent years. This says much for your administration and the support that you have been able to generate since you assumed the presidency.

Sincerely,

G. Lawrence Rarick
