

AHSS Scholarship and Dominican Scholar – Slide Notes

Slide 1: Title

Slide 2: Access

- Part of Dominican Scholar's mission is to provide greater access to faculty scholarship
- Not everyone can afford access to journals
- Not everyone can attend a conference presentation

Slide 3: Your Work is Ephemeral

- Dominican Scholar provides a more permanent home for faculty scholarship
- Conference presentations go away after the conference is done
- Journals go out of business.
- Older print articles are getting more difficult to access

Slide 4: Larger Audience

- Map showing download of AHSS scholarship including:
 - Faculty work
 - Masters theses
 - Undergraduate theses
 - More
- Dominican Scholar provides for a larger audience

Slide 5: Conference and Publishing Invites

- Anecdotal information about faculty currently with work in Scholar receiving an increase in contacts for publishing and speaking opportunities

Slide 6: Collaboration Opportunities

- Posting faculty work on Scholar provides an opportunity to break down campus siloes to see what others are publishing
- The more like-minded scholars see faculty publications, there is an increase in collaboration opportunities

Slide 7: Metrics

- If faculty include their work in Scholar, they'll receive download counts

- They will have access to an author dashboard with information about number of downloads, by which institutions and where

Slide 8: What Does AHSS Have in Dominican Scholar?

- Summary of current holding from AHSS faculty and students

Slide 9: 1 Favor to ask of you...

- Continued on Slide 10

Slide 10: Please hold on to your...

- A request to AHSS faculty to hold on to their publications, slides and posters

Slide 11: Why not? What are the barriers?

- Ask the faculty what are their barriers to including work in Dominican Scholar

Slide 12: Examples from other Institutions

- A couple examples of interesting projects from other institutions

Slide 13: "Questions"

- Provide time for questions and comments
