Black Hills Knowledge Network

South Dakota State
Demography Conference
May 23

- The Black Hills Knowledge Network connects people to ideas and local information to strengthen our community
- <http://blackhillsknowledgenetwork.org/>
(Home Page)

Our first focus:

Demographics & Population

- <http://blackhillsknowledgenetwork.org/topic-hub/demographics>
- <http://blackhillsknowledgenetwork.org/topic-hub/demographics/population/summary>
(Population)

When we break down the different levels, its easy
to see that.....

- <http://blackhillsknowledgenetwork.org/topic-hub/demographics/mobility/summary> (Mobility)
- <http://blackhillsknowledgenetwork.org/topic-hub/demographics/poverty/summary> (Poverty)
- <http://blackhillsknowledgenetwork.org/topic-hub/demographics/race/summary> (Race)

More interesting topics....

Community Data

- <http://blackhillsknowledgenetwork.org/topic-hub/community-data>
- It covers up Communities:
- Pine Ridge
- Butte
- Custer
- Fall River
- Lawrence
- Meade
- Pennington
- Shannon

Working Towards

- The project is assisted and powered by the Minnesota Compass project.
- Long term planning sees similar functionality

Our cooperation.....

BHKN and South Dakota Census Data Center have worked together on this project. We have assisted in obtaining data for variables on such topics as: education, agriculture, water resource, sales and tourism, and transportation in South Dakota.

Questions?

Thank you
