COMMITTEE ON APPROPRIATIONS

September 19, 1961

Mr. Henri Temianka
2915 Patricia Avenue
Los Angeles 64, California

Dear Mr. Temianka:

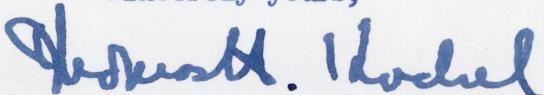

I support practical assistance by way of medical and hospital insurance to persons 65 years of age and over whether or not the individual has been covered by the Social Security System.

Our senior citizen population continues to increase. Longevity on the one hand, and fixed incomes on the other, aggravate an already serious national problem.

I have attached a copy of a statement, which I have recently issued, giving my views on this important matter.

With kindest regards,

Sincerely yours,

THOMAS H. KUCHEL
United States Senator
