THEME End of "Reveries"

And <sup>all</sup> this too we remember in this year of remembrance 1967 - something too that there are new and great words in the Church heralding a new and challenging day - the long, bitter road etc. - the unity of the Church prayed for by our head on the night before His Cross - seem to be nearer than ever before since 1000 - and you - as graduates of Volpe - are called to take a part in the closing of the canvas in the army of God -

Above all - and finally - you are called once more to remember today the message for which you stand - the interpretation of man and history in the light of the divine and incredible incarnation of God in the incarnation of His Son - this lifting of the Cross - which our man you yourself - member of society - the true captain and king who lead in giving all myrr majesty, dominion and power to our head Christ.
