Linda Galloway and Anne Rauh
Syracuse University Libraries

October 8, 2013

Outline

- Overview, install, and set up
- Break
- Collecting and organizing citations
- Break
- Citing, getting help, and Zotero projects

What is it?

- Tool to organize citations, links, and documents
- Syncs across multiple devices
- Formats citations for manuscripts
- Low barrier digital humanities tool

Background

- Developed by CHNM at George Mason University
- Funded by
 - Andrew W. Mellon Foundation
 - Institute of Museum and Library Services
 - Alfred P. Sloan Foundation.
- Created for humanities researches

How do you get it?

- Freely available from zotero.org
- Available for Mac, Windows, and Linux
- Zotero for Firefox
 - What we will use today
 - Works right within the browser
- Zotero Standalone
 - For Chrome and Safari

Additional Storage

Purchase Storage

	Amount	Annual Price
-	100 MB	Free
<input type="radio"/>	1 GB	\$20 (\$1.67/month)
<input type="radio"/>	5 GB	\$60 (\$5.00/month)
<input type="radio"/>	10 GB	\$100 (\$8.25/month)
<input type="radio"/>	25 GB	\$240 (\$20.00/month)

Installing & Downloading Zotero

Creating accounts

Installation

- Install the latest version of Mozilla Firefox – www.mozilla.org
- Install word processor plugin for Zotero – www.zotero.org -works best with Firefox!
- Install Zotero Standalone

Do not place your Zotero folders in Dropbox or other cloud storage systems

Download and Install Zotero

<http://www.zotero.org/>

The screenshot shows the Zotero website interface. At the top, there's a navigation bar with links like 'Home', 'My Library', 'Groups', 'People', 'Documentation', 'Forums', and 'Get Involved'. A search bar is also present. Below the navigation, there are two main sections: 'Zotero for Firefox' and 'Zotero Standalone'. Each section includes a description, a download button, and a list of browser extensions. The 'Zotero for Firefox' section features a red button with the Firefox logo and the text 'Zotero 4.0 for Firefox'. Below it, there's a link to 'Add a plugin for Word or LibreOffice' and a screenshot of the Zotero Firefox extension interface. The 'Zotero Standalone' section features a red button with the Zotero logo and the text 'Zotero 4.0 for Windows'. Below it, there's a link to 'Add one of the following browser extensions:' followed by buttons for Firefox, Chrome, and Safari. At the bottom, there's a link to 'Plugins for Word and LibreOffice are included' and a screenshot of the Zotero standalone application window.

Firefox Zotero pane

The image shows a screenshot of the Zotero website and the Zotero 4.0 for Firefox application interface. The website header includes the Zotero logo, navigation links (Home, Groups, People, Documentation, Forums, Get Involved), and a search bar. The main content area features two columns: "Zotero for Firefox" and "Zotero Standalone". Below these columns are two red buttons: "Zotero 4.0 for Firefox" and "Zotero 4.0 for Windows".

The application interface is shown below the website content, featuring a sidebar with a tree view of the library structure and a main pane displaying a list of items. The sidebar includes folders such as "My Library", "Annotated Bibliographies", "Art History", "Blackboard", "Book Ordering", "Book Orders", "Brahms", "BRAH123", "Performance", "Education", "Assignment 1", "EndNote_RIS_export Friday, 12 April 2013...", "EndNote_RIS_export_2 Friday, 12 April 20...", "Guitar Performance", "Books", "Journal Articles", "Scores", "Italian", "Music", and "Computer".

The main pane displays a list of items with columns for Title, Creator, and a status indicator. The list includes items such as "A LibGuides presence in a Blackboard environment" by Bowen, "A Media Librarian's Education: An Assessment of the Availability and Need for Specific Training in Media Librarianship Issues and Prac..." by Laskowski, "A Medical Musical Friendship: Billroth and Brahms" by Robb H., "A school mascot walks into the library: tapping school spirit for library instruction videos" by Henrich and Prorak, "Adolescence" by Steinberg, "American film music: major composers, techniques, trends, 1915-1990" by Darby, "An evaluation of educational psychologists' interventions at Stage 3 of the Code of Practice": Erratum by Jeff, "An Unexpected Champion of Francois Couperin: Johannes Brahms and the 'Pieces de Clavecin'" by Elaine Kelly, "Anniversary reflections: Chopin, Schumann and Schumann's circle" by Stewart-MacDonald, "Approaches to Psychological Assessment by Educational Psychologists in England and Wales" by Woods and Farrell, "ARCHIVING OUR CULTURE IN A DIGITAL ENVIRONMENT: COPYRIGHT LAW AND DIGITISATION PRACTICES IN CULTURAL HERITAGE I..." by Corbett, Susan, "ASIA-RELATED RESOURCES USED TO BUILD LITERACY IN PRIMARY CLASSROOMS" by Watts, "Audiovisual Librarianship: A Select Bibliography, 1965-1983" by Liebscher et al., "Balinese Dance: Beyond its Physical Aspect - Dibia - 2008 - Anthropology of Consciousness - Wiley Online Library" by deBoer, "Balinese Sendratani, a Modern Dramatic Dance Genre" by McClelland, "Basic Search" by Sisman, "Blackboard - Zotero Timeline", "Brahms and the Scherzo: Studies in Musical Narrative", and "Brahms and the Variation Canon".

The application interface also includes a search bar at the top right, a "All Fields & Tags" dropdown menu, and a status indicator on the right side of the main pane that reads "184 items in this view".

Adjusting the height of the pane

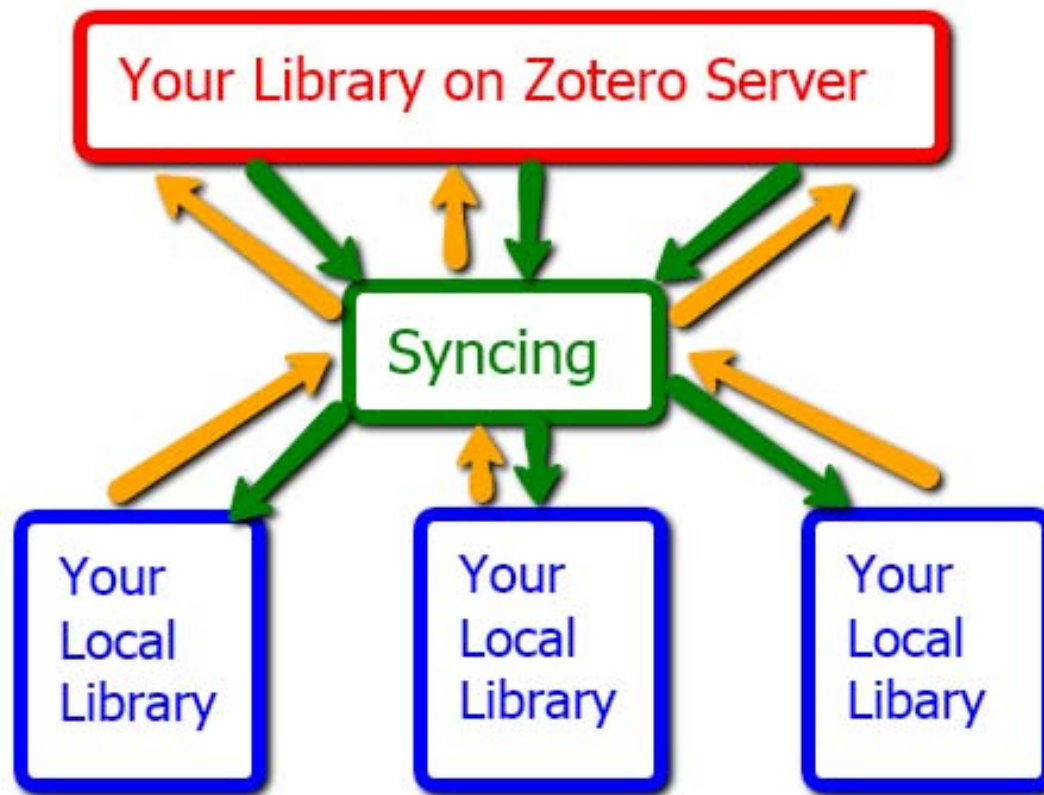

Adjust the height by click & drag the top of the pane.

Book Description

Publication Date: **September 12, 2011** | ISBN-10: **1849733244** | ISBN-13: **978-1849733243** | Edition: **1**

In 1868, The Times reported that poisons contained in dyes were affecting the public's health. A doctor informed a London magistrate that brilliantly coloured socks had caused severe "constitutional and local complaint" to several of his patients. In one case, a patient's foot had become so swollen that his boots had to be cut off. Respected chemist, William Crookes, offered to identify the poison if doctors would send him samples of the deadly socks. The story of how he solved the mystery gives this book its title and forms the basis of the first chapter. Written by a respected science historian and established author, this collection of essays contains 42 tales of chemists and their discoveries from the nineteenth and twentieth centuries. Other topics covered include: the quirky beliefs of American philanthropist, George Hodgkins; the development of the chemical laboratory since the 1830s, and the career of C.P. Snow before he became a novelist. Its broad coverage and modern approach makes it of interest to chemists, teachers, historians and laypeople with an interest in science. Written with a light style and presented in a series of unconnected vignettes the book is easy to dip into at leisure.

Groups

<http://zotero.org/groups>

What can groups do for you?

- With groups, you collaborate remotely with project members, set up web-based bibliographies for classes you teach, and so much more.
- Share your own work or sources you have discovered with others who are working in related areas.
- Collaborate with colleagues, publicly or privately, on ongoing research.
- Discover other people with similar interests and the sources they are citing.

CLRC Group

Cite while you write!

- Open your Word document. Place cursor where the citation needs to be inserted.
- Click on the Insert Zotero Citation icon, the list of Zotero references appears
- Select References – 2 Types (1) single references and (2) multiple references

Basic CWYW Steps

- For Single References - click on the desired citation, then click OK

For Multiple References – Click on the Multiple Sources button – use arrows to select the references, then click OK

- When finished writing, place cursor at end of document and select 'Insert Bibliography' icon

Zotero Help

http://www.zotero.org/support/quick_start_guide

Zotero Quick Start Guide

The screenshot shows the Zotero website's navigation bar with the logo 'zotero' in red and black. The navigation menu includes 'Home', 'Groups', 'People', 'Documentation' (which is highlighted), 'Forums', and 'Get Involved'. Below the navigation bar, there is a breadcrumb trail: 'start > quick_start_guide'. A horizontal line separates this from a list of language options for translations: 'en', 'ar', 'cs', 'da', 'de', 'es', 'fa', 'fr', 'hbs', 'hu', 'id', 'it', 'ja', 'ko', 'nl', 'pl', 'pt', 'ru', 'sl', 'sv', 'tr', 'zh'. Below the language options, there is a paragraph of text: 'Zotero [zoh-TAIR-oh] is a free, easy-to-use tool to help you collect, organize, cite, and share your research sources. It lives right where you do your work—in the web browser itself.' At the bottom of the screenshot, there is a line of text: 'Read on for an overview of Zotero's features and capabilities.'

Zotero Projects

Mind Mapping

The screenshot shows a mind mapping application window titled "evaluation-framework.mm - Docear - Mind map mode". The central node is "eval framework".

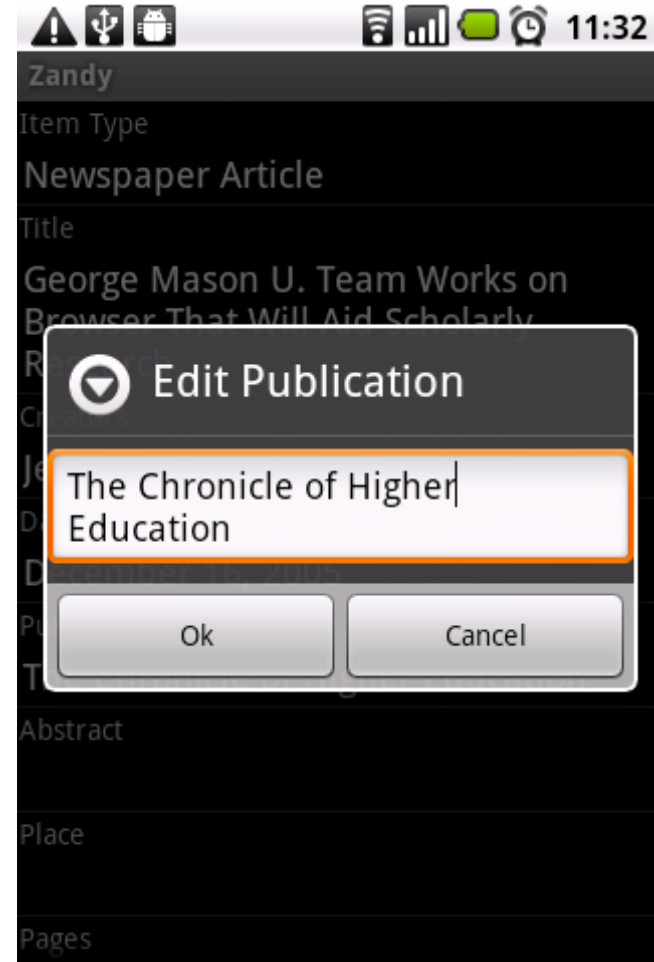

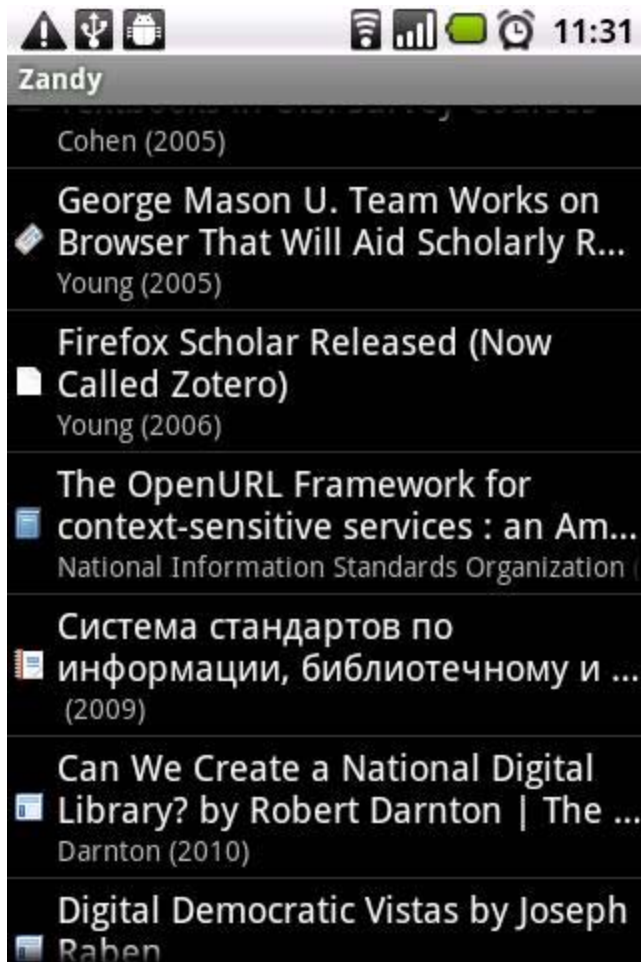

- TOR**
 - conference
 - literature
 - IM is not quite there yet
 - Florent is taking over from MS
 - I should add in findings including content-related from the evaluation scorecard
 - what if you want to include the same result in different basets / indices?
- INTERFACE WITH RESEARCH**
 - tufts feinstein center - food security - peter walker
 - also unicef - but they are into nationwide
 - amcross said we have some cash
 - un dev group in ny said we need a joint impact assessment and federation should be part of it
 - tor and everything written
 - un agencies here in haiti didnt want it
 - munu was involved with them in zimbabwe
- tulane impact report**
 - couldnt find positive impact of humanitarian intervention on resilience
 - also have a database of docs
 - no detectable cor wisdom on reslier
 - says that the find
 - red cross not oth
 - only 12 of psychosocial only most made recor
 - FGs all noted lack
 - then they did an c much
 - focus groups - aic not correspondin
 - also asked about
