Dear Henri:

I have a request for a judicial appointment filed with the Governor. To get favorable consideration, would you be good enough to write the Governor urging my appointment (I assume you concur).

If you know anyone close to the Governor, it would be helpful (you mentioned Taft Schrieber). If you would ask Mr. Schrieber to inquire, it would also be helpful.

I am enclosing a resume and a photocopy of letter from William Knowland.

I will deeply appreciate your efforts and good suggestions.

Happy New Year.

Sincerely,

George L. Hecker

WILLIAM F. KNOWLAND

Dear George:

Your letter of September 6 was received and it was nice hearing from you again. I certainly remember our service together in the 15th Army.

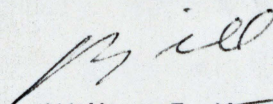

As a matter of policy, I have felt it inappropriate to make recommendations to the Governor for a Superior Court appointment in any county other than my own county of Alameda.

I have had perhaps fifteen or twenty requests from various outside counties since Governor Reagan took office.

However, should you desire to include or add my name to the references submitted to the Governor, I would be glad to have you do so and would, of course, feel I could respond to any inquiry made by the Governor or any member of his staff regarding your background and qualifications.

With best personal regards, I remain

Sincerely yours,

William F. Knowland,
President and Publisher
