

M. H. CLEMENTS.

FEBRUARY 7, 1884.—Committed to the Committee of the Whole House and ordered to be printed.

Mr. MORRILL, from the Committee on Invalid Pensions, submitted the following

REPORT:

[To accompany bill H. R. 570.]

*The Committee on Invalid Pensions, to whom was referred the bill (H. R. 570) granting a pension to M. H. Clements, submit the following report:*

We find that M. H. Clements was enrolled on the 3d day of September, 1874, by the governor of Kansas, and on the 23d day of December, 1874, was mustered into the Kansas State militia as private, and ordered at once into active service to repel an Indian invasion. On the 8th day of January, 1875, while the command was in active service, said Clement, with others, was ordered to Hutchinson, Kans., for supplies. On the way they were overtaken by a severe snow storm, and Clement was so badly frozen as to render necessary the amputation of both legs above the ankle joint. These facts are established by ample and reliable evidence, and your committee would therefore respectfully recommend the passage of this bill.
