Fort Hays State University

1986

At this Holiday Season many things come to mind — friendship, goodwill, shared memories and thoughtfulness. Appreciation fills my heart for having been fortunate enough to be part of Fort Hays State University all these years and having you as special friends.

My one big dream before retirement is the completion of funding for the renovation of Sheridan Coliseum into a performing arts and student services center. It is close to reality — only the sponsorship of 850 seats stands between us and our goal.

Your sponsorship of a seat will make a difference. I sincerely hope that you will join with me and hundreds of others who are dedicated to saving this historic landmark. What better time of year to remember your family or a loved one with a gift that will endure for generations. Your dividend in personal satisfaction will be great. Please send your gift today in the enclosed postage paid envelope. Your gift is tax deductible.

May 1987 bring great joy to you and yours.
