## Collection Summary

### *Identifier*

UA 53.21

### *Title*

F. Robert Gartner Papers

### *Creator*

F. Robert Gartner

### *Dates*

1919-2007

### *Extent*

14 linear feet -- 14 records center boxes, photographs, electronic records, sound recording

### *Language*

English

### *Repository*

South Dakota State University Archives and Special Collections, Hilton M. Briggs Library, Brookings, South Dakota.

### *Access note*

This collection is stored off-site. Requests to view this material must be made at least 24 hours in advance. This collection is open to researchers without restrictions. The materials in the Archives do not circulate and may be used in-house only.

### *Preferred Citation*

Name of item. F. Robert Gartner Papers. UA 53.21. South Dakota State University Archives and Special Collections, Hilton M .Briggs Library, Brookings, South Dakota.

### *Abstract*

This collection is composed of materials created by F. Robert Gartner in relation to his research on range management and prescribed burning, activities, presentations, and writings.

## **Biographical Note**

### *Education*

B.S. Range Science, University of Wyoming, Laramie (1950)

M.S. Range Science, University of California, Berkeley (1956)

Ph.D. Range Science, University of Wyoming, Laramie (1967)

### *Work history*

Regional Coordinator, Society for Range Management and Old West Regional Commission range resource program (1975-)

Associate professor, Range Science, Department of Animal Science, South Dakota State University, Agricultural Research & Extension Center, Rapid City, South Dakota (1969-1975)

Chairman, Division of General Education, National College of Business, Rapid City, South Dakota (1968-1969)

Associate Professor, Range Science, Colorado State University, Fort Collins, Colorado (1967-1968)

Research Assistant, Plant Science Division, University of Wyoming, Laramie, Wyoming (1967 June-September)

Assistant Professor, Range Management, South Dakota State University, Brookings, South Dakota (1956-1964)

Junior Specialist (research) Experiment Station School of Forestry, University of California, Berkeley, California (1954-1955)

U.S. Army (1952-1954)

Veterans Instructor, Agriculture, Newcastle, Wyoming (1950-1952)

## *Organizations*

Life member, Society for Range Management, Director (1972-1975)

Vice-president, South Dakota Section of Society for Range Management (1962)

President, South Dakota Section of Society for Range Management (1963)

Newsletter Editor, South Dakota Section of Society for Range Management (1970-)

Alpha Zeta (1949)

Chi Gamma Iota (1966)

Gamma Sigma Delta (1965)

Sigma Xi (1965)

Fields of research competence: plant ecology, fire ecology, range plant physiology, range soils, range improvement and management

## **Arrangement**

This collection is arranged into seven series:

Series 1. Activities

Series 2. Presentations

Series 3. Research

Series 4. Writings

Series 5. Photographic images

Series 6. Collected publications—indexed

Series 7. Collected publications—not indexed.

The folders for the first four series (Activities, Presentations, Research, and Writings) are arranged alphabetical order. The folders for the Photographic images are also arranged in alphabetical order, with the images removed from the collection for preservation purposes.

The Collected publications are composed of articles from scholarly journals. Most are either tear sheets or reprints, with some being photocopies. The indexed collected publications include author and subject index cards. Each

article was assigned a reference number by Gartner. This material is arranged by the reference number. The collection also included publications that were not indexed. This material is arranged alphabetically by title.

## **Contents Note**

This collection is composed of materials created by F. Robert Gartner in relation to his research, activities, presentations, and writings. Gartner's research is composed of material related to range management such as, prescribed burning mechanical treatments, chemical applications, wildlife, livestock, and erosion; and studies on various ranches in the Black Hills area of South Dakota. Also included are publications collected by Gartner in relation to his research. Researchers will also find a large amount of photographic images related to Gartner's research which consists of slides, photographs and negatives.

## **Key Words**

Gartner, F. Robert

Interseeding

Prescribed burning

Range improvement studies

Range management

## **Administrative Information**

### *Conditions Governing Access*

This collection is open to researchers without restrictions. The materials in the Archives do not circulate and may be used in-house only.

Researchers conducting extensive research are asked to make an advance appointment to access archival material. Please call or e-mail prior to visiting the collection and indicate as much detail as possible about a particular topic and intended use.

South Dakota State University supports access to the materials, published and unpublished, in its collections. Nonetheless, access to some items may be restricted as a result of their fragile condition or by contractual agreements with donors.

### *Copyright note*

Copyright restrictions apply in different ways to different materials. Many of the documents and other historical materials in the Archives are in the public domain and may be reproduced and used in any way. There are other materials in the Archive carrying a copyright interest and must be used according to the provisions of Title 17 of the U.S. Code. The Archive issues a warning concerning copyright restrictions to every researcher who requests copies of documents. Although the copyright law is under constant redefinition in the courts, it is ultimately the responsibility of the researcher to properly use copyrighted material.
