Henri,

I would like to know more about you. I read your ~~letter~~ letter in Time magazine. I hope you won't feel as if I am prying into your personal affairs, but I need someone to write and talk to about the subject on Homosexuality. I am very interested in the subject and hope you will write and tell the wonderful life you must have.

I look for writeups and news about the homosexual. I really enjoy this way of life. People in my town and area don't know care too much for the subject, but there are a few of us around here in my neighborhood.

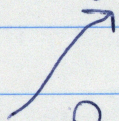

aff it isn't too much too ask I wouldn't mind having a picture of you. but just a letter bearing from you will be nice enough.

Write if you care about

a homosexual across the states. I
will admire you for it.

Donald Hill.
