#### ANNOUNCEMENTS

##### Support Charlottesville #DearYoungPerson Postcard Campaign

On August 11 & 12, 2017, Charlottesville was the site of an awful demonstration of hate. We ask you to join us in supporting the #DearYoungPerson Maxient postcard campaign. Stop by our table in front of the cafeteria in McMIndes Hall tomorrow, September 7, between 11:00 AM – 1:30 PM, to create a postcard. Can't stop by? Email our department at [diversity@fhsu.edu](mailto:diversity@fhsu.edu) with the number of postcards you want and we will drop them off and pick them up. We will send all postcards to Charlottesville on Monday, September 11.

**We hope the entire Tiger community will write or decorate a postcard with words of love and encouragement for the youth of Charlottesville.**

For more information contact [Taylor Kriley](#), Director of Inclusion & Diversity Excellence, (785)628-4276.

##### Updates to the Tomanek Hall Testing Center

TILT (Teaching Innovation and Learning Technologies) now has responsibility for processing the test scanning (Scantron) results; previously done through Technology Services. The scanner, along with a computer that reads the results and provides reports, has been relocated to Tomanek 161. While we will continue to provide a drop-off service, we have put together a DIY option for those who wish to expedite the scanning process. We are also hiring a student worker to provide specific hours when we can provide faster turnaround for scanned test results.

If you are interested in learning how to scan and run your own test sheets we will be happy to take you through the steps of the process. Once you know the simple routine it usually takes 5-10 minutes to get your test results each time you administer an exam. You will have access to the equipment during our office hours: **8:00am – 4:30pm**. You can email results to yourself, save them to your shared drive, store them on a jump drive, or print them here.

Alternatively, you can leave them with us for batch processing and results will be available the next day (This is the same as the original process).

Finally, once we have our student worker in place, we will send a notification on times he/she will be available to provide quicker response time.

If you have any questions, please contact [Nathan Riedel](mailto:nriedel@fhsu.edu): [nriedel@fhsu.edu](mailto:nriedel@fhsu.edu).

### Fall Adjunct Training Classes

**Adjunct Faculty: Interested in some training, as well as a raise in pay (if eligible)?**

In Fall 2017, we will again be offering our two training classes for VC adjuncts:

- **Foundations of Online Teaching:** for new adjuncts (as determined by your chair)
- **Advanced Concepts in Online Teaching:** for adjuncts with a bit of experience (as determined by your chair)

**Both of these shells will open on September 4 and close on October 16. Faculty are welcome to complete the requirements at their own pace, as long as they complete the course by October 16.**

Both courses offer, as compensation for completion, a promotion to the next level of adjunct pay (\$200/three-hour class increase). This pay increase takes effect the semester after completion. However, an adjunct who completes the Foundations course must wait a year before taking the Advanced course. In other words, if you complete the **Foundations** course in

Summer 2017, you would eligible to take the **Advanced** course in Summer 2018. Also, the adjunct salary cap remains in effect. So, if you are currently capped on pay, you are welcome to take a training class, but will not be eligible for an increase.

Additionally, the courses are somewhat customizable, comprised of both required modules and elective modules, so that you can choose the content that best fits your training needs. **This fall's sections include modules on Anticipatory Sets (new as of Summer 2017) and Writing Sound Test Questions (new as of Fall 2017).**

**Chair approval is required for either course. To enroll in either course, please ask your department chair to email Nicole Frank at [nmfrank@fhsu.edu](mailto:nmfrank@fhsu.edu) and request that you be added to the appropriate class.**

### Novels 4 Hope

Diversity Book Club is a dynamic book club bringing students, faculty, and staff together to explore current social justice issues & diversity topics.

The Office of Inclusion and Diversity Excellence will be hosting the club in reading four books throughout the year. The book selection is a mixture of fiction & non-fiction literature to appeal to a variety of demographics.

The following is this year's book selection and when they will be read: **Density of Souls** (September & October), **Same Kind of Different as Me** (October & November), **The New Jim Crow** (January & February) and **HISPANIC** (March & April).

You can participate in one, two, three, or all four readings throughout the year. Being a part of the club does not mean you have to join us for every novel.

The first 30 people to sign-up will receive a free copy of the novel and a diversity cup. We will send an email confirmation with more information once you register. Our purpose for Novels 4 Hope is to keep conversation continuous on campus amongst students, faculty, & staff on issues of race, religion, ethnicity, sexuality, and gender.

Sign up for Novels 4 Hope can be found on [Tiger Link](#) and email [diversity@fhsu.edu](mailto:diversity@fhsu.edu) if you have any questions.
