Instructor: Kraig Derstler, G/P 1020A, kderstle@uno.edu; 280-6799

Office Hours: TTh 11am-12:30pm; WF 1-3pm

Text: Stanley, S. M. & J.A. Luczaj, 2015. Earth System History. 4th edition. Freeman. ISBN-13:978-1-4292-5526-4 or ISBN-10: 1-4292-5526-9

Grading: Primarily based upon participation and attendance.

Your letter grade starts with an A; it will be lowered at instructor's discretion for failure to:

- read the daily assignments,
- participate in classroom discussions,
- adequately prepare as discussion leader when assigned,
- adequately complete:
 - 1.) individual in-class oral reports,
 - 2.) geological time scale quiz, and
 - 3.) initial essay,
 - 4.) entry and exit interviews.

The same grade policy will apply to unexcused absences from class. After one excused or other absence, class grade will be reduced by 1 letter grade for each subsequent absence. Excused absences must be arranged beforehand, except in cases of obvious emergency. Traffic tickets, weddings, and preparing for another class will not be considered adequate excuses. For more detail, see below.

Assignments:

- Read selection from text before each class. Each reading assignment will be determined at the end of the preceding class (therefore never miss class).
 - show up for each class prepared to talk briefly about two topics:
 1. an issue from the readings that you want to know more about and therefore researched,
 2. an issue from the readings that you questioned and checked out, and
 3. something that is demonstrably wrong from the readings (2&3 can be same item in some cases)
- BE PREPARED WITH THESE QUESTIONS FOR EACH CLASS.
- Geological Time Scale Quiz (twice, part of each interview, see below)
 - Initial Essay
 - First Interview/Exam (1/2 hour individual exam with instructor)
 - Exit Interview/Exam - required during the week of final exams.

Attendance: Attendance is required for all class meetings.

Maximum of one absence (excused or otherwise) without grade penalty. After this point, grade will be lower by one letter for each additional absence no matter whether excused or not. Instructor reserves right to slightly modify this policy if in his opinion it serves the professional or intellectual development of the student. However, in no case will a student be assigned a C or better if their total absences exceed 4 or a D for 5 absences. 6 absences (excused or otherwise) guarantee an F in this class.

Honesty: Any academic dishonesty will result in a failing grade. Your case may also be submitted for further action.

Academic integrity is fundamental to the process of learning and evaluating academic performance. To this end, academic dishonesty will not be tolerated. Such dishonesty includes but is not limited to the following: cheating, plagiarism, tampering with academic records and examination, and being accessory to acts of academic dishonesty. Refer to the Student Code of Conduct for further information: <http://www.studentaffairs.uno.edu>

Disabled Students: The instructor will make all reasonable accommodations for students registered with ODS.

UNO provides reasonable accommodations to students who have disabilities that may affect their ability to participate in course activities or meet course requirements. Students should contact the Office of Disability Services and their instructors to discuss this issue: <http://www.ods.uno.edu>

Learning Goals:

- Review the curriculum, integrating your departmental coursework with this semester's readings.
- Develop/improve your skill for critical thinking and skeptical reading.
- Improve skills for rapid research and oral reporting.
- Improve your skill at leading discussions.

Student Conduct: Some wise and important soul has decided that all UNO syllabi need a statement on student behavior. To that end, I expect you to be polite, to do all required work, actively participate in all class discussions. I also expect you to eschew behaving like Donald Trump. If you don't know what that means, use a Thesaurus and work your way backwards.

Tentative Schedule:

We will read the chapters sequentially. Each reading assignment will be finalizing assignments at the end of class. There will be no other indication of these reading assignments.

Withdrawal Policy – Undergraduate only

Students are responsible for initiating action to resign from the University (withdraw from all courses) or from a course on or before dates indicated in the current Important dates calendar. Students who fail to resign by the published final date for such action will be retained on the class rolls even though they may be absent for the remainder of the semester and be graded as if they were in attendance. Failure to attend classes does not constitute a resignation. Check the dates on the Registrar's website, <http://www.registrar.uno.edu>. Please consult The Bulletin for charges associated with dropping and adding courses.

Incomplete Policy – Undergraduate only

The grade of I means *incomplete* and is given for work of passing quality but which, because of circumstances beyond the student's control, is not complete. The issuance of the grade of I is at the discretion of the faculty member teaching the course. For all graduate and undergraduate students, a grade of I becomes a grade of F if it is not converted before the deadline for adding courses for credit (as printed in the Important Dates Calendar) of the next regular semester including summer semester.

Repeat Policy -- When a student is permitted to repeat a course for credit, the last grade earned shall be the one which determines course acceptability for degree credit. A student who has earned a C or better in a course may not repeat that course unless, (1) the catalog description indicates that the course may be repeated for credit, or (2) the student's Dean gives prior approval for documented extenuating circumstances.
