Dear Emmy and Henri:

The old adage has never been more true: Birds of a feather do flock together! The brunch was a sheer delight and your guests were learned, interested, and interesting. We will always reflect upon our dining with you, and the noon gathering was a highlight of pleasurable experience, of which we hope we will have many more.

May I thank you, Henri, for the splendid list of artists you gave me. I will have it typed and send you a copy for your record -- and any additions or omissions you care to make. It might be some time before I find the source who will be interested in this worthwhile project, but I believe in it, and I know it will happen.

Do let me know if you expect to be in New York. Hopefully, it will coincide with one of my visits, then we will have our photographic session.

With warm remembrances and affection, in which Estrellita joins me,

Sincerely,

Yousuf Karsh
