Dear Henri:

I was delighted to receive a specially autographed copy of your new book from Julie Glazer. You have no idea how welcome it is because everything I am reading these days is depressing, and your book is totally uplifting.

It has been a long time since we were in residence at Mills College in 1948. Thank you so much for all the musical enjoyment you have given me and my family.

Sincerely,

THOMAS M. REES
Member of Congress
