My Dear Robert:-

I suppose
you think I have forgotten
my promise to you, but
indeed I have not, have
often thought of you
but has been quite busy
getting in order up
here. I sure do like
Des. Moines very much
we are simply beauti-
fully located, right on the
main road to camp

Hodge,
Tell Robert - what
have you heard from
the boys. Have they landed
"over there" yet. Have not
heard anything from
Varnie since about
middle of May. In
one of the letters I had
from Mrs. Schramm
she asked me if I had
heard anything from
Varnie. I was just
thinking this mor-
ning that it is just

a year ago - 20 days
since Varnie + Clarence
started to work for us,
and just think where
they are today. He sure
did think a great
deal about the boys
and I sincerely hope
that they soon will
return back home
safe and sound.
So do you really mean
to say that you have
to go in this next
draft now in June.
It'll mostly likely

I will be up here
as we expect to stay
at least for another
month. Robert, how is
the work coming at
home are the screens
finished as yet, when
the work is done will
you send your bill to
Mrs. Schramm, so that
you will get your
check before you leave.
And we sure thank
you for your work done
for us. And now Robert
I shall be more than
glad to hear from you
your niece Anna E. E. E.
