Reception to follow

Thank you for your show of support this evening and for helping me gain an enriching and exciting experience in Russia.

This concert has depended on the help of the following people: Many thank you's to Dad, Mom, Audrey, Evelyn, and Jenny, for taking care of the things only family members will do and are always stuck with, including anything and everything. Extra thanks to Audrey, prima architect of "The Box", and to Albert, for coming up with the recording equipment at the last minute. Sit, Booboo, sit. Good dog. Thank you Ms. Straub, for many plus years of invaluable instruction and friendship, and for always beating the drum for me, like the Duracell Bunny, especially in this event. To Dr. Matthews and Chapman College, thank you for the use of this hall and piano-many good memories of this place. Thanks to the creative talents of Bonnie Hoskins, who has a way of turning pumpkins into stage coaches, as in the case of the reception. Thank U Saul, who's always telling me I (we) should be practicing, for the encouragement and confidence via AT&T. Thank you Mr. Pollack for your instruction and insight. Cnacubo, Katya, for your friendship and for all the work put into paving the way for me and making my life a hundred times easier in Moscow.
