Dear Friend,

I thought I would drop you a few lines to let you know I recieved the cake many thanks for it and it surely tasted good I'm sure seems nice to me to get things that pay and it does me good in a place like this I am certainly enjoying myself though. We had a regimental parade last sunday and Mary, Ralph and I were at it there were surely lots of people watched us. I am working as clerk in a canten now for a while and they sure do a great business there to. The boys to be a long like this afternoon and some of them are pretty tired from what they say. Well I must get back to work so I will close for this time I am as ever.
