Library of Congress Subject Headings for Makerspace Activities
Compiled by Diane Robson, Kevin Yanowski, and Catherine Sassen
University of North Texas Libraries

Aduino (Programmable controller) $x Programming

Computer programming

Cutting

Data logging

Electronic music

Laser beam cutting

Makey Makey (Programmable controller) $x Programming

Photography

Programmable controllers $x Programming

Rapid prototyping

Raspberry Pi (Computer) $x Programming

Robotics $x Design and construction

Robotics $x Programming

Sewing

Solder and soldering

Sound $x Recording and reproducing

Three-dimensional printing

Video recording

Virtual reality

Weaving
