Federal Estate and Gift Taxation
ACCT 4154/5154
Fall Semester 2015
Jennifer C. Bordes, MS, CPA, CSEP

OBJECTIVES

This course is designed to teach the fundamentals of the wealth transfer taxation system. Students are expected to learn the rules – statutory, regulatory, and judicially created – as well as the theoretical principles that support those rules. Class sessions will focus on lectures, problem solving and hypothetical exercises. Students will enhance their skills in (1) reading and analyzing statutes, regulations, cases, etc., (2) spotting issues and applying the law to factual situations, and (3) understanding the general concepts and applications of the wealth transfer system.
