My darling Sweetheart

How is my dear Sunshine feeling to-day? Hope feeling fine + in the best of health

I was just up to see the Doctor, my foot is getting along fine + I am feeling pretty good. Yesterday the cap on my tooth came loose + to-morrow I will have to go to the Dentist + have it cemented in again.

This part of the country is a big difference from down around the front, the weather is fine not too cool or too warm + very little rain. and the scenery is quite pleasant big Oak + Chestnut trees + we have board walks here too, Also outside on the road you can see a trolley car pass once in a while going to town.

I don't know when I will get the chance to go to any town to try and get my dear a Christmas gift so don't be disappointed if you don't receive one dear, I cut a little

clipping out of the Spiker, a paper I get once
in a while. Pub. by Eng. of U. S. A. I could not
explain it to you as good as it is printed there
but it is a fact so use your own judgement.

What do you think of all the good news
in the Papers of late? It certainly looks as if we
will be coming home soon, dont it? Let's all
hope so.

Last night I saw some movies at the
Am. Red cross hut 1 Comic & 1-3 reel O Henry picture
they were very good. A couple of nights before
I saw Charlie Chapman on Easy street, they were
the first I seen in France. How is your new
Brunswick machine getting along have any more
trouble with it. never mind dear when I get
home we will have them all working overtime.

I will now close with bushels of
love & kisses & best regards to all
Your loving sweetheart

P.S. will try & have my picture taken if possible
I will write to J. Holder some time this
week. Charlie
