Dear Henri and Emmy:

I would like to tell you of the great pleasure I had at meeting you both and being able to enjoy your company, as well as the results of your teaching and artistry with your splendid musical students. And you were gracious to have that informal lunch which enabled me to get to know you both.

Under separate cover, I will be sending to you, one of my books which will answer some of the questions which Emmy was good enough to ask me.

I told my wife, Estrellita, that you had graciously suggested you will treat us to a musical evening when we meet again in Los Angeles. This, we will anticipate with great pleasure and we hope it will be in the next few months.

With warm remembrances and good wishes,

Sincerely,

Yousuf Karsh
