Dearest Mr. Temianka,

Hello my teacher. I am deeply sorry for not keeping in touch for so long. I know I have a terrible habit of doing this, and I humbly ask for your apology.

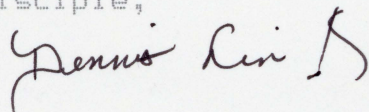

I am in my third week of school right now at UC Irvine, and the engineering curriculum is ever so heavy. I'm taking Physics, Linear Algebra, writing and Network Analysis (circuitry). I am learning to budget my time and use it in greater efficiency. That, I have you to thank for. You have been my greatest example in time management, among other great things.

How is your family doing? My parents send greetings to you and Mrs. Temianka. My parents are doing fine, and are very supportive in my college career. I think I will have a firm grip on my schedule within two weeks. I hope that I may start seeing you by then.

Thank you for always being so patient, and for understanding me so well. God Bless you richly, sir.

Sincerely,

your disciple,
