Gentlemen:

At a meeting held yesterday afternoon the Architectural Selection Committee voted to select the firm of Woods and Starr to negotiate for services on the above referenced job.

The Committee discussed the merits of each firm for some considerable length of time and after much deliberation made their decision. We regret that all three firms could not be selected to do the work.

We certainly appreciate all of the effort and time you put forth to present your credentials to the Committee. We thank you for participating in the state selection system and we will keep your records on file for future job reference.

Yours truly,

Louis J. Krueger
Director
