Dear Dr. Temianka:

Your editorial contribution for our January issue helped to make our "Arts and the Impasse" theme one of the most exciting (and reader-appreciated) issues in my 16 years of experience with CTA JOURNAL. We have received more commendatory letters, especially from teachers of music, art, and drama, than we normally receive.

The enclosed check does not represent our evaluation of your writing talent or the importance of your contribution to the JOURNAL and the Association, but it is a small expression of our gratitude and appreciation for your participation and cooperation.

I hope I may have the pleasure of working editorially with you again in the future.

Cordially yours,
