Dear Johnny:

I very much appreciate your letter of March 2, with the attached copy of your letter to Lillian Kaufman. When you and I have our next chance to "come up for air" (which in my case will be at the end of May, when I return from the tour with the Temianka Little Symphony in the East), I would very much like to have a leisurely session with you to discuss the future of our recordings together. We started so promisingly, and there is no reason why we cannot make a real success of it.

It is good to know that you have recorded my Philharmonic Concerts and I shall be in touch with you shortly to let you know what my needs are. In the meantime, let me express my appreciation for your kindness in advising me on the availability of these tapes. It is good of you indeed.

Yours very cordially,

Henri Temianka
